Diamond 1956 chapter i are you game to try it here s a queer
looking letter i said to myself one day early in the spring of
1917 i could hardly make out the postmark it was something
of a surprise to receive a letter from british guiana as i finally
deciphered it but the contents were even more surprising the
letter was from my friend dudley p lewis i need a partner in a
diamond mining venture he wrote are you game to try it out
with me it will be a long trip full of adventures and dangers
but there are diamonds here to be had for the digging*

*Diamonds Are Deadly 2001-02-09 yes there is an anointing
being released to empower believers especially women to rise
up and to step up as kingdom trailblazers digging diamonds
is a collection of empowering transformational stories of
kingdom trailblazers who were willing and committed to keep
digging until they reached the other side of the promises and
became fruitful in their land now you have access to a
brilliant inner circle of purpose driven women of the kingdom
who are unbreakable unstoppable and blazing trails of
purpose breakthroughs blessings and legacies each kingdom
trailblazer shares her inspirational story of spiritual growth

*West African Diamonds, 1919-1983 1985 sam accepts a job
working for gemsite at a remote diamond mine in africa she
struggles to get accepted by the suspicious expatriate
community on a trip to the capital as courier for some
diamonds she befriends general fuego the president s brother
in law unbeknownst to her he is on a mission from the
president to find out if the company is lying about the real
production figures things start looking better when the*

notorious boss adrian black takes a shine to sam but disaster strikes when there is a rebel attack at the mine and sam and some of her colleagues are kidnapped and held for ransom

Dazzling Diamonds 2017-07-15 excerpt from the diamond a study in chinese and hellenistic folk lore about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Digging for Diamonds 2013-03-18 the west african diamond mining industry makes a good setting for this adventure mystery nigel ballantyne works for the diamond mining company wadminco his job is to stop the rampant illegal digging of diamonds which goes on in the wadminco lease area but he finds this is difficult in the pervading political climate some of the illegal miners are financed by a shadowy figure known as mama sia nigel swears he will close her operations down but as the story unfolds we sense that mama sia is gaining the upper hand one of the main mysteries is to her identity who or what is she from the beginning nigel realizes he is fighting a losing battle against the illegal miners one of the main reasons is there is a ready market for their diamonds how do you tell if a diamond has been mined legally or illegally intertwined with some violent events is a romance between nigel and a sierra leonean named rose dunway the story illustrates how difficult it is in an economically poor country to extract diamonds without

suffering a high level of criminal activities

Digging for Diamonds 2000 how are diamonds formed where do they come from the answers to these questions and more can be found in this exciting look at a popular gemstone the science and technology involved in creating a sparkling gem from an uncut diamond is fully explored giving readers an in depth look at how diamond rings bracelets necklaces and more are made fun fact boxes highlight additional information and striking photographs illustrate the beauty of these natural jewels

Digging for Diamonds 1989 diamonds by william crookes is an early 20th century non fiction book that somehow manages to capture audiences as if it were a thrilling adventure crookes explores the diamond sector in this book including the world of fake diamonds which were already a popular substitute for the gem over a century ago when this book was written

Flight of the Diamond Smugglers: A Tale of Pigeons, Obsession, and Greed Along Coastal South Africa 2021-02-23

To the Cape for Diamonds 2023-08-18 excerpt from to the cape for diamonds a story of digging experiences in south africa with comments and criticisms political social and miscellaneous upon the present state and future prospects of the diamond fields in so far as this book is a narrative i have no need to preface it unless with a limitation self evident what strictures may be found herein upon cape colony whether in its aspect and value as an agricultural country or in the character and manners of its people are to be considered only as applying to the parts of it i saw there is indeed every reason to believe that a visit to the eastern districts would have justified a very different report to others it may be given to draw up this happier and brighter description but a conscientious writer tells only what he sees

let me not however be supposed to have portrayed the whole colony in sketching the karoo or west griqualand but i have also criticized certain acts of the cape government a pmdent man in weighing the value of these will ask from what point of view does the author write which way lies his interest p let me state then that i have no interest either way nor any point of view save that of mere justice i am neither digger nor landowner the object of my journey was to report conscientiously the state of things upon the diamond fields their commercial value and the probabilities of their future what may be found herein of censure upon any class or any custom is at least an unbiassed opinion about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Digging Diamonds Daily 1979 mining for diamonds is a metaphor for going within to explore your inner realms to find and use internal tools to heal from the pain of your childhood and to discover and claim your true self this book takes you within to explore your inner realms

