patrick white from the star of peacock s queer as folk and the netflix series special comes a funny tender and beautiful gary janetti new york times bestselling author novel following a gay tv writer with cerebral palsy as he fights addiction and searches for acceptance in an overwhelmingly ableist world elliot appears to be living the dream as a successful tv writer with a dotting boyfriend but behind his instagram filter of a life he s grappling with an intensifying alcohol addiction he can t seem to stop cheating on his boyfriend with various sex workers and his cerebral palsy is making him feel like gay shrek after falling down a rabbit hole of sex drinking and hollywood backstabbing elliot decides to limp his way towards redemption but facing your demons is easier said than done with his singular voice and unforgettable wit steven rowley author of the guncle ryan o connell presents a candid biting and refreshingly real commentary on gay life laugh out loud exploration of self and a rare insight into life as a person with disabilities why is the sexuality of people with intellectual disabilities often deemed risky or inappropriate by teachers parents support staff medical professionals judges and the media should sexual citizenship depend on iq confronting such questions head on already doing it exposes the sexual ableism that denies the reality of individuals who despite the restrictions they face actively make decisions about their sexual lives tracing the history of efforts in the united states to limit the sexual freedoms of such persons using methods such as forced sterilization invasive birth control and gender segregated living arrangements michael gill demonstrates that these widespread practices stemmed from dominant views of disabled sexuality not least the notion that intellectually disabled women are excessively sexual and fertile while their male counterparts are sexually predatory analyzing legal discourses sex education materials and news stories going back to the 1970s he shows for example that the intense focus on stranger danger in sex education for intellectually disabled individuals disregards their ability to independently choose activities and sexual partners including nonheterosexual ones who are frequently treated with heightened suspicion he also examines ethical issues surrounding masturbation training that aims to regulate individuals sexual lives challenges the perception that those whose sexuality is controlled or rejected should not reproduce and proposes recognition of the right to become parents for adults with intellectual disabilities a powerfully argued call for sexual and reproductive justice for people with intellectual disabilities already doing it urges a shift away from the compulsion to manage deviance better known today as harm reduction because the right to pleasure and intellectual disability are not mutually exclusive in so doing it represents a vital new contribution to the ongoing debate over who in the united states should be allowed to have sex reproduce marry and raise children uncovering stories about disability history and life otoole shares her firsthand account of some of the most dramatic events in disability history and gives voice to

those too often yet left out from the 504 sit in and the founding of the center for independent living in Berkeley to the disability forum at the international woman's conference in Beijing through dancing sports queer disability organizing and being a disabled parent otoole explores her own and the disability community's power and privilege with humor insight and honest observations Corbett Joan Otoole's *Fading Scars: My Queer Disabled History* is like a song an anthem a lullaby a ballad a love lyric and a chant all at once this book of essays chronicles one person's life but also the 40 years that disability rights and disability justice shaped American history its first person accounts of historical events fierce focus on disabled identities and consistently accessible language and structure make it unusual perhaps even unique among disability memoirs bursting with ideas stories and arguments *Fading Scars* is a book in which experience accrues into knowledge and emerges through the written word as wisdom *Fading Scars* combines razor sharp organization with passages of lyrical beauty it establishes a new standard perhaps even the beginning of a new aesthetic for disability writing Margaret Price author of *Mad at School: Rhetorics of Mental Disability and Academic Life* illuminating disability history with clear and funny stories this book builds a home where those of us who have lived on the sidelines can seek shelter Naomi Ortiz writer artist and disability justice activist *Fading Scars* is a must read for those interested in disability community activism and scholarship Kim Nielsen author of a disability history of the United States *Revising American History: Transforming Citizenship* engages the performativity of citizenship as it relates to transgender individuals and advocacy groups instead of reading the law as a set of self-executing discourses Isaac West takes up transgender rights claims as performative productions of complex legal subjectivities capable of queering accepted understandings of genders sexualities and the normative forces of the law drawing on an expansive archive from the correspondence of a transwoman arrested for using a public bathroom in Los Angeles in 1954 to contemporary lobbying efforts of national transgender advocacy organizations West advances a rethinking of law as capacious rhetorics of citizenship justice equality and freedom when approached from this perspective citizenship can be recuperated from its status as the bad object of queer politics to better understand how legal discourses open up sites for identification across identity categories and enable political activities that escape the analytics of heteronormativity and homonationalism meet the LGBTQ dealmakers trailblazers and glass ceiling breakers in business politics and beyond the people who are creating national public policy running billion dollar tech enterprises and winning Olympic medals Andrew Gelwicks interviews the leaders who have forged their own paths and changed the world from Troye Sivan to Margaret Cho George Takei to Billie Jean King ShangeLa to Adam Rippon each person credits their queer identity with giving them an edge in their paths to success their stories brim with the hard won lessons gained over their careers with variances in age background careers and races key in this book will bring in brilliant imperfection eli clare uses memoir history and critical analysis to explore cure the deeply held belief that body minds considered broken need to be fixed cure serves many purposes it saves lives manipulates lives and prioritizes some lives over others it provides comfort makes profits justifies violence and promises resolution to body mind loss clare grapples with this knot of contradictions maintaining that neither an anti cure politics nor a pro cure worldview can account for the messy complex relationships we have with our body minds the stories he tells range widely stretching from disability stereotypes to weight loss surgery gender transition to skin lightening creams at each turn clare weaves race disability sexuality class and gender together insisting on the nonnegotiable value of body mind difference into this mix he adds environmental politics thinking about ecosystem loss and restoration as a way of delving more deeply into cure ultimately brilliant imperfection reveals cure to