Still LoLo 2012-11-15 for fashion journalist
lauren lolo scruggs a short flight to look at

christmas lights turned into a nightmare when she was struck by the plane s spinning propeller blades as lauren was rushed to the hospital the world watched in shock and horror several major surgeries and thousands of prayers later lauren was still alive but she had suffered brain trauma and lost her left hand and left eye and she had to face some incredibly difficult questions what kind of future will i have where is god in all this pain will anyone ever be able to love me now in still lolo lauren and her family reveal what really happened that night what lauren s life is like today what got them through their journey toward healing and how they conquered all odds to persevere as a family containing exclusive photos and personal stories from lauren and her family still lolo is a compelling and fiercely beautiful account of faith determination and staying true to who you are no matter what

Cemetery Girl 2018-02-06 welcome to martha s place martha hawkins was the tenth of twelve children born in montgomery alabama there was no money but her childhood was full of love martha s mother could transform a few vegetables from the backyard into a feast and never turned away a hungry mouth memories of the warmth of her family s supper table would remain with martha even as a poor single

mother without a high school diploma martha dreamed of one day opening a restaurant that would make people feel at home she'd serve food that would nourish body and soul but time went by and that dream slipped further and further away as martha battled the onset of what would later become a severe mental illness but the thing about hitting bottom is that there's nowhere to go but up martha decided to step into god's promise for her life her boundless faith and joy led her to people who would change her world and lend a helping hand when she most needed and least expected one martha's place is now a nationally known destination for anyone visiting the deep south and a culinary fixture of life in montgomery martha only hires folks who are down on their luck just as she once was high profile politicians professional athletes artists musicians and actors visit regularly martha has proven many times that keeping the faith makes the difference between failure and success this is the story of how martha finally found her place

A Human Error Approach to Aviation Accident Analysis 2017-12-22 new york times bestselling author kathie lee gifford reveals heartwarming entertaining conversations between people and personalities who both agree and disagree about who jesus is his role throughout history and his presence in our lives today for decades kathie lee has had deep conversations about her faith with anyone who is interested in talking about it what she discovered early on is most people are very willing to talk about jesus atheists agnostics scientologists jews broken hearted catholics confused baptists pentecostals sikhs buddhists and hindus alike while some of the people kathie lee has spoken with do not share her belief that jesus is the messiah as prophesied for centuries by prophets in the hebrew scriptures they nonetheless have a universal fascination with him this singular man who lived more than two thousand years ago and never traveled more than one hundred miles from where he was born managed to change the entire world even the

way we delineate history bc ad comes from his short thirty three years of life in the jesus i know kathie lee shares cherished conversations that she s had with others who find jesus to be an ancient historical figure who somehow continues to be an undeniably magnetic relevant presence in the modern world those conversations include actors like kristin chenoweth and cynthia garrett with stories of craig ferguson and kevin costner newsmakers and news personalities like kris jenner megyn kelly jason kennedy and janice dean performers like chynna phillips baldwin brian welch jimmie allen and jimmy wayne hitmakers like louis york and david pomeranz as well as those coming from other faith traditions using kathie lee s favorite scripture passages as scaffolding these thought provoking exchanges will bring his teachings to life before your very eyes

Nine Minutes, Twenty Seconds 2001-09-04 a deeply moving account of the extraordinary strengths that ordinary people can display when tragedy confronts them as emotionally powerful a book as you are likely ever to read david j garrow pulitzer prize winning author of bearing the cross in august 1995 twenty six passengers and a crew of three board a commuter plane in atlanta headed for gulfport mississippi shortly after takeoff they hear an

explosion and looking out the windows on the left side see a mangled engine lodged against the wing from that moment nine minutes and twenty seconds elapse until the crippled plane crashes in a west georgia hayfield nine minutes and twenty seconds in which gary pomerantz takes readers deep into the hearts and minds of the people aboard each of whom prepares in his or her own way for what may come ultimately nineteen people survive both the crash and its devastating aftermath all of them profoundly affected by what they have seen and more important what they have done to help themselves and others this is not so much a book about a plane crash as it is a psychologically illuminating real life drama about ordinary people and how they behave in extraordinary circumstances each of us has wondered what we would do to survive a life threatening situation would i survive how would i conduct myself would i act to save others in need or only myself would others try to save me how would i be affected by the experience judging by what is revealed in nine minutes twenty seconds the answers are surprisingly optimistic in telling the remarkable stories of these twenty nine men and women gary pomerantz has written one of the most compelling books in recent memory open to any page and you ll immediately be

drawn into the dramatic pull of the narrative but on a deeper level nine minutes twenty seconds speaks as powerfully about our capacity to care for others as it does about the strength of our will to live this rich and rewarding book will linger in your mind long after you turn the last page

Air Disaster 1994 drowning by accident explains why it is so easy to drown where accidents happen and how to save lives by early rescue and resuscitation more than 600 people die by drowning in britain every year swimming is promoted as a particularly safe form of exercise so that swimmers forget or ignore the dangers of frigid lakes swollen rivers incoming tides or outgoing rip currents drowning accidents take place because we don t recognise water as a hostile environment we overestimate the strength and endurance of our bodies and underestimate the power and deceptiveness of water year after year victims lose their lives in typical drowning accidents often sinking so quickly and silently that nearby family friends and onlookers fail to notice the tragedy taking place close beside them babies drown in baths toddlers drown in garden ponds school children fall off rafts teenagers strike too far from the shore pensioners wade into rivers to save their dogs victims often die within minutes of sinking beneath the surface a quarter of those who reach hospital alive will also die while

others survive with severe permanent brain damage this means that it is vitally important for parents grandparents teachers lifeguards and lawmakers to recognise the risks and prevent drowning accidents before they take place