The Armpit of Doom 2012-10-01 you have a piece of heaven inside you and it looks a lot like a diamond god created each of us with unique gifts that reflect a piece of his character like an artist that leaves clues about himself in his painting we get a better picture of our creator when we see what s true and bright in each other when we use our gifts in

relationships we show each other glimpses of heaven maybe you have the wisdom i need today maybe i have the faith you need tomorrow and maybe these diamonds we carry inside us are pieces of something much bigger than either of us he s the radiance of zion scattered wide across the sea every piece of him a diamond hidden in humanity lovers of the jesus storybook bible will feel right at home in the pages of dig for your diamond rhyming verse poetry combines with vivid deeply symbolic illustrations for a reading experience preschoolers middle schoolers and grandparents will all love Diamonds are Waiting for You 2007 many people lack confidence in their ability to understand the bible many times different teachers give different interpretations to the same passage causing confusion the goal of this book is to provide simple methods for determining what the author actually meant in school students are taught ways of checking their answers so they can be sure they are right there are ways of checking one s interpretation of the scriptures as well unfortunately just as most kids assume they are right and don t check their work most bible students don t check their conclusions other than to see if there are other people who agree with them this results in most of the confusion about what the bible says the techniques in this book minimize misunderstandings then provide a way of checking the conclusions that are developed providing great assurance as to one s correct understanding

Digging Dusky Diamonds 2013 based on contemporary newspaper accounts and genealogical records digging dusky diamonds tells the story of the people who made the anthracite coal mining industry a major economic force in pennsylvania in the 19th and early 20th centuries how the miners and their families lived and worked loved and died is recorded in old newspapers and reveals their daily concerns their diversions social attitudes and prejudices the accounts reveal what was different about those people and what has remained constant in us their descendants though the focus is mainly on northumberland and schuylkill counties similar conditions prevailed across the anthracite mining region about the author a native of shamokin northumberland county pennsylvania j r lindermuth worked as a newspaper reporter and editor for nearly 40 years since retiring he has served as librarian of the northumberland county historical society where he assists patrons with genealogy and research he is the author of 12 novels and his short stories and articles have been published in a variety of magazines he is a member of international thriller writers epic and the short mystery society he is the father of two grown children and has four grandsons to learn more about the author visit his website at jrlindermuth.net

Diamond Trade 2010-09-01 before the advent of the great mineral revolution in the latter half of the 19th century south africa was a sleepy colonial backwater whose unpromising landscape was seemingly devoid of any economic potential yet lying just beneath the dusty surface of the land lay the richest treasure trove of gold diamonds platinum coal and a host of other metals and minerals that has ever been discovered in one country it was the discovery and exploitation of first diamonds in 1870 and then gold in 1886 that proved the catalyst to the greatest mineral revolution the world has ever known which transformed south africa into the supreme industrialised power on the african continent here for the first time is the complete history of south africa s phenomenal mineral revolution spanning a period of more than 150 years from its earliest commercial beginnings to the present day incorporating seven of the major commodities that have been exploited digging deep describes the establishment and unparalleled growth of mining tracing the history of the industry from its humble beginnings where copper was first mined on a commercial basis in namaqualand in the cape colony in the early 1850s to the discovery and exploitation of the country s other major mineral commodities this is also the story of how mining gave rise to modern south africa and how it compelled the country to develop and progress the way in which it did it also incorporates the stories of the visionary men cecil rhodes alfred beit barney barnato sir ernest oppenheimer sammy marks and hans merensky who pioneered and shaped the development of the industry on which modern south africa was built

