

10 Ways to Get the Flavor of College Life

Instructions and purpose: *See college life with your own eyes and begin picturing yourself as a college student. With your mentor, try one or more of these activities to get a feel for life as a college student.*

- 1) Go to a college sporting event
- 2) Take a campus tour
- 3) Eat a meal on campus or at a restaurant students frequent
- 4) Attend a school orientation session
- 5) Visit the college website and explore degree and credential programs offered
- 6) Visit a campus library and find books on a topic that interests you
- 7) Read a campus newspaper or review a school's website
- 8) Read a novel in one week and discuss it with your mentor
- 9) Attend a college theatre or dance performance
- 10) Shadow a current student for a day
