singapore 1939 life on the eve of world war ii just isn't what it used to be for walter blackett head of british singapore's oldest and most powerful firm no matter how forcefully the police break one strike the natives go on strike somewhere else his daughter keeps entangling herself with the most unsuitable beaux while her intended match the son of blackett's partner is an idealistic sympathizer with the league of nations and a vegetarian business may be booming what with the war in europe the allies are desperate for rubber and helpless to resist blackett's price fixing and market manipulation but something is wrong no one suspects that the world of the british empire of fixed boundaries between classes and nations is about to come to a terrible end a love story and a war story a tragicomic tale of a city under siege and a dying way of life the singapore grip completes the empire trilogy that began with troubles and the booker prize winning siege of krishnapur the 12 stories in this collection electrify by their dazzling diversity of subject their relentless observation and comment and their adroit use of language through the dark labyrinths of the secret lives of men and women in singapore

catherine lim once again uses her sharp powers of observation to comment masterfully on our complex relationships against the immense and brilliant backdrop of our society's achievements laying bare the infinite longing and inevitable weakness of the human heart these stories celebrate the surprising power of love and its effects on every one of us happily anticipating gift shopping for her little girl merry collides with a man on the busy street looking up as his hands steady her she sees the face that has haunted her the last three years shocked she turns and flees but the memories that lay buried surfaced to taunt her darryl isn't going to let her off that easily he goes after her and soon realizes the depth of his loss when he discovers two things that turn his life upside down will life be the same again for merry and darryl peggy lives in the land below the wind she is a retired educationist holding an honors degree in english she has published english grammar books in malaysia english grammar a malaysian student guide and casey and pennys guide to english a series of four books she has also published the yes i can read series of well loved tales retold in simple language for young readers bragging rights include three children and four grandchildren her hobbies are golfing travelling reading and creative writing her short stories and non fiction books are also available in the kindle store in amazon.com she also blogs at blogger.com swingingby.blogspot.com shares places of interest which she has travelled to in bubblyluv.blogspot.com you can read the musings and random thoughts of an asian woman straddling a liberated society and a conservative background the first 19 stories in the collection trace the countless experiences and escapades of ah leong inextricably intertwined with those of his family and friends as the stories develop ah leong comes of age he gets a job falls in love enlists in national service and learns often with youthful ingenuity and zeal how to sidestep some of life's complications first loves includes two prizewinning stories campfire won 2nd prize in the 1983 national short story writing competition and evening under frangipani won 1st prize in the same competition in 1985 both stories effectively explore the vulnerability of first love and the emptiness that follows cover page 4 the story of dr baey lian peck should be well known but it is not not even among singaporeans and especially not among the young this tells us a lot about a singapore caught in pathological haste and prone towards ignoring values that do not add to the financial bottom line the innovativeness of dr baey did not only make him a very wealthy man before he was forty it also made him an indispensable actor in the implementation of urgently constructed national policies political leaders such as dr toh chin chye lim kim san chua sian chin and dr goh keng swee picked him to solve pressing problems such as skyrocketing inflation in the early 1970s the crisis in prisoner ward in the late 1970s and the drug addiction epidemic in that same latter period his one condition for taking on public positions was that he should not be paid it was exactly this independent trait that made him so highly effective it's a doozie set in a science fictional universe where climate change is fixed but people get killed via teleportation a young woman named anna huff has to navigate her adolescence and a murder mystery it has a little bit of all the genres you love in combinations you've never imagined and it's easily the funniest thing we've read this year so far gq drew magary's first posthumous novel is so good it's about big tech weird futures growing up and intriguingly for us the absurdity of on demand global travel roads and kingdoms when the corporate monolith portsys brought porting to the masses ceo emilia kirsch and her son jason accomplished what every other startup company had failed to deliver they really did change the world they reversed climate change they created a multitrillion dollar industry out of thin air curing economic woes across the globe they made it so that anyone could be anywhere simply by touching a screen including the man who murdered sarah huff now sarah's 17 year old sister anna is determined to hunt the bastard down but there are a few problems she doesn't know who the killer is or where in the world he may be at any given moment also she's stuck at prestigious druskin academy where portphones are banned and any student who attempts to port off campus is immediately expelled it gets stickier anna's also fallen in love with her dazzling new roommate who just so happens to be emilia kirsch's daughter lara the dean of students wants anna

