after a few months of fighting with a evil demon roel and her family s life seemed to be back to normal they were finishing up school starting the summer and falling in love but nothing of the sort could happen with canicus still alive and he s not ready to give up that easily roel now has to fight something she can t see she has to battle with unforeseen enemies that were once friends can she make this nightmare go away or is it going to be the sudden death before she knows it in this fictionalized memoir of laredo texas canícula represents a time between childhood and a yet unknown adulthood eliseo torres known as cheo grew up in the corpus christi area of texas and knew firsthand the mexican folk healing practiced in his home and neighborhood later in life he wanted to know more about the plants and rituals of curanderismo torres s story begins with his experiences in the mexican town of espinazo the home of the great curandero el niño fidencio 1899 1939 where torres underwent life changing spiritual experiences he introduces us to some of the major figures in the tradition discusses some of the pitfalls of teaching curanderismo and concludes with an account of a class he taught in which curanderos from cuernavaca mexico shared their knowledge with students part personal pilgrimage part compendium of medical knowledge this moving book reveals curanderismo as both a contemplative and a medical practice that can offer new approaches to ancient problems from curandero for centuries rattlesnakes were eaten to prevent any number of conditions and illnesses including arthritis and rheumatism in mexico and in other latin american countries rattlesnake meat is actually sold in capsule form to treat impotence and even to treat cancer rattlesnake meat is also dried and ground and sprinkled into open wounds and body sores to heal them and a rattlesnake ointment is made that is applied to aches and pains as well this book explores how horace s poems construct the literary and social authority of their author bridging the traditional distinction between persona and author ellen oliensis considers horace s poetry as one dimension of his face the projected self image that is the basic currency of social interactions she reads horace s poems not only as works of art but also as social acts of face saving face making and self effacement these acts are responsive she suggests to the pressure of several audiences horace shapes his poetry to promote his authority and to pay deference to his patrons while taking account of the envy of contemporaries and the judgement of posterity drawing on the insights of sociolinguistics deconstruction and new historicism dr oliensis charts the poet s shifting strategies of authority and deference across his entire literary career digging deep is an excavation of the archaeological site called john sabol it is an unearthing of the author s memory of experiences of past presences that cuts across space time and culture water mining operations dust and dirt dogs and wolves and ghosts are seen as important features that are re covered from these memory excavations some of the re called practices that are unearthed include an alternative remembrance of trick or treat the multiple symmetrical worlds of history myth and ghosts in winchester england the haunting nature of archaeological excavations and field surveys the actor s encounters with more than a filmed death scene and a search for a legendary monster in arkansas all of these memories are perceived as symetrically interrelated though they originate in different places they are viewed as a form of theatrical ghosting a resonating element that unfolds time as events and activities are framed by their contemporary significance in the author s life in this process of excavation a re curring haunting drama manifests in the life of this archaeologist who also happens to be a cultural anthropologist actor and ghost excavator horace g danner s a thesaurus of english word roots is a compendium of the most used word roots of the english language as timothy b noone notes in his foreword dr danner s book allows you not only to build up your passive english vocabulary resulting in word recognition knowledge but also gives you the rudiments for developing your active english vocabulary making it possible to infer the meaning of words with which you are not yet acquainted your knowledge can now expand and will do so exponentially as your awareness of the roots in english words and your corresponding ability to decode unfamiliar words grows apace this is the beginning of a fine mental linguistic library so enjoy in a thesaurus of english word roots all word roots are listed alphabetically along with the greek or latin words from which they derive together with the roots original meanings if the current meaning of an individual root differs from the original meaning that is listed in a separate column in the examples column the words which contain the root are then listed starting with their prefixes for example dysacusia hyperacusia these root starting terms then are followed by terms where the root falls behind the word e g acouesthesia and acoumeter these words are followed by words where the root falls in the middle or the end as in such terms as bradyacusia and odynacusic in this manner a thesaurus of english word roots places the word in as many word families as there are elements in the word this work will interest linguists and philologists and anyone interested in the etymological aspects of english language the poetry and prose collected in plainwater are a testament to the extraordinary imagination of anne carson a writer described by michael ondaatje as the most exciting poet writing in english today succinct and astonishingly beautiful these pieces stretch the boundaries of language and literary form while juxtaposing classical and modern traditions carson envisions a present day interview with a seventh century bc poet and offers miniature lectures on topics as varied as orchids and ovid she imagines the muse of a fifteenth century painter attending a phenomenology conference in italy she constructs verbal photographs of a series of mysterious towns and takes us on a pilgrimage in pursuit of the elusive and intimate anthropology of water blending the rhythm and vivid metaphor of poetry with the discursive nature of the essay the writings in plainwater dazzle us with their invention and enlighten us with their erudition *handbook of basal ganglia structure and function* second edition offers an integrated overview of the structural and functional aspects of the basal ganglia highlighting clinical relevance
