we can t stop natural disasters but we can  
stop them being disastrous one of the  
world s foremost risk experts tells us how  
year after year floods wreck people s  
homes and livelihoods earthquakes tear  
communities apart and tornadoes uproot  
whole towns natural disasters cause  
destruction and despair but does it have  
to be this way in the cure for catastrophe  
global risk expert robert muir wood argues  
that our natural disasters are in fact  
human ones we build in the wrong places*

and in the wrong way putting brick buildings in earthquake country timber ones in fire zones and coastal cities in the paths of hurricanes we then blindly trust our flood walls and disaster preparations and when they fail catastrophes become even more deadly no society is immune to the twin dangers of complacency and heedless development recognizing how disasters are manufactured gives us the power to act from the great lisbon earthquake of 1755 to hurricane katrina the cure for catastrophe recounts the ingenious ways in which people have fought back against disaster muir wood shows the power and promise of new predictive technologies and envisions a future where information and action come together to end the pain and destruction wrought by natural catastrophes the decisions we make now can save millions of lives in the future buzzing with political plots newfound technologies and stories of surprising resilience the cure for catastrophe will revolutionize the way we conceive of catastrophes though natural disasters are inevitable the death and

destruction are optional as we brace ourselves for deadlier cataclysms the cure for catastrophe is in our hands popular mechanics inspires instructs and influences readers to help them master the modern world whether it s practical diy home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science pm is the ultimate guide to our high tech lifestyle field stream america s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations field stream america s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations american motorcyclist magazine the official journal of the american motorcyclist associaton tells the stories of the people who make motorcycling the sport that it is it s available monthly to