dead perhaps literally and she has only two friends to confide in one a reckless alcoholic and the other a bizarre fussy budget oh and now she also needs to find lara who has mysteriously disappeared from campus from the author of the postmortal and the hike comes his most deliriously entertaining novel yet point b is the story of one clever and occasionally determined young woman seeking both love and vengeance but hardly ready for those two missions to intersect it takes you to vietnam hollywood singapore tokyo inland mexico oxford the maldives cuba the coast of northeast australia and all points beyond you will find yourself plunged into a borderless chaotic oddly miraculous world that is ruled by a single bloodless corporation and by a family determined to keep it that way but portsys never expected anna huff and anna huff never expected love to make her this daring he s a two fisted american adventurer and veteran of a hundred waterfront brawls he s ponga jim mayo and he minds his own business and leaves international intrigue to others but as master of his own tramp freighter trouble seeks him out as he navigates the treacherous east indian seas from borneo to singapore never one to back away from danger jim straps on his colt automatic and takes the helm of the semiramis ready to battle pirates and spies dope peddlers and gunrunners and whoever else dares to challenge his command and god help the man who crosses jim mayo young western and single sara arrives in singapore on a magazine assignment to detail the long held attraction between western men and asian women she soon becomes swept up in the exotic city mesmerized by its glitter and glamour and seduced by promises of a career wealth and success however a chance encounter followed by a charged love affair with a charismatic chinese singaporean hotelier who just happens to be married draws sara into an unexpected inward journey that forces her to confront her past and contemplate the difference between love and infatuation set in contemporary singapore the manhattan of asia this rapturous book is the story of one woman s journey of self discovery in which she explores her back on his career over five decades we see his stories unfold before us in a dazzling array of art styles and forms their development mirroring the evolution in the political and social landscape of his homeland and of the comic book medium itself with the art of charlie chan hock chye sonny liew has drawn together a myriad of genres to create a thoroughly ingenious and engaging work where the line between truth and construct may sometimes be blurred but where the story told is always enthralling bringing us on a uniquely moving funny and thought provoking journey through the life of an artist and the history of a nation a very special way to say i love you this collection of stories marks singapore s first book on creation care each story captures how ordinary christians from different walks of life have humbly put their faith into radical action and integrated the biblical ethos of creation care into the everyday the writers reflect on creation care as an organic part of the path of discipleship and missional living rather than an imposed or burdensome duty the book presents a refreshing local perspective on the distinctiveness of christian environmental ethics seeks to encourage fellow christians on this creation care journey and inspire those who have yet to begin ultimately it is an invitation to followers of christ to care for god s marvellous creation as an act of worship and love two bestselling novels by low kay hwa at a promotional price print books originally at sgd 34 80 or rm87 00 promotion valid only until 29 february 2016 or after 10 000 bundles lessons it may

hold for national health systems around the world singapore ranks sixth in the world in healthcare outcomes yet spends proportionally less on healthcare than any other high income country this is the first book to set out a comprehensive system level description of healthcare in singapore with a view to understanding what can be learned from its unique system design and development path the lessons from singapore will be of interest to those currently planning the future of healthcare in emerging economies as well as those engaged in the urgent debates on healthcare in the wealthier countries faced with serious long term challenges in healthcare financing policymakers legislators public health officials responsible for healthcare systems planning finance and operations as well as those working on healthcare issues in universities and think tanks should understand how the singapore system works to achieve affordable excellence in recent years singaporean literature has begun experiencing a sea change with the short story form enjoying a renaissance as a result an explosion of short fiction with a singaporean flavour has been produced to incredible effect both by emerging and established writers for the prose enthusiast it is a very exciting time the epigram books collection of best new singaporean short stories volume one curates the finest short