

Integrating Mentoring Into Your YouthBuild Program

Evidence-based Mentoring Model

Employ Best Practices

- Recruit,
- Screen,
- Train
- Match & Monitor
- Close / Transition

Build Strong Emotional Bonds Through Frequency & Duration

- YBMentoring Model:
 - **First 3 months:** group mentoring (BRIDGE)
 - **9+ months:** one-on-one mentoring (BRIDGE continue)

Measure Positive Effects

- Program Retention
- Academic Achievement
- Positive Placement
- **Workforce Development/Post-Secondary Education**
- Reduce Recidivism

An Evidence Based Model: Youth Voice, Youth Choice

- Support YouthBuild Core Components
- Youth driven and elective
- Mentees ages **16–24***, Mentors ages 21+
- Match activities centered around youth **Life Plans**
- Programs provide **mentor-rich environments**

**YouthBuild Mentoring is for all students.*

OJJDP funding is for youth 16 TO 17 years old.
