We've got you covered for your principles of management course with Schermerhorn/Bachrach Management, 13th Edition, binder-ready version with new cases, more opportunities for self-assessment, and the Management Weekly Updates News Blog. The text and its comprehensive suite of resources promote critical thinking and active learning. Thoroughly updated while maintaining its trusted balance of concepts and applications, Management, 13th Edition, binder-ready version presents the most current material to apply theory and show relevance of management concepts in the real world for students to succeed in your management course and beyond. This text is an unbound binder-ready version, a skills-oriented practitioner perspective on strategy, thoroughly updated with current research and concepts in today's economy. Gaining and sustaining a competitive advantage is harder than ever. Strategic Management Concepts captures the complexity of the current business environment and delivers the latest skills and concepts with unrivaled clarity, helping readers develop their own cutting-edge strategy through skill-developing exercises. The thirteenth edition explores the current global recession and shows how it has affected the business environment, providing readers with updated coverage of strategic management concepts, theory, research, and techniques in every chapter. For courses in retail management, a contemporary text that helps readers thrive in today's retailing industry. Retail Management: A Strategic Approach is built on the fundamental principle that retailers have to plan for and adapt to a complex, changing environment. Without a pre-defined and well-integrated strategy, retailers may flounder and be unable to cope with the environment that surrounds them. This text helps readers become good retail planners and decision makers. The 13th edition incorporates updated data that reflects the current world economic climate, extensive coverage of omnichannel retailing, and many new vignettes, questions, and cases so that readers can thrive in today's retailing industry with a renewed focus on skills and careers. The new edition of this bestselling text can help better prepare your students to enter the job market. Management, thirteenth edition, vividly illustrates effective management theories by incorporating the perspectives of real-life managers through examples, cases, and hands-on exercises. Students will see and experience management in action, helping them understand how the concepts they're learning actually work in today's dynamic business world. to course content and the instructor's course objectives. Schermerhorn communicates with students through rich, timely features and cases that bring management topics, theories, and concepts to life. The underlying goal is to translate foundation theories into lasting tools for students as they move beyond the classroom where their skills will be put to the test.

For undergraduate principles of management courses, real managers' real experiences with a renewed focus on skills and careers. The new edition of this bestselling text can help better prepare your students to enter the job market.

Management, Thirteenth Edition, vividly illustrates effective management theories by incorporating the perspectives of real-life managers through examples, cases, and hands-on exercises. Students will see and experience management in action, helping them understand how the concepts they're learning actually work in today's dynamic business world. Students will gain hands-on practice applying management concepts with MyManagementLab. They'll engage in real business situations with simulations, build their management skills by writing and talking about different management scenarios, have access to a video library to help put concepts into perspective, and more. Also available with MyManagementLab, MyManagementLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results within its structured environment. Students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

Please note that the product you are purchasing does not include MyManagementLab. MyManagementLab, joined by over 11 million students benefiting from Pearson MyLabs, this title can be supported by MyManagementLab, an online homework and tutorial system designed to test and build your understanding. Would you like to use the power of MyManagementLab to accelerate your learning? You need both an access card and a course ID to access MyManagementLab. These are the steps you need to take:

1. Make sure that your lecturer is already using the system. Ask your lecturer before purchasing a MyLab product as you will need a course ID from them before you can gain access to the system.
2. Check whether an access card has been included with the book at a reduced cost. If it has, it will be on the inside back cover of the book.
3. If you have a course ID but no access code, you can benefit from MyManagementLab at a reduced price by purchasing a pack containing a copy of the book and an access code for MyManagementLab. ISBN 9781292090313.
4. If your lecturer is using the MyLab and you would like to purchase the product, go to mymanagementlab.com to buy access to this interactive study programme for educator access. Contact your Pearson representative to find out who your Pearson representative is. Visit pearsoned.co.uk.