fiction from singaporean writers published in 2011 and 2012 this ground breaking and unique anthology showcases stories that examine various facets of the human condition and the truths that we tell ourselves in order to exist in the everyday the styles are as varied as the authors and no two pieces are alike here are twenty unique and breathtaking literary insights into the singaporean psyche which examine what it means to live in this particular part of the world in this particular time the singapore story is the first volume of the memoirs of lee kuan yew the man who planted the island state of singapore firmly on the map of the world it was first published in 1999 in intimate detail lee recounts the battles against colonialists communists and communalists that led to singapore s independence with consummate political skill he countered adversaries sometimes enlisting their help at others opposing them in the single minded pursuit of singapore s interests we read how he led striking unionists against the colonial government how over tea and golf he fostered ties with key players in britain and malaya of secret midnight meetings in badly lit rooms drinking warm anchor beer with a communist underground leader of his purposeful forging of an alliance with communists to gain the support of the chinese educated masses readers will find inspiration in his tenacity as he fought for the people s hearts and minds against first the communists and later the communalists in parliament on the streets and through the media drawing on unpublished cabinet papers archives in singapore britain australia new zealand and the united states as well as personal correspondence he gives us a vivid picture of how others viewed him determined lee will bluff bully and blackmail up to the eleventh hour motivated choo knew i sweated blood to master hokkien ambitious he would think himself as legitimate as i was to be the leader of malaya dangerous crush lee put him inside it is a sometimes controversial yet strangely consistent portrait of this asian statesman these experiences and his dealings with the political leaders were to shape his views and policies which have had a major impact on singapore and the region fans of katie flynn rosamunde pilcher and dinah jeffries will love this emotional and sweeping wartime romance set in singapore from bestselling author margaret mayhew readers are loving the other side of paradise moving tale of bravery and human endurance the sounds and smells and life of singapore come alive in this well told story 5 stars this is an amazing read 5 stars left me craving more loving the characters totally absorbed in the detailed descriptions and finding myself recommending her novels over a coffee with friends 5 stars great read 5 stars really loved this book 5 stars she only lived for pleasure until war forced her to find courage she did not know she had and love where she least expected it 1941 britain is in the grip of war life in the far east is one of wealth and privilege in singapore susan roper enjoys dancing clothes and fast cars tennis and light flirtations with visiting naval officers her life is devoted solely to pleasure and dismisses any warnings of danger singapore goes on partying oblivious to the threat of invasion and believing the british flag will protect them from all enemies but when japan invades susan finds herself in grave danger she becomes an ambulance driver and is taken prisoner by the japanese gradually and reluctantly she realises that she will have to face many hardships and witness terrible events forcing her to acknowledge the truth but will this new world lead her to a love where she least expects it chapter 1 takes a close look at a unique and state of the art dynamic structural public housing macroeconomic model dsphm based on an open economy for several key macroeconomic variables actual and expected as well as the demand for new hdb flats sold this chapter readily adopts the dsphm for simulating two scenarios namely a no change first scenario and a public housing deregulation second scenario chapter 2 explores the relationship between several economic factors and the demand for public housing in singapore and hong kong deploying the innovative and versatile system dynamics model to shed better understanding on the policy implications of assisted ownership housing the chapter assesses the demand for new flats of the singapore and hong kong economies under certain macroeconomic policy changes suitable for their unique situations chapter 3 is concerned with the underlying structural relationships that affect singapore s public housing policy to potentially privatize the hdb concessionary rate mortgages for hdb homebuyers such a potential

