comes up how to communicate with horses is a book for horse owners riders and trainers and for everyone who wants to communicate with his equine partner the purpose of this guide is to listen and talk better to horses we focus on how horses use body language to express their needs and emotions and on the importance of riders non verbal communication the book has three parts in part one we talk about the horse body we analyze how he uses different body parts the signals he sends and how we can interpret them taking into account different contexts and circumstances in part two we look at the most common mental physical and emotional states and how we can recognize them in domestic horses we study the behavior of the aggressive relaxed depressed curious happy focused playful anxious and fearful horse part three is dedicated to the rider s non verbal language how he uses his body in groundwork and in the saddle to communicate with the horse customer ratings of the italian edition
