Business and Management 1997 introduction to health and safety at work covers the fundamentals of

occupational safety and closely follows the neobosh national general certificate syllabus which was updated in 2019. It came into use in 2020, highly illustrated and over 600 pages in length, it covers all of the essential elements of health and safety management, the legal framework, risk assessment and control standards, and also includes checklists, report forms and record sheets to supplement learning. It also has an extensive summary of current health and safety legislation aligned to the neobosh national general certificate in occupational health and safety practice, questions and answers to test knowledge and increase understanding, in addition to helping students study for the ngc, it is used for reference and revision of other health and safety qualifications at level 3 and above, including the neobosh diploma, it is also a source of reference and guidance for health and safety practitioners in the workplace.

Cambridge IGCSE and O Level Economics Study and Revision Guide 2018-04-09 produced specifically to support students studying for a level 3 diploma in animal management, matches content from the new city guilds specification but can also be used alongside the new btec course. Animal biology is a compulsory module assessed in the examination. This guide is designed to aid students in the revision and preparation for this exam. It comes complete with full colour diagrams, practise questions featuring simple, easy to follow notes. This is the perfect study

companion for any animal biology student
