Agile Conversations 2020-05-12 an american ronin s field guide to meditation when did we give up the idea that the warrior the poet and the mystic were the same man spirituality and meditation have always possessed aspects of being really really bad ass in my mind growing up with kung fu movies has a tendency to do that i began my study of meditation with books and progressed to dojo floors hindu ashrams trappist monasteries and buddhist zendos and i began to understand

what kwai chang caine was doing when he sat on a rock minding his own business and here you can get that same understanding applicable to every walk of life but especially the warrior here s your no bullshit quick and dirty field guide on meditation

Dojo 2008 the go to guidebook for helping agile practitioners overcome upskilling challenges in their organizations through effective dojo coaching agile has changed the way we work in our organizations but by demanding constant innovation and product delivery individuals and teams struggle to find time to improve their skills that s where the dojo comes in dojo style coaching encourages this kind of learn by doing form of skill development one where guided breakthroughs and upskilling happen while delivering on current work in this useful pocket guide experienced dojo coach jess brock delivers practical advice based on her extensive experience in real world dojos combining proven tactics and a comprehensive toolkit along with actionable tips needed to drive engagement in both physical and virtual dojo spaces this pocket guide will equip you to maximize the impact of your dojo whether you are a seasoned pro or you are just starting to develop your dojo coaching skills this no nonsense book will help dojo coaches at any stage of their journey

[Ajax: The Definitive Guide](#) 2008-01-25 kendo guide for beginners is a book written to guide kendo beginners the book introduces what real kendo equipment is the concept of kendo as budo how to behave at training etiquette and manners and all the basic movements that beginners should learn thoroughly along with many pictures of the kendo basics the detailed explanations will help you understand what you should or should not do when learning the basics when learning kendo movements it is always

helpful if you actually see what you have to do or not to do and it is important for you to visualize the correct movements with the pictures and detailed explanations it makes it easy for you to review what you learned at your dojo practicing at the dojo and home you will improve your basics your kendo correctly and quickly this is a great advantage because by acquiring the good basics you can move on to the next step easily putting a set of armor on with your solid basics you will have fewer difficulties when you get a set of armor that s why all the kendo people tell you to learn the basics thoroughly you can learn the reasons behind the etiquette manners in detail with this book and if you learn the etiquette manners in detail you are also learning japanese culture too even though the japanese society is modernized a lot of the etiquette manners are still following the rules of the samurai era by knowing the etiquette and manners you will be able to understand what s going on at the dojo easily and more importantly you will not offend other people especially japanese people because of a lack of the knowledge since the book is written by a japanese person all the kendo terms are correctly spelled so you will learn correct kendo terms with this book you can learn all you have to know at the beginning of kendo as a beginner and it makes your kendo life a lot easier

Dojo Loach 2023-06-08 master the art of kendo japanese swordsmanship with this illustrated and comprehensive martial arts guide kendo or the way of the sword holds a special place within the martial arts as one of the few practices tracing back directly to japan s ancient samurai heritage modern students flock to kendo for physically and mentally challenging activity that combines traditional martial arts values with strenuous physical activity author geoff salmon has over 40 years of kendo experience gained in and outside of japan his goal in this kendo guide is to dispel many misconceptions about the sport and to make kendo training accessible and effective for anyone his simple straightforward writing style is especially helpful for beginning students and martial artists from other disciplines who wish to add kendo training to their repertoire the core of this kendo book is a series of detailed instructional sequences demonstrating the basic kendo techniques the author also presents the fundamental principles and philosophy that make

kendo as much an exercise of the mind as of the sword for many adherents the goal is to train your mind to achieve a state of mushin no mind beyond that this book also shows you how to win competitions and integrate kendo into your personal fitness routines this is the first book to clearly link the philosophical and mental elements of kendo to the physical techniques thereby enabling readers to gain a holistic understanding of the martial art it offers a comprehensive training program similar to those given by leading kendo teachers in japan past and present

Welcome to Karate 2021-09

In the Dojo 2006-09-26 beginning students in japanese martial arts such as karate judo aikido iaido kyudo and kendo learn that when they are in the dojo the practice space they must don their practice garb with ritual precision address their teacher and senior students in a specific way and follow certain unwritten but deeply held codes of behavior but very soon they begin to wonder about the meaning behind the traditions gear and relationships in the dojo in this collection of lively detailed essays dave lowry one of the most well known and respected swordsmen in the united states illuminates the history and meaning behind the rituals training costumes objects and relationships that have such profound significance in japanese martial arts including the dojo space itself the teacher student relationship the act of bowing what to expect and what will be expected of you when you visit a dojo the training weapons the hakama ceremonial skirt and dogi practice uniform the shinto shrine authoritative insightful and packed with fascinating stories from his own experience in the dojo provides a wealth of information that beginning students will pore over and advanced students will treasure
