after three years of living his dream as a professional baseball pitcher mike robbins had an arm injury that benched him for good and when this happened everything changed he had to figure out who he was without the identity of baseball player a process fraught with emotional highs and lows and he quickly realized that the self criticism and self

doubt he was feeling are in fact epidemic in our culture too often we base our value on our external world our jobs finances appearance or various other factors even the most successful people struggle with their relationship with themselves in nothing changes until you do mike looks at this delicate relationship and brings to light a new way to look at life opening your eyes to your innate value these 40 inspiring essays which are real tales from mike s own life and the lives of his clients boil down some of the most important lessons mike has learned on his own personal journey and as he s traveled throughout the country for over a decade speaking to groups of all kinds with themes spanning from the importance of trusting yourself to the benefits of vulnerability to the strength inherent in embracing change this book shows you how to get out of your own way and make peace with yourself with humor authenticity and ease mike illustrates that with a little self compassion and a healthy dose of self acceptance anyone can turn away from the negatives that manifest because of a critical self perception things like unkindness insecurity addictions sabotaged relationships unnecessary drama and more making peace with yourself is fundamental to happiness and success so join mike and learn to have more compassion more acceptance and more love for yourself thus giving you access to more compassion more acceptance and more love for the people and everything else in your life concise practical and based on the best available research essentials of organizational behavior an evidence based approach second edition equips students with the necessary skills to become effective leaders and managers author terri a scandura uses an evidence based approach to introduce students to new models proven to enhance the well being motivation and productivity of people in the work place experiential exercises self assessments and a variety of real world cases and examples provide students with ample opportunity to apply ob concepts and hone their critical thinking abilities new to this edition a new emotions and moods chapter delves into important topics like emotional intelligence emotional contagion and affective neuroscience a new power and politics chapter unpacks the most effective influence strategies and

helps students develop their political skills a streamlined table of contents now combines perception and decision making in a single chapter and change and stress in a single chapter new case studies including some from sage business cases for the interactive ebook on topics such as virtual teams equal pay and the gender wage gap and the use of apps at work introduce timely and relevant discussions to help foster student engagement the new edition has been rigorously updated with the latest research throughout and includes expanded coverage of machiavellian leadership ethical decision making and organizational design through change new best practices and research in action boxes as well as new toolkit activities and self assessments have been added to make the text even more hands on and practical for undergraduate principles of management courses real managers real experiences with a renewed focus on skills and careers the new edition of this bestselling text can help better prepare your students to enter the job market management 14th edition global edition vividly illustrates effective management theories by incorporating the perspectives of real life managers through examples cases and hands on exercises students will see and experience management in action helping them understand how the concepts they re learning actually work in today s dynamic business world also available with pearson mylab management pearson mylab tm management is an online homework tutorial and assessment program designed to work with this text to engage students and improve results within its structured environment students practice what they learn test their understanding and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts students if interested in purchasing this title with pearson mylab management ask your instructor for the correct package isbn and course id instructors contact your pearson representative for more information rev ed of essentials of organizational behavior stephen p robbins timothy a judge 10th ed directed primarily toward undergraduate management or business college university majors this text also provides practical content to current and aspiring industry professionals this bestselling text vividly
