England A Facsimile Of The First that we will agreed offer. It is not approaching the costs. Its very nearly what you dependence currently. This Commentaries On The Laws Of England A Facsimile Of The First, as one of the most operating sellers here will unquestionably be accompanied by the best options to review.

previous editions published 3rd 2007 and 1st 2003 the commentaries were long regarded as the leading work on the development of english law and played a role in the development of the american legal system they were in fact the first methodical treatise on the common law suitable for a lay readership since at least the middle ages this is book one out of four including more than 1000 footnotes and annotations perhaps the most important legal treatise ever written in the english language sir william blackstone s commentaries on the laws of england 1765 69 was the first

effort to consolidate english common law into a unified and rational system clearly and elegantly written the work achieved immediate renown and exerted a powerful influence on legal education both in england and america this handsomely produced slipcased four volume set includes facsimiles of the eighteenth century first edition undistorted by later interpolations the commentaries is divided into four books the first introduced by stanley n katz deals with what blackstone called the rights of persons what a modern lawyer would call constitutional law the legal structure of government book ii includes an introduction by a w brian simpson and describes the law of property book iii introduced by john h langbein analyzes civil procedure and remedies the last book which is devoted to criminal law and procedure includes an introduction by thomas a green now regarded as a literary as well as a legal classic blackstone s commentaries

brilliantly laid out the system of english law in the mid eighteenth century demonstrating that as a system of justice it was comparable to roman law and the civil law of the continent ironically the work also revealed to the colonists the insufficiencies of the system and became a model for the legal system of the fledgling american nation in 1789 supplemented with commentary by experts in the field these classic facsimile volumes belong on every lawyer s bookshelves volume i of the rights of persons 1765 volume ii of the rights of things 1766 volume iii of private wrongs 1768 volume iv of public wrongs 1769 this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of
