away with an up to date understanding of contemporary urban life every dollar is a vote make yours count every dollar we spend has the potential to create social and environmental change in fact it already has the world that exists today is in large part a result of our purchasing decisions now in its seventh edition the better world shopping guide continues to be the gold standard for socially and environmentally responsible consumers pick up the seventh edition of this perennial bestseller and find out which companies actually walk the talk when it comes to environmental sustainability and climate change human rights community involvement animal protection social justice from cereal to computers meat alternatives to outdoor gear and pet care to toys check the rating before you buy drawing on decades of research this comprehensive resource rates hundreds of brands products and services from a to f so you can quickly tell the good guys from the bad guys turning your

shopping list into a powerful tool for positive change 6000 hours of research 2000 companies evaluated 70 product categories 50 reliable sources 5 essential issues 1 report card small enough to fit in a back pocket or handbag easy to use and covering more brands than ever the better world shopping guide helps you reward companies who are doing good penalize those involved in destructive activities and change the world as you shop a classic reference book that has been used by millions all over the world roget s international thesaurus is the product of more than a century and a half of continual expansion reorganization and improvement today this book is not only the most time tested and bestselling thesaurus ever but newly revised it is also the most up to date and comprehensive reflection of the english language as it is currently used the revolutionary achievement of dr peter mark roget s first edition in 1852 was the development of a brand new principle the arrangement of words and phrases according to

their meanings. The Roget's system brings together in one place all the terms associated with a single thought or concept. It allows a wide-ranging survey of language within a book of relatively modest size without the space-consuming repetitions that so severely limit the scope of thesauruses arranged in a dictionary format with a to z entries. This brilliant organization makes Roget's International Thesaurus both the most efficient word finder and a cutting edge aid in stimulating thought, organizing ideas, and writing and speaking more clearly and effectively. This revised and updated seventh edition features thousands of new words and phrases, including the newest slang words and expressions that color and inform everyday language. At the same time, it retains all the hallmarks that have made Roget's International Thesaurus the most popular word reference book next to the dictionary.