Digging for Diamonds: A 40 Day Devotional 2020-10-09 it turns out diamonds might not be forever the global supply of rough unpolished diamonds is forecast to drop in value terms by 1 to 2 percent annually through 2030 according to bain co

as demand for the prized gems grows by 2 to 5 percent each year with easy pickings gone and aging mines closing mining companies must spend more on projects to locate and tap deposits and be willing to walk away when risks outweigh rewards for example after spending us 120 million over six years global mining giant rio tinto last year abandoned a us 330 million project in india in light of environmental concerns including the potential impact on tiger habitats

Digging for Diamonds 2015-03-09 with humour and characteristic honesty cathy madavan helps us to discover some treasures of real worth in the midst of our sometimes messy and occasionally crazy lives cathy encourages us to dig a bit deeper to search those gems out and to polish them up allowing god s truths to crystallise in our lives so that our identity character and purpose are formed into something beautiful and strong the treasures of god s wisdom are there to be found pick up your shovel let s dig in this gem of a book cathy not only warmly encourages us to revel in who we really are but also cleverly provides a practical aid to help us do so which is why i can t recommend digging for diamonds enough diane louise jordan radio and tv presenter

Digging Dusky Diamonds 2013-09 the discovery of diamonds in a remote region of the cape in the middle of the last century attracted an extraordinary collection of adventurers to south africa from all over the world men flocked to the diamond fields in the hopes of making a quick fortune when diamond digging gave way to diamond mining a struggle developed for complete control of the industry this is the story of the men who with varying motives became involved in that struggle cecil rhodes son of an english parson sought financial power to further his vision of imperial expansion barney and harry barnato came from london s east end and with their nephews jack woolf and solly joel were determined to establish the financial supremacy of their family alfred beit a money making genius from hamburg wanted little more than to assist rhodes in his grandiose schemes joseph benjamin robinson who was probably the richest of them was

mainly concerned with bolstering his own avaricious ego their struggle was accompanied by controversy and scandal both financial and personal and evolved into one of the most ruthless financial clashes of modern history not until late in their lives did they graduate from kimberley s corrugated iron shanties to park lane mansions and splendid country houses when they did they fell victim to international charlatans the pseudo baron von veltheim the russian born princess radziwill and the french impostor henri lemoine whose intrigues overshadowed their last days this book based on contemporary documents and unpublished material explores the diamond magnates personalities with revealing candour

What Happens When Women Wake Up? 2009-06

The Diamond Magnates 2016-10-19 unforgettable an outstanding adventure in its lyrical utterly compelling and heartbreaking investigations of the world of diamond smuggling aimee nezhukumatathil for nearly eighty years a huge portion of coastal south africa was closed off to the public with many of its pits now deemed overmined and abandoned american journalist matthew gavin frank sets out across the infamous diamond coast to investigate an illicit trade that supplies a global market immediately he became intrigued by the ingenious methods used in facilitating

smuggling particularly the illegal act of sneaking carrier pigeons onto mine property affixing diamonds to their feet and sending them into the air entering die sperrgebiet the forbidden zone is like entering an eerie ghost town but frank is surprised by the number of people willing even eager to talk with him soon he meets msizi a young diamond digger and his pigeon bartholomew who helps him steal diamonds it s a deadly game pigeons are shot on sight by mine security and msizi knows of smugglers who have disappeared because of their crimes for this msizi blames mr lester an evil tall tale figure of mythic proportions from the mining towns of alexander bay and port nolloth through the halfway desert to kleinzee s shores littered with shipwrecks frank investigates a long overlooked story weaving interviews with local diamond miners who raise pigeons in secret with harrowing anecdotes from former heads of security environmental managers and vigilante pigeon hunters frank reveals how these feathered bandits became outlaws in every mining town interwoven throughout this obsessive quest are epic legends in which pigeons and diamonds intersect such as that of krishna s famed diamond koh i noor the mountain of light and that of the cherokee serpent uktena in these strange connections where truth forever tangles with the lore of centuries past frank is able to contextualize the personal grief that sent him with his wife louisa in the passenger seat on this enlightening journey across parched lands blending elements of reportage memoir and incantation flight of the diamond smugglers is a rare and remarkable portrait of exploitation and greed in one of the most dangerous areas of coastal south africa with his sovereign prose and insatiable curiosity matthew gavin frank reminds us that the world is a place of wonder if only we look toby muse