be an ideology grounded in the twin notions of normal and natural slippery and powerful necessary and damaging all at the same time this major reference series brings together a wide range of key international articles in law and legal theory many of these essays are not readily accessible and their presentation in these volumes will provide a vital new resource for both research and teaching each volume is edited by leading international authorities who explain the significance and context of articles in an informative and complete introduction an accessible introduction to disability studies disability politics and theory provides a concise survey of disability history exploring the concept of disability as it has been conceived from the late 19th century to the present further a j withers examines when how and why new categories of disability are created and describes how capitalism benefits from and enforces disabled people's oppression critiquing the model that currently dominates the discipline the social model of disability this book offers an alternative the radical disability model this model builds on the social model but draws from more recent schools of radical thought particularly feminism and critical race theory to emphasize the role of intersecting oppressions in the marginalization of disabled people and the importance of addressing disability both independently and in conjunction with other oppressions intertwining theoretical and historical analysis with personal experience this book is a poignant portrayal of disabled people in canada and the u s and a radical call for social and economic justice disability rights activist alice wong brings tough conversations to the insights regarding identity the body and experience a memoir in essays from disability advocate and creator of the instagram account sitting pretty rebekah taussig processing a lifetime of memories to paint a beautiful nuanced portrait of a body that looks and moves differently than most growing up as a paralyzed girl during the 90s and early 2000s rebekah taussig only saw disability depicted as something monstrous the hunchback of notre dame inspirational helen keller or angelic forrest gump none of this felt right and as she got older she longed for more stories that allowed disability to be complex and ordinary uncomfortable and fine painful and fulfilling writing about the rhythms and textures of what it means to live in a body that doesn't fit rebekah reflects on everything from the complications of kindness and charity living both independently and dependently experiencing intimacy and how the pervasiveness of ableism in our everyday media directly translates to everyday life disability affects all of us directly or indirectly at one point or another by exploring this truth in poignant and lyrical essays taussig illustrates the need for more stories and more voices to understand the diversity of humanity sitting pretty challenges us as a society to be patient and vigilant practical and imaginative kind and relentless as we set to work to write an entirely different story does the black struggle for civil rights make common cause with the movement to foster queer community protest anti queer violence or discrimination and demand respect for the rights and sensibilities of queer people confronting this emotionally charged question ladelle mcwhorter reveals how a carefully structured campaign against abnormality in the late 19th and early 20th centuries encouraged white americans to purge society of so called biological contaminants people who were poor disabled black or queer building on a legacy of savage hate crimes such as the killings of matthew shepard and james byrd mcwhorter shows that racism sexual oppression and discrimination against the disabled the feeble and the poor are all aspects of the same societal distemper and that when the civil rights of one group are challenged so are the rights of all an empowering collection of essays on the author's experiences in the disability justice movement wicked funny and hella gay it's time disability politics and queer liberation with a poet s devotion to truth and an activist s demand for justice clare deftly unspools the multiple histories from which our ever evolving sense of self unfolds his essays weave together memoir history and political thinking to explore meanings and experiences of home home as place community bodies identity and activism here readers will find an intersectional framework for understanding how we actually live with the daily hydraulics of oppression power and resistance at the root of clare s exploration of environmental destruction and capitalism sexuality and institutional violence gender and the body politic is a call for social justice movements that are truly accessible to everyone with heart and hammer exile and pride pries open a window onto a world where our whole selves in all their complexity can be realized loved and embraced in feminist queer crip alison kafer imagines a different future for disability and disabled bodies challenging the ways in which ideas about the future and time have been deployed in the service of compulsory able bodiedness and able mindedness kafer rejects the idea of disability as a pre determined limit she juxtaposes theories movements and identities such as environmental justice reproductive justice cyborg theory transgender politics and disability that are typically discussed in isolation and envisions new possibilities for crip futures and feminist queer crip alliances this bold book goes against the grain of normalization and promotes a political framework for a more just world the first book to cover the entirety of disability history from pre 1492 to the present disability is not just the story of someone we love or the story of whom we may become rather it is undoubtedly the story of our nation covering the entirety of us history from pre 1492 to the present a disability history of the united states is the first book to place the experiences of people with disabilities at the center of the american narrative in many ways it s a familiar telling in other ways however it is a radical repositioning of us history by doing so the book casts new light on familiar stories such as slavery and immigration while breaking ground about the ties between nativism and oralism in the late nineteenth century and the role of ableism in the development of democracy a disability history of the united states pulls from primary source documents and social histories to retell american history through the eyes words and impressions of the people who lived it as historian and disability scholar nielsen argues to understand disability history isn t to narrowly focus on a series of individual triumphs but rather to examine mass movements and pivotal daily events through the lens of varied experiences throughout the book nielsen deftly illustrates how concepts of disability have deeply shaped the american experience from deciding who was allowed to immigrate to establishing labor laws and justifying slavery and gender discrimination included are absorbing at times horrific narratives of blinded slaves being thrown overboard and women being involuntarily sterilized as well as triumphant accounts of disabled miners organizing strikes and disability rights activists picketing washington engrossing and profound a disability history of the united states fundamentally reinterprets how we view our nation s past from a stifling master narrative to a shared history that encompasses us all a goodreads best science fiction choice award
