**Frontline Ukraine 2014-12-18 i think it s pretty well accepted  
that spurs are the guv nors now to my horror i see to my right  
my pal holding his hand slumped against a wall and pouring  
with blood from the author of the bestselling tottenham  
massive comes this incendiary follow up the most searingly**

honest and brutal book ever written about football trevor tanner is the man at the head of the tottenham massive in this all new account of life with the firm he reveals the emotional stress and headache of the year long trial which resulted in him walking out a free man but not before he d gone on the run for a month and seen the stress the case put his family and close friends under he tells how it feels to have left the legacy for what is arguably the best firm the country has seen in more than 20 years to be honest in my mind millwall are the only team who could probably give us a bit of a go

Aftershocks 2019 new york times bestseller an insider account of activists politicians educators and everyday citizens working to change minds bridge divisions and fight for democracy from disinformation fighters to a leader of black lives matter to bernie sanders and alexandria ocasio cortez and more by the best selling author of winners take all and award winning former new york times columnist anand giridharadas shows the way we get real progressive change in america by refusing to write others off building more welcoming movements and rededicating ourselves to the work of changing minds robert b reich best selling author of the system the lifeblood of any free society is persuasion changing other people s minds in order to change things but america is suffering a crisis of faith in persuasion that is putting its democracy and the planet itself at risk americans increasingly write one another off instead of seeking to win one another over debates are framed in moralistic terms with enemies battling the righteous movements for justice build barriers to entry instead of on ramps political parties focus

on mobilizing the faithful rather than wooing the skeptical and leaders who seek to forge coalitions are labeled sellouts in the persuaders anand giridharadas takes us inside these movements and battles seeking out the dissenters who continue to champion persuasion in an age of polarization we meet a leader of black lives matter a trailblazer in the feminist resistance to trumpism white parents at a seminar on raising adopted children of color bernie sanders and alexandria ocasio cortez a team of door knockers with an uncanny formula for changing minds on immigration an ex cult member turned qanon deprogrammer and hovering menacingly offstage russian operatives clandestinely stoking americans fatalism about one another as the book s subjects grapple with how to call out threats and injustices while calling in those who don t agree with them but just might one day they point a way to healing and changing a fracturing country

Front Lines 2016-01-26 an epic genre bending and transformative new series that reimagines world war ii with female soldiers fighting on the front lines world war ii 1942 a court decision makes women subject to the draft and eligible for service the unproven american army is going up against the greatest fighting force ever assembled the armed forces of nazi germany three girls sign up to fight rio richlin frangie marr and rainy schulterman are average girls girls with dreams and aspirations at the start of their lives at the start of their loves each has her own reasons for volunteering rio fights to honor her sister frangie needs money for her family rainy wants to kill germans for the first time they leave

**behind their homes and families to go to war these three daring young women will play their parts in the war to defeat evil and save the human race as the fate of the world hangs in the balance they will discover the roles that define them on the front lines they will fight the greatest war the world has ever known perfect for fans of girl in the blue coat salt to the sea the book thief and code name verity from new york times bestselling author michael grant**

**The Dynamics of Doctrine 1981 the unfolding crisis in ukraine has brought the world to the brink of a new cold war as russia and ukraine tussle for crimea and the eastern regions relations between putin and the west have reached an all time low how did we get here richard sakwa here unpicks the context of conflicted ukrainian identity and of russo ukrainian relations and traces the path to the recent disturbances through the events which have forced ukraine a country internally divided between east and west to choose between closer union with europe or its historic ties with russia in providing the first full account of the ongoing crisis sakwa analyses the origins and significance of the euromaidan protests examines the controversial russian military intervention and annexation of crimea reveals the extent of the catastrophe of the mh17 disaster and looks at possible ways forward following the october 2014 parliamentary elections in doing so he explains the origins developments and global significance of the internal and external battle for ukraine with all eyes focused on the region sakwa unravels the myths and misunderstandings of the situation providing an essential and highly readable account**

