insider tips techniques with on tips notes mind maps mnemonics exam ready to practice with 10 highly probable sqps with actual board answer sheets chinese students are the largest international student group in uk universities today yet little is known about their undergraduate writing and the challenges they face drawing on the british academic written english corpus a large corpus of proficient undergraduate student writing collected in the uk in the early 2000s this study explores chinese students written assignments in english in a range of university disciplines contrasting these with assignments from british students the study is supplemented by questionnaire and interview datasets with discipline lecturers writing tutors and students and provides a comprehensive picture of the chinese student writer today theoretically framed through work within academic literacies and lexical priming the author seeks to explore what we know about chinese students writing and to extend these findings to undergraduate writing more generally in a globalized educational environment it is important for educators to understand differences in writing styles across the student body and to move from the widespread deficit model of student writing towards a descriptive model which embraces different ways of achieving success chinese students writing in english will be of value to researchers eap tutors and university lecturers teaching chinese students in the uk china and other english or chinese speaking countries you ve come a great distance to study in a new land but now that you re here you ve discovered that education is very different in the west you fear that you do not have the skills to succeed in this new environment fear no longer here is your guide to all things academic in the west from educational philosophy to life in the classroom to relationships with professors as you read you will learn how to organize your time complete a variety of assignments navigate the library produce high quality research essays and write examinations with confidence i admire international students you have courage you have motivation you have endurance there is every reason for you to do well if you have the proper understanding of western education this handbook is intended to help you gain that understanding accomplish all your educational goals
