embracing a positive mindset and living a life of service the guide includes examples learned by damon west who is living a life focused on ways to be useful and positively impact others the guide includes multiple opportunities to unpack strategies to rethink and address our habits response to adversity and how we treat others the guide also unpacks the parable of the coffee bean as it relates to difficult situations and how through transformation we all have opportunities to positively change our lives and impact others along the way based on principles from their book how people change paul david tripp and timothy s lane have created this study guide to be used along with the corresponding facilitator guide and video seminar in church wide training small group sunday school youth group or one on one discipleship settings change doesn't happen overnight for the christian growth is a lifelong journey tripp and lane masterfully guide readers toward biblical truths that lead to a life of repentance and faith the how people change study invites participants to consider their circumstances as well as their responses to them examining the heart's desire and turning toward christ the how people change study guide helps participants understand the underlying motivations for their actions giving them specific practical help in changing long standing patterns of behavior so they grow in love for god and others each of the twelve lessons includes teaching homework discussion relational application illustrations group discussion guide and make it real life applications a study guide that is aligned with the book the change agent by damon west the guide is written for those incarcerated and those

moving toward reentry the goal of the study guide is to lead you through the process that damon west discovered and utilized to help turn his life around while incarcerated this 12 week ccef study helps individuals and small groups transform their relationships using principles from timothy lane and paul david tripp s relationships a mess worth making participants learn how to resolve conflicts have difficult conversations grant forgiveness overlook weaknesses celebrate strengths and grow casual relationships into deep friendships change and your relationships explores the important process of change within its primary context our relationships the curriculum provides twelve lessons activities homework discussion and make it real life applications the self explanatory leader s notes in the back give detailed directions for leading an individual or a small group through the study the word of god is like a seed and your heart is the soil most christians want change in some area of their lives they try and try to make those changes but soon find themselves falling back into the same habits and behaviors self discipline and self control have once again failed them so how does lasting change take place a worm doesn t struggle to become a butterfly in the cocoon a seed doesn t strive to become a tree and produce fruit they simply do what they were designed to do by god and the change takes place effortlessly the word of god is like a seed and your heart is the soil when it s planted and nurtured in the soil of your heart it begins to grow the result is transformation and the fruit becomes evident to all if you want real change in your life this book is for you this two part implementation guide will

help to deepen your understanding and sharpen your ability to implement each of the strategies discussed in leading school change nine strategies to bring everybody on board part one offers discussion questions and activities which focus on each of the nine strategies they can be completed by an educator working individually or addressed collaboratively and interactively by a group or leadership team from a school district or organization this guide will greatly enhance your group s ability to implement any change you would like to make in your organization part two consists of a quick start step by step action plan it is for individuals and leadership groups to use once they have a full understanding of the nine strategies and are ready to start implementing the changes they need to improve their organizations a companion to the book disruptive thinking in this helpful study guide learn how to do things differently and find the courage to challenge the established ways of thinking and doing for most of our lives we are encouraged to trudge along the well worn paths of those who have come before us we learn the rules in our families in our schools in our workplaces in our churches and most of the messages we receive tell us that following the rules will allow us to arrive at the lives we desire but when change becomes not only desirable but also urgently necessary this way of being no longer serves us in fact in every human endeavor every major leap forward has involved a cataclysmic challenge to existing ways of thinking and being breakthroughs by definition run against the grain and almost always encounter skepticism and opposition in this book for leaders thinkers doers and

creators bishop t d jakes illuminates the pathway to encouraging and unleashing disruptive thinking and provides the wisdom and practical skills we need to evolve our most original and potentially transformational ideas from vision to reality through his insight into how our minds and emotions work and through his experiences as a pastor entrepreneur and creator bishop jakes leads us into a new way of relating to and transforming the world around us for good disruptive thinking will show you the mindset and the tools you need to create groundbreaking and meaningful change in your own life and in the world around you be inspired to respond to spiritual and physical needs with urgency and christlike compassion