**of the struggle for europe s contested borderlands**

***Massive Attack - True Stories From the Frontline of Tottenham's  
Staunchest Fans* 2010-11-25** veteran diplomatic correspondent  
paul richter goes behind the battles and the headlines to show  
how american ambassadors are the unconventional warriors  
in the muslim world running local government directing  
drone strikes nation building and risking their lives on the  
front lines the state department s heroes are the front line  
diplomats who have been unheralded but crucial in the line of  
national defense for two decades of wars in the middle east in  
the ambassadors paul richter shares the astonishing true life  
stories of four expeditionary diplomats who do the hardest  
things in the hardest places we ll see ryan crocker s effort to  
organize a new afghan government after the fall of the  
taliban even threatening the life of a pashtun warlord a us  
ally to ensure that a column of tanks could join us forces in  
the biggest battle of the afghan war robert ford the sole  
american official for the province of najaf in central iraq  
tries to restart the economy and deal with growing militia  
violence and is taken hostage by a shia militia in syria he is  
chased by government thugs for defying the country s ruler j  
christopher stevens is smuggled into libya as u s envoy to the  
rebels during its bloody civil war then returns as ambassador  
only to be killed during a terror attack in benghazi war zone  
veteran anne patterson is sent to pakistan considered the  
world s most dangerous country to broker deals that prevent a  
government collapse and to help guide the secret war on  
jihadists richter s account of the role of america s diplomats  
in the wars in the middle east and the muslim world supplies

**a crucial and until now missing part of how these wars are being fought an important addition to appreciating the roles of these diplomats and an in depth look into the complexity and length of these wars and nation building the ambassadors is a critical piece of modern day history**

**Fighting in Hell 2012-02-20 the contradictory behaviour of the german army in the east resulted from its adherence to the concept of military necessity**

**Combat and Genocide on the Eastern Front 2014-07-10 veteran sunday times war correspondent marie colvin was killed in february 2012 when covering the uprising in syria on the front line is an orwell special prize winning journalism collection from veteran war correspondent marie colvin who is the subject of the movie a private war starring rosamund pike and jamie dornan**

***All Quiet on the Western Front* 2013-09-03 the masterpiece of the german experience during world war i considered by many the greatest war novel of all time with an oscar winning film adaptation now streaming on netflix erich maria remarque is a craftsman of unquestionably first rank the new york times book review i am young i am twenty years old yet i know nothing of life but despair death fear and fatuous superficiality cast over an abyss of sorrow this is the testament of paul bäumer who enlists with his classmates in the german army during world war i they become soldiers with youthful enthusiasm but the world of duty culture and progress they had been taught breaks in pieces under the first bombardment in the trenches through years of vivid horror paul holds fast to a single vow to fight against the principle of**

**hate that meaninglessly pits young men of the same generation but different uniforms against one another if only he can come out of the war alive**

**Silver Stars 2017 detailed reports by german commanders powerful testimony to the germans lack of preparation for the harsh climatic conditions of the russian winter military machines international when their troops invaded the soviet union in 1941 the initial success convinced the german high command that the red army could be destroyed west of the dnepr river and that there would be no need for conducting operations in cold snow and mud they were wrong in fact the german war in russia was so brutal in its extremes that all past experience paled beside it everything in russia the land the climate the distances and above all the people were harder harsher more unforgiving and deadlier than anything the german soldier had ever faced before one panzer grenadier who fought in the west and in russia summed it up in the west war was the same honorable old game nobody went out of his way to be vicious and fighting stopped often by five in the afternoon but in the east the russians were trying to kill you all the time the four detailed reports of campaigning in russia included in this invaluable book russian combat methods in wwii effects of climate on combat in european russia combat in russian forests and swamps and warfare in the far north were written in the late 1940s and early 1950s as part of the us army program to record the german strategies and tactics of world war ii directly from the commanders the authors were all veterans of the fighting they described and frankly admitted that the soldiers sent to russia were neither trained**

**nor equipped to withstand the full fury of the elements fighting in hell shows what happened on the ground through firsthand accounts of the commanders who were there**

**The Frontlines of Peace 2021-02-01 this paper is a case study in the wartime evolution of tactical doctrine besides providing a summary of german infantry tactics of the first world war this study offers insight into the crucial role of leadership in facilitating doctrinal change during battle it reminds us that success in war demands extensive and vigorous training calculated to insure that field commanders understand and apply sound tactical principles as guidelines for action and not as a substitute for good judgment it points out the need for a timely effort in collecting and evaluating doctrinal lessons from battlefield experience abstract**