privatization infuses and sustains price competitiveness among the domestic private banks in singapore and lead to improved efficiency among them as well as the singapore economy at large chapter 4 is concerned with the binomial option pricing model proposed by cox ross and rubinstein 1979 which is appropriate to represent the movement of the underlying hdb resale flat prices subject to private market forces in hdb s large scale public housing secondary resale market the hdb main upgrading program mup is a heavily subsidized and highly targeted public housing policy since its inception in 1992 the hdb has budgeted some s 3 billion to finance the mup policy chapter 5 recognizes housing affordability to be always an issue of concern to many singaporean homebuyers because shelter forms one of the basic life necessities the corresponding private residential market in singapore offers quality and premium private residential accommodation for homebuyers who prefer the private residential market the appropriate affordability model is a multi factor housing affordability index hai model which considers the ability to provide down payment and to service the mortgage taken up lastly chapter 6 offers the book s conclusion this book explores contested notions of chineseness in southeast asia and hong kong during the cold war showing how competing ideas about chineseness were an important ideological factor at play in the region after providing an overview of the scholarship on chineseness and diaspora the book sheds light on specific case studies through the lens of the chinese cultural cold war from hong kong singapore malaya thailand indonesia and vietnam it provides detailed examples of competition for control of definitions of chineseness by political or politically oriented forces of diverse kinds and shows how such competition was played out in bookstores cinemas music halls classrooms and even sports clubs and places of worship across the region in the 1950s 1960s and 1970s the book also demonstrates how the legacies of these cold war contestations continue to influence debates about chinese influence and chineseness in southeast asia and the wider region today charming a moving testament to the diversity and depths of love publishers weekly you ll laugh you ll cry you ll be swept away in less time than it takes to read this paragraph here found his soulmate in jenny cavilleri their love was exhilarating and heartbreakingly brief it was a love to last a lifetime two years have passed since jenny was taken from him and oliver truly believes he will never love again then one day marcie beautiful and mysterious enters his world and suddenly the future holds a golden new promise from the running track in new york s central park to the hushed executive suites of a mighty department store empire from a snowy massachusetts christmas to a shattering moment of truth in exotic hong kong the story of oliver barrett iv is a story of passion and principle of a young man s journey out of sadness into love a wonderful new novel from catherine lim a modern love story of east meets west set in the author s native singapore never before has yin ling appeared in such splendour perched in the bridal car with her mother in law to be in layers of unaccustomed make up bedecked with the jewels of her fiance s family she is about to marry into one of the richest and most influential clans in singapore but on the way to the ceremony the car passes through a destitute area of the city and ling catches sight of a scene of death a terrible omen for a bride instead of looking away ling stops the car and goes to look it is a dead baby abandoned despite her finery ling picks it up so begins catherine lim s new novel ling poor beautiful an outstanding student and a poet is to marry vincent chee a rich phd student from a very traditional upper class family she will become a dutiful wife not the existence of her dreams but the chee s money and influence is essential for her mother has cancer and they cannot abandon a faithful old servant ah heng cheh however the mapping out of ling s future doesn t proceed smoothly almost against her will and through her poetry she meets outspoken american professor ben gallagher who threatens to overturn everything ling must make her choice east or west head or heart the birth of a son makes her moral predicament even more agonizing chef cynthia louise talks about food plant based food that makes you feel good she won t talk diet she won t talk macronutrients she talks about real food just like nature intended and one more thing if it doesn t have flavor it can f off chef cynthia comes with a large side of personality an infectious passion not to mention she s also the bestselling author of 7 recipe books including 3 books with biochemist dr libby weaver the star of 2 cooking shows on gaia tv and fmv the partner of a global chain of restaurants with serial entrepreneur roger hamilton and created her own range of gut healing food products and online classes in her early days at a health resort she saw the effects of her cooking on chronically ill patients diabetes stress chronic fatigue crohn s eczema cirrhosis leaky gut ibs and autoimmune conditions all responded positively even to the amazement of natural doctors and healers when she served natural plant based meals made from her highest intentions she followed these same principles while recovering from her second heart surgery so she knows the power of her method from the inside out as an adopted child raised in new guinea cynthia spent days down the back of her family s workshop with the wives of the workers they would harvest coconuts and shred them while roasting sweet potatoes over an open fire in contrast her nights at home were spent eating rissoles and mash she learnt early on how real food tastes and what it does for your body that s when she realized that cooking is a contract with your body our health is on loan you pay it back by nourishing yourself with positive energy and emotions then starting the simple act of preparing a meal it s one of the many simple yet profound things chef cynthia louise has discovered in her journey and there s more she wants to share cook with real food cook with great energy cook with chef cynthia louise last page listed as a
