included works explore seven key subjects in comparative theology including its theory method history influential contemporary developments and potentially fruitful avenues for future discussion the editors provide essays that reflect on the critical theoretical and methodological aspects of comparative theology as well as constructive and critical appraisals of francis clooney s scholarship over forty original contributions from internationally recognized scholars and insightful newcomers to the field are included within readers will also find insightful discussions of the larger implications of comparative theology beyond the discipline itself especially as it relates to educational programs institutions and post carceral life robust promotion of the research methods and critical thinking present in francis clooney s work practical discussions of the most pressing challenges and opportunities facing theological researchers today papers from leading contributors located around the globe including emerging voices from the global south perfect for advanced undergraduate and graduate students of theology and religious studies the wiley blackwell companion to comparative theology will also benefit scholars with an interest in comparative religion interreligious studies and interreligious theology this volume is part of a research program which started with the publication in 1972 of anna wierzbicka s groundbreaking work on semantic primitives the first within the program to focus on a number of typologically similar languages it proposes a french spanish portuguese and italian version of the natural semantic metalanguage nsm elaborated over the years by wierzbicka and colleagues repetition is avoided through teamwork a number of authors working on the languages under examination have had equal input in a set of five papers dealing with distinct parts of the metalanguage some of the findings presented here invite us to have a fresh look at what has already been achieved and to amend some of the working hypotheses of the nsm approach accordingly the volume also contains six case studies on italian sfogarsi portuguese saudades spanish crisis french certes spanish expressions of sincerity and italian and spanish diminutives respectively mío cid es un personaje histórico real su nombre es rodrigo díaz de vivar y nació en el año 1043 educado en la corte del rey fernando i mantuvo una gran amistad con su hijo sancho ii alfonso vi hermano de sancho y sucesor suyo en el trono no fue amigo del cid procurando pues el destierro de éste y ahí comienza a revelarse el marco escénico donde ocurre primeramente esta historia convertida en leyenda épica fue escrito alrededor del 1140 d c 40 años después de la muerte del cid el poema se divide en tres partes primero destierro segundo conquista de valencia y matrimonio de hijas tercero venganza y justicia de mío cid this is a definitive critical edition of the holograph manuscript 1639 of calderón s comedy this volume traces the textual history of the play and lists variants from all known editions printed in or immediately after calderón s lifetime it also gives a brief account of editions printed up to the end of the eighteenth century two sets of notes are provided one listing and discussing all the emendations additions and deletions made by calderón in the course of the composition of the play and the other offering clarification of words and allusions in the text which might cause difficulty for the modern reader the book edition of constitutions of the world from the late 18th century to the middle of the 19th century is the most complete and academically thorough collection of its kind it contains constitutional documents from all over the world written from 1776 to the end of the year 1849 this collection includes about 1 600 constitutions amendments human rights declarations and draughts of constitutions that never came into force from this period these early constitutional documents were collected and examined in archives and libraries all over the world as part of a project by the deutsche forschungsgemeinschaft german research foundation using the original documents experts from american and european universities reconstructed the authentic constitution texts for each country and annotated them in their respective original languages each volume contains a short introduction a main part with the edited constitution documents of a country comments and an index the unique value of the complete edition lies in its making all constitutions from the early phase of modern constitutionalism accessible in a reliable authentic text version for the first time these constitutions were widely scattered until now and in many cases unknown in all constitutional documents from about 50 countries in europe and the americas will be published in volumes for each country constitutions of the world from the late 18th century to the middle of the 19th century is a unique and fundamental source edition and an extensive documentation of constitutional history at the same time it supplements the microfiche edition constitutions of the world 1850 to the present the editor horst dippel is professor of british and north american history at the university of kassel germany in extensive sense the content of the book treats aspects related to the concurrent systems and distributed of investigators or lines of emerging work that have a quality very remarcabale all they presented in the xi days of assembly that took place in benicassim you gave them 11 12 and 13 of june of 2003 169 papers from the toledo congress of the european association for jewish studies offering a broad realistic perspective on the advances achievements and anxieties of judaic studies from the bible to our days on the eve of the new millennium translation is a fundamental aspect of biblical scholarship and an ever present reality in a global context scholars interested in more than linguistically oriented translation problems of a traditional nature often struggle to find an interdisciplinary venue in which to share their work these essays by means of critical engagement with the translation translation practices and translation history of texts relevant to the study of bible and ancient and modern christianity explore theoretical dimensions and contemporary implications of translations and translation practice the contributors are george aichele roland boer virginia burrus alan cadwallader k jason coker john eipper scott s eliott raj nadella flemming a j nielsen christina petterson naomi seidman jaqueline du toit esteban voth and matt waggoner as part of the larger ongoing movement throughout latin america to reclaim non hispanic cultural heritages and identities indigenous writers in mexico are reappropriating the written word in their ancestral tongues and in spanish as a result the long marginalized innermost feelings needs and worldviews of mexico s ten to twenty million indigenous peoples are now being widely revealed to the western societies with which these peoples coexist to contribute to this process and serve as a bridge of intercultural communication and understanding this groundbreaking anthology to be published in three volumes over the coming years gathers works by the leading generation of writers in thirteen mexican indigenous languages nahuatl maya tzotzil tzeltal tojolabal tabasco chontal purepecha sierra zapoteco isthmus zapoteco mazateco Ñahñu totonaco and huichol volume 1 contains narratives and essays by mexican indigenous writers their texts appear first in their native language followed by english and spanish translations frischmann and montemayor have abundantly annotated the english spanish and indigenous language texts and added glossaries and essays that trace the development of indigenous texts literacy and writing these supporting materials make the anthology especially accessible and interesting for nonspecialist readers seeking a greater understanding of mexico s indigenous peoples the other volumes of this work will be volume 2 poetry poesía and volume 3 theater teatro a world bending lyrically rich poetry collection that reimagines the u s mexico border as both a real place and a living simulation and tells the story of a pair of siblings trapped between the two word coyote gabriel dozal is crossing borders with this story it s his job narrative poetry discovering a new language sandra cisneros author of woman without shame this crosser is a possession that someone wants but we re not sure who and the crosser must often possess themselves in perpetuity in gabriel dozal s debut collection the u s mexico border is redefined as a place of invention crossing it becomes a matter of simulation the poems accompany primitivo who attempts to cross the border an imaginary boundary that becomes more real and challenging as his journey progresses and his sister primitiva who lives an alternate static life as an exploited migrant worker in la fabrica the tech world and bureaucracy collide with humanity falling by the wayside as primitiva endures drudgery in la fabrica in the past our id cards were decorative now we switch off with someone else another worker who will wipe the serenade from our eyes with no way to escape the simulation primitivo and primitiva must participate in it scheming to gain its favor to win you must be the best performer in the factory the best imitation of a citizen the best machine featuring a bilingual format for english and spanish readers the border simulator explores physical and metaphysical borders as well as the digital divide of our modern era with inventive imagery spirited wordplay and thrilling movement these energetic poems oscillate between the harrowing and the joyful interrogating innovating and ultimately