**The German Campaign in Russia 1955 on friday august 13 2010 just as st martin s press was readying its initial shipment of this book the department of defense contacted us to express its concern that our publication of operation dark heart could cause damage to u s national security after consulting with our author we agreed to incorporate some of the government s changes into a revised edition of his book while redacting other text he was told was classified the newly revised book keeps our national interests secure but this highly qualified warrior s story is still intact shaffer s assessment of successes and failures in afghanistan remains dramatic shocking and crucial reading for anyone concerned about the outcome of the war while i do not agree with the edits in many ways the dod redactions enhance the reader s understanding by drawing attention to the flawed results**

created by a disorganized and heavy handed military intelligence bureaucracy Lt col anthony shaffer lieutenant colonel anthony shaffer had run intelligence operations for years before he arrived in afghanistan he was part of the dark side of the force the shadowy elements of the u s government that function outside the bounds of the normal system his group called themselves the jedi knights and pledged to use the dark arts of espionage to protect the country from its enemies shaffer s mission to afghanistan however was unlike any he had ever experienced before there he led a black ops team on the forefront of the military efforts to block the taliban s resurgence they not only planned complex intelligence operations to beat back the insurgents but also played a key role in executing those operations outside the wire they succeeded in striking at the core of the taliban and their safe havens across the border in pakistan for a moment shaffer saw us winning the war then the military brass got involved the policies that top officials relied on were hopelessly flawed shaffer and his team were forced to sit and watch as the insurgency grew just across the border in pakistan this wasn t the first time he had seen bureaucracy stand in the way of national security he had participated in able danger the aborted intelligence operation that identified many of the future 9 11 terrorists but failed to pursue them his attempt to reveal the truth to the 9 11 commission would not go over well with his higher ups operation dark heart tells the story of what really went on and what went wrong in afghanistan shaffer witnessed firsthand the tipping point when what seemed like certain victory turned into failure now

**in this book he maps out a way that could put us on the path to winning the war**

**Ballistic 2020-05-26 a new series that promises to be just as engrossing as frontlines the action just as exciting the science just as solid the tension just as high i gulped down the first book in a day and i am already eager for the next one george r r martin across the six planet expanse of the gaia system the earthlike gretia struggles to stabilize in the wake of an interplanetary war amid an uneasy alliance to maintain economies resources and populations aden robertson reemerges after devoting twelve years of his life to the reviled losing side with the blood of half a million casualties on his hands aden is looking for a way to move on he s not the only one a naval officer has borne witness to inconceivable attacks on a salvaged fleet a sergeant with the occupation forces is treading increasingly hostile ground and a young woman thrust into responsibility as vice president of her family s raw materials empire faces a threat she never anticipated now on the cusp of an explosive and wide reaching insurrection aden plunges once again into the brutal life he longed to forget he s been on the wrong side of war before but this time the new enemy has yet to reveal themselves or their dangerous endgame**

***24hr Under Attack* 2013-11-01 ten million military personnel died during the great war many millions of them experienced horrendous enemy attacks on entrenched positions that stretched across france and belgium as well as further afield this groundbreaking book relives twenty four hours of an actual platoon under attack using a battalion war diary to**

**follow the assault hour by hour a team of historians and archaeologists reconstructs the fighting revealing how the british tommy defended his hard won positions against heavy fire and enemy attack robertshaw presents the great war in colour as it was experienced using stunning images to bring the the full force of these frightening assaults to life this truly is first world war history at its finest**

**The Persuaders 2022-10-18 at turns surprising funny and gut wrenching this is the hopeful story of the ordinary yet extraordinary people who have figured out how to build lasting peace in their communities the word peacebuilding evokes a story we ve all heard over and over violence breaks out foreign nations are scandalized peacekeepers and million dollar donors come rushing in warring parties sign a peace agreement and sadly within months the situation is back to where it started sometimes worse but what strategies have worked to build lasting peace in conflict zones particularly for ordinary citizens on the ground and why should other ordinary citizens thousands of miles away care in the frontlines of peace severine autesserre award winning researcher and peacebuilder examines the well intentioned but inherently flawed peace industry with examples drawn from across the globe she reveals that peace can grow in the most unlikely circumstances contrary to what most politicians preach building peace doesn t require billions in aid or massive international interventions real lasting peace requires giving power to local citizens the frontlines of peace tells the stories of the ordinary yet extraordinary individuals and organizations that are confronting violence in their**

