light life for these people has often followed what we might think of as a two mountain shape they get out of school they start a career and they begin climbing the mountain they thought they were meant to climb their goals on this first mountain are the ones our culture endorses to be a success to make your mark to experience personal happiness but when they get to the top of that mountain something happens they look around and find the view unsatisfying they realize this wasn't my mountain after all there's another bigger mountain out there that is actually my mountain and so they embark on a new journey on the second mountain life moves from self centered to other centered they want the things that are truly worth wanting not the things other people tell them to want they embrace a life of interdependence not independence they surrender to a life of commitment in the second mountain david brooks explores the four commitments that define a life of meaning and purpose to a spouse and family to a vocation to a philosophy or faith and to a community our personal fulfillment depends on how well we choose and execute these commitments brooks looks at a range of people who have lived joyous committed lives and who have embraced the necessity and beauty of dependence he gathers their wisdom on how to choose a partner how to pick a vocation how to live out a philosophy and how we can begin to integrate our commitments into one overriding purpose in short this book is

meant to help us all lead more meaningful lives but it's also a provocative social commentary we live in a society brooks argues that celebrates freedom that tells us to be true to ourselves at the expense of surrendering to a cause rooting ourselves in a neighborhood binding ourselves to others by social solidarity and love we have taken individualism to the extreme and in the process we have torn the social fabric in a thousand different ways the path to repair is through making deeper commitments in the second mountain brooks shows what can happen when we put commitment making at the center of our lives a wounded confederate soldier treks across the ruins of america in this national book award winning novel a stirring civil war tale told with epic sweep people sorely wounded and fatally disillusioned in the fighting at petersburg a confederate soldier named inman decides to walk back to his home in the blue ridge mountains to ada the woman he loves his journey across the disintegrating south brings him into intimate and sometimes lethal converse with slaves and marauders bounty hunters and witches both helpful and malign meanwhile the intrepid ada is trying to revive her father's derelict farm and learning to survive in a world where the old certainties have been swept away as it interweaves their stories cold mountain asserts itself as an authentic odyssey hugely powerful majestically lovely and keenly moving newbery honor winner preus delivers a riveting story about teenage