**communities effectively one thing is clear successful examples of peacebuilding around the world in countries at war or at peace have involved innovative grassroots initiatives led by local people at times supported by foreigners often employing methods shunned by the international elite by narrating success stories of this kind autesserre shows the radical changes we must take in our approach if we hope to build lasting peace around us whether we live in congo the united states or elsewhere**

**Points of Impact 2018-01-09 humankind may have won the battle but a new threat looms larger than ever before earth s armed forces have stopped the lanky advance and chased their ships out of the solar system but for cdc officer andrew grayson the war feels anything but won on mars the grinding duty of flushing out the twenty meter tall alien invaders from their burrows underground is wearing down troops and equipment at an alarming rate and for the remaining extrasolar colonies the threat of a lanky attack is ever present earth s game changer new advanced ships and weapons designed to hunt and kill lankies and place humanity s militaries on equal footing with their formidable foes andrew and his wife halley both now burdened with command responsibilities and in charge of more lives than just their own are once again in humanity s vanguard as they prepare for this new phase in the war but the lankies have their own agenda and in war the enemy doesn t usually wait until you are prepared as andrew is once again plunged into the chaos and violence of war with an unyielding species he is forced to confront the toll this endless conflict is taking on them all and**

**the high price of survival at any cost**

**The Hockey Stick and the Climate Wars 2013-10-01 war cinema presents an introduction to and overview of films that take war as their main theme framing the era with apocalypse now and apocalypse now redux the author initially focuses on vietnam on film in the 1970s and 1980s and how this divisive war was represented**

***Orders of Battle* 2020-12 the battle against the lankies has been won earth seems safe peacetime military not on your life it s been four years since earth threw its full military prowess against the lanky incursion humanity has been yanked back from the abyss of extinction the solar system is at peace for now the future for major andrew grayson of the commonwealth defense corps and his wife halley flying desk duty on the front no more nightmares of monstrous things no more traumas to the mind and body but when an offer comes down from above andrew has to make a choice continue pushing papers into retirement or jump right back into the fight what s a podhead to do the remaining lankies may have retreated in fear but the threat isn t over they need to be wiped out for good before they strike again that ll take a new offensive deployment aboard an avenger warship andrew and the special tactics team under his command embark on the ultimate search and destroy mission this time it ll be on lanky turf no big heroics no unnecessary risks just a swift hit and run raid in the hostile capella system blow the alien seed ships into oblivion and get the hell back to earth at least that s the objective but when does anything in war go according to plan**

**The Old Front Line 1917 an interplanetary battle is renewed**

in an epic novel of a warring solar system by the author of ballistic the war should have been over but it s not for a group of nationalists grabbing for control it s been two weeks since a missile with a nuclear warhead tore through the planetary defenses in the most blistering large scale attack ever committed in the history of the gaia system commander dunstan park of the rhodian navy has been handpicked to command an experimental cruiser that could dictate the course of the escalating conflict all he has to do is keep the ship from falling into the wrong hands on gretia the powder keg is beyond control a terrorist attack against civilians draws idina chaudhary into a costly battle it also forces a cautious aden jansen back into the fray now dedicated to a just cause he s still keeping his past hidden the risk of exposing his former alliance could twist not only his fate but also that of his sister solveig heir to the family empire with no time to waste dunstan hits the ground running but as insurgents threaten the unstable peace what s ahead for both sides could change the destiny of the gaia system forever

**Frontlines: Requiem 2016-09-07** from acclaimed writer ivan brandon drifter this graphic novel tells a stand alone story set within the action packed military sci fi world of marko kloos s bestselling frontlines novels when earth is in the crosshairs there s only one thing standing between survival and destruction duty colonel soraya yamin commander of the phalanx a battle ravaged space control cruiser engages the lankies in an apocalyptic assault over mars the lankies a merciless alien species that outguns outmaneuvers and outfights humanity at every turn have been menacing earth s

colonies but now they re suddenly in our solar system decimating the nacs fleet and swarming toward earth itself facing insurmountable odds soraya must make a fateful choice between her sworn duty and the loved ones she desperately wants to protect

**A Billion Lives 2008-03-04** called the world s conscience and one of the 100 most influential people of our time by time magazine jan egeland has been the public face of the united nations as undersecretary general for humanitarian affairs he was in charge of the office for the coordination of humanitarian affairs ocha for three and a half years one of the bravest and most adventuresome figures on the international scene egeland takes us to the frontlines of war and chaos in iraq to scenes of ethnic cleansing in darfur to the ground zeroes of famine earthquakes and tsunamis he challenges the first world to act a billion lives is his on the ground account of his work in the most dangerous places in the world where he has led relief efforts negotiated truces with warlords and intervened in what many had thought to be hopeless situations as one of secretary general kofi annan s closest advisers jan egeland was at the heart of crises during a difficult period in un history when the organization was plagued by the divisive aftermath of the iraq war the oil for food scandal and terror attacks against un workers on the day egeland came to new york to take up his job the un building in baghdad was destroyed by a huge bomb killing one of his predecessors sergio de mello two months later annan sent egeland to iraq to judge whether the un could keep a presence there since that first mission to baghdad egeland has been

envoy to such places as darfur eastern congo lebanon gaza northern israel northern uganda and colombia he coordinated the massive international relief efforts after the indian ocean tsunami and south asian earthquake as a negotiator and activist egeland is famous for direct language whether he is addressing warlords guerrilla leaders generals or heads of state a billion lives is his passionate adventure filled eyewitness account of the catastrophes the world faces and so egeland writes that he has met the best and worst among us has confronted warlords mass murderers and tyrants but has met many more peacemakers relief workers and human rights activists who risk their lives at humanity's first line of defense in spite of the desperate need of so many egeland is convinced that for the vast majority of people the world is getting better that there is more peace more people fed and educated and fewer forced to become refugees than a generation ago so there is reason for optimism he concludes in this groundbreaking book that does not flinch but holds out reasons for hope

War Cinema 2006 official star wars in universe book featuring notes on tactics armor and valor from galactic conflicts in the star wars universe from the clone wars and the rebellion to the clashes with the first order the galaxy is defined by war star wars on the front lines chronicles the tactics weapons and armor used in pivotal battles along with acts of valor achieved during the campaign by focusing on elements of the battles that occurred off screen this collection brings the struggles faced by ground soldiers and starfighter pilots to life like never before placing the reader on the

**battlelines with full spread classic illustrations that capture the sweeping scale of these historical battles on the front lines brings a fresh look at the forces who fought on the front lines**

**Angles of Attack 2015 the alien forces known as the lankies are gathering on the solar system s edge consolidating their conquest of mars and setting their sights on earth the far off colony of new svalbard cut off from the rest of the galaxy by the lanky blockade teeters on the verge of starvation and collapse the forces of the two earth alliances have won minor skirmishes but are in danger of losing the war for battle weary staff sergeant andrew grayson and the ragged forces of the north american commonwealth the fight for survival is entering a catastrophic new phase forging an uneasy alliance with their sino russian enemies the nac launches a hybrid task force on a long shot a stealth mission to breach the lanky blockade and reestablish supply lines with earth plunging into combat against a merciless alien species that outguns outmaneuvers and outfights them at every turn andrew and his fellow troopers could end up cornered on their home turf with no way out and no hope for reinforcement and this time the struggle for humanity s future can only end in either victory or annihilation**

**The Ambassadors 2019-11-12 new york times bestseller the story of how the nfl over a period of nearly two decades denied and sought to cover up mounting evidence of the connection between football and brain damage league of denial may turn out to be the most influential sports related book of our time the boston globe professional football players do not sustain frequent repetitive blows to the brain**

on a regular basis so concluded the national football league in a december 2005 scientific paper on concussions in america s most popular sport that judgment implausible even to a casual fan also contradicted the opinion of a growing cadre of neuroscientists who worked in vain to convince the nfl that it was facing a deadly new scourge a chronic brain disease that was driving an alarming number of players including some of the all time greats to madness in league of denial award winning espn investigative reporters mark fainaru wada and steve fainaru tell the story of a public health crisis that emerged from the playing fields of our twenty first century pastime everyone knows that football is violent and dangerous but what the players who built the nfl into a 10 billion industry didn t know and what the league sought to shield from them is that no amount of padding could protect the human brain from the force generated by modern football that the very essence of the game could be exposing these players to brain damage in a fast paced narrative that moves between the nfl trenches america s research labs and the boardrooms where the nfl went to war against science league of denial examines how the league used its power and resources to attack independent scientists and elevate its own flawed research a campaign with echoes of big tobacco s fight to deny the connection between smoking and lung cancer it chronicles the tragic fates of players like hall of fame pittsburgh steelers center mike webster who was so disturbed at the time of his death he fantasized about shooting nfl executives and former san diego chargers great junior seau whose diseased brain became the target of an unseemly

**scientific battle between researchers and the nfl based on exclusive interviews previously undisclosed documents and private emails this is the story of what the nfl knew and when it knew it questions at the heart of a crisis that threatens football from the highest levels all the way down to pop warner**

***Chains of Command* 2016 the assault on earth was thwarted by the destruction of the aliens seed ship but with mars still under lanky control survivors work frantically to rebuild fighting capacity and shore up planetary defenses platoon sergeant andrew grayson must crash course train new volunteers all while dulling his searing memories of battle with alcohol and meds knowing earth s uneasy respite won t last the north american commonwealth and its sino russian allies hurtle toward two dangerous options hit the lanky forces on mars or go after deserters who stole a fleet of invaluable warships critical to winning the war assigned to a small special ops recon mission to scout out the renegades stronghold on a distant moon grayson and his wife dropship pilot halley again find themselves headed for the crucible of combat and a shattering new campaign in the war for humanity s future**

***On the Front Line: The Collected Journalism of Marie Colvin* 2012-04-26 new york times bestselling author lauren tarshis tackles the historic grizzly bear attacks in glacier national park in this latest installment of the groundbreaking i survived series no grizzly has ever killed a human in glacier before until tonight eleven year old melody vega and her family come to glacier national park every year and it s**

**always been a place where she can forget her troubles but this year is different with mom gone every moment in the park is a heartbreaking reminder of the past then mel comes face to face with the mighty grizzly now her only thought is one of survival mel will soon be a part of one of the most tragic seasons in the history of america s national parks a summer of terror that will forever change ideas about how grizzlies and humans can exist together in the wild**

***Lines of Departure* 2014 humanity is on the ropes and after years of fighting a two front war with losing odds so is north american defense corps officer andrew grayson he dreams of dropping out of the service one day alongside his pilot girlfriend but as warfare consumes entire planets and conditions on earth deteriorate he wonders if there will be anywhere left for them to go**

***I Survived the Attack of the Grizzlies, 1967 (I Survived #17)* 2018-09-25 the riveting true story of america s first modern military battle its first military victory during world war one and its first steps onto the world stage at first light on tuesday may 28th 1918 waves of american riflemen from the u s army s 1st division climbed from their trenches charged across the shell scarred french dirt of no man s land and captured the hilltop village of cantigny from the grip of the german army those who survived the enemy machine gun fire and hand to hand fighting held on for the next two days and nights in shallow foxholes under the sting of mustard gas and crushing steel of artillery fire thirteen months after the united states entered world war i these 3 500 soldiers became the first doughboys to enter the fight the operation the first american**

**attack ever supported by tanks airplanes and modern artillery was ordered by the leader of america s forces in europe general john black jack pershing and planned by a young staff officer lieutenant colonel george c marshall who would fill the lead role in world war ii twenty six years later drawing on the letters diaries and reports by the men themselves matthew j davenport s first over there tells the inspiring untold story of these soldiers and their journey to victory on the western front in the battle of cantigny the first american battle of the war to end all wars would mark not only its first victory abroad but the birth of its modern army**

**League of Denial 2014-08-26 this book describes the front lines of the 1st battle of the somme during world war i**

**Star Wars - On the Front Lines 2017-07-18 argues that the government is persecuting christians for their beliefs and christians need to be ready to fight for the future of the united states**

***Centers of Gravity* 2022-08-30 stranded light years from home major andrew grayson and his crew are on a desperate mission to discover the lankies secrets they can t let what they ve found die with them nine hundred light years from home major andrew grayson and the crew of nacs washington are marooned in a sunless system with limited water reactor fuel and food the last hope for survival is to go where nothing human has gone before after embarking on a scouting mission to the only moon with surface signs of life andrew and his special tactics team make two startling discoveries one is a dream a form of protein and plant life that could save the starving humans in the rogue system the second is a**

**nightmare this harvested rock is infested with lankies far from the seemingly mindless aggressors andrew has battled for years these show a terrifying awareness and they have surprising secrets of their own hidden away in the darkness when the lankies sense an uninvited presence in their world andrew s operation becomes an expedition to hell the odds against his small crew are stacked high of all the mysteries of space how to escape with their lives is the greatest unknown of all**

**Humans and Hyenas 2021-03-18 the ongoing assault on climate science in the united states has never been more aggressive more blatant or more widely publicized than in the case of the hockey stick graph a clear and compelling visual presentation of scientific data put together by michael e mann and his colleagues demonstrating that global temperatures have risen in conjunction with the increase in industrialization and the use of fossil fuels here was an easy to understand graph that in a glance posed a threat to major corporate energy interests and those who do their political bidding the stakes were simply too high to ignore the hockey stick and so began a relentless attack on a body of science and on the investigators whose work formed its scientific basis the hockey stick achieved prominence in a 2001 un report on climate change and quickly became a central icon in the climate wars the real issue has never been the graph s data but rather its implied threat to those who oppose governmental regulation and other restraints to protect the environment and planet mann lead author of the original paper in which the hockey stick first appeared shares the**

story of the science and politics behind this controversy he reveals key figures in the oil and energy industries and the media front groups who do their bidding in sometimes slick sometimes bare knuckled ways mann concludes with the real story of the 2009 climategate scandal in which climate scientists emails were hacked this is essential reading for all who care about our planet s health and our own well being

Fields of Fire 2017 mars has been under lanky control for more than a year since then the depleted forces of earth s alliances have rebuilt their fleets staffing old warships with freshly trained troops torn between the need to beat the lankies to the punch and taking enough time to put together an effective fighting force command has decided to strike now

First Over There 2015-05-12 moving from the elegant drawing rooms of lahore to the mud villages of rural multan a powerful collection of short stories about feudal pakistan an impoverished young woman becomes a wealthy relative s mistress an electrician on the make confronts his desperate assailant to protect his most prized possession a farm manager rises far in the world but his family discovers after his death the transience of power a maid who advances herself through sexual favours unexpectedly falls in love in these linked stories about the family and household staff of the ageing kk harouni we meet masters and servants landlords and supplicants politicians and electricians village women and karachi housewives part chekhov part rk narayan these stories are dark and light complex and humane at heart about the relationship between the powerful and powerless

**bound together in life and in death together they make up a vivid portrait of a feudal world rarely brought alive in the english language sensuous graceful melancholy in other rooms other wonders gives you pakistan as you have never seen it it marks the debut of an amazing new talent**

**God Less America 2014 fan favourite michael grant is back the bestselling author of both the gone and the bzrk series returns to the page bringing a very different take to one of history s darkest times book 2 of the soldier girl series sequel to front lines the epic new young adult series by the author of gone set in an alternate world war ii the summer of 1943 world war ii three girls fiercely fighting their own battles in the midst of the greatest war of all time nazi germany is far from beaten but the germans have been bloodied with heavy memories of combat rio frangie rainy and their allied army are moving on to their next target italy these young women are not heroes for fighting alongside their brothers they are soldiers they will brave terrible conditions in an endless siege they will fight to find themselves on the front lines of wwii and they will come face to face with the brutality of war until they win or die no one will emerge unscathed but they all hope to emerge victorious**

**Terms of Enlistment 2014 the year is 2108 and the north american commonwealth is bursting at the seams for welfare rats like andrew grayson there are only two ways out of the crime ridden and filthy welfare tenements you can hope to win the lottery and draw a ticket on a colony ship settling off world or you can join the service andrew chooses to enlist in the armed forces but as he starts a career of supposed**

**privilege he soon learns that good food and decent health care come at a steep price**

***Citadel* 2021-08-10 humans and hyenas examines the origins and development of the relationship between the two to present an accurate and realistic picture of the hyena and its interactions with people the hyena is one of the most maligned misrepresented and defamed mammals it is still despite decades of research led knowledge seen as a skulking cowardly scavenger rather than a successful hunter with complex family and communal systems hyenas are portrayed as sex shifting deviants grave robbers and attackers of children in everything from african folk tales through greek and roman accounts of animal life to disney s the lion king depicting hyenas with a lack of respect and disgust despite the reality of their behaviour and social structures combining the personal in depth mining of scientific papers about the three main species and historical accounts keith somerville delves into our relationship with hyenas from the earliest records from millennia ago through the accounts by colonisers to contemporary coexistence where hyenas and humans are forced into ever closer proximity due to shrinking habitats and loss of prey are hyenas fated to retain their bad image or can their amazing ability to adapt to humans more successfully than lions and other predators lead to a shift in perspective this book will be of great interest to students and scholars in the environmental sciences conservation biology and wildlife and conservation issues**

***In Other Rooms, Other Wonders* 2011-10-01 1 international bestseller a frontline trauma surgeon tells his riveting true**

**story of operating in the world's most dangerous war zones the times for more than twenty five years surgeon david nott has volunteered in some of the world's most perilous conflict zones from sarajevo under siege in 1993 to clandestine hospitals in rebel held eastern aleppo he has carried out lifesaving operations in the most challenging conditions and with none of the resources of a major metropolitan hospital he is now widely acknowledged as the most experienced trauma surgeon in the world war doctor is his extraordinary story encompassing his surgeries in nearly every major conflict zone since the end of the cold war as well as his struggles to return to a normal life and routine after each trip culminating in his recent trips to war torn syria and the untold story of his efforts to help secure a humanitarian corridor out of besieged aleppo to evacuate some 50 000 people war doctor is a heart stopping and moving blend of medical memoir personal journey and nonfiction thriller that provides unforgettable at times raw insight into the human toll of war superb you are constantly amazed that men such as nott can witness the extraordinary cruelties of the human race so many and so foul yet keep going sunday times gripping and fascinating medical stories kirkus reviews**

**War Doctor 2020-03-03 the vietnam war was new zealand's longest and most controversial military engagement of the twentieth century no front line explores this war like never before from the perspective of new zealanders who were there in their own words on operations on a mission for good on orders or simply out for adventure it relays military civilian and domestic histories in a narrative that is at once sincere**

direct and undeniable sometimes shocking and always absorbing these war stories take readers on operations with gunners infantrymen pilots and troopers who face fear and heartbreak and who witness the devastation of a country at war the book also includes important reflections from non combatant engineers medics aid workers and administrators it profiles civilian and service personnel treating vietnamese casualties in provincial hospitals it places on record the integral role of women in vietnam as nurses doctors aid workers journalists and entertainers back home in new zealand veterans families recall the war s reach into the suburbs both then and now personal testimonies in no front line are drawn from a collection of 150 oral history interviews recorded over five years they present a fresh perspective on new zealand s collective experience of the vietnam war an episode in history that cannot be ignored

*Operation Dark Heart* 2010-09-24 i gulped down ballistic in one long read staying awake half the night and now i want the next one george r r martin there is a personal price to pay for having aligned with the wrong side in a reckless war for aden jansen it s the need to adopt a new identity while keeping his past hidden now he s integrated himself aboard the zephyr a merchant ship smuggling critical goods through dangerous space but danger is imminent on planet gretia as well under occupation torn between postwar reformers and loyalists it s a polestar for civil unrest meanwhile an occupation forces officer is pulled right back into the fray when the battle alarm is raised an ambitious heiress is entangled in a subversive political conspiracy and an allied captain is about to meet the

**enemy head on as aden discovers the insurgents on gretia and in space are connected organized and ready to break into full scale rebellion history is threatening to repeat itself it s time that aden rediscovers who he is whom he can trust and what he must fight for now**
