Civil War Visual Encyclopedia tells the story of the war using simple explanations and stunning photographs. Profiles on decisive battles, strategic maps, political leaders, military commanders, naval vessels, uniforms, weapons, and equipment shine a light on the key events and other turning points during the five years of fighting. Inside the pages of this children's civil war book, you'll discover full-page profiles about key figures and battles, civil war era photography and illustrations depicting important events and artifacts, accurate historical information, faithful presentation of African American history in the context of the civil war, unusual and remarkable stories such as the Thanksgiving Drummer Boys, and accounts of the war through personal letters. Children will be excited to learn about famous figures such as Abraham Lincoln, Ulysses S. Grant, and Robert E. Lee, battles such as Gettysburg, and gain insight into reasons for the war and the viewpoints of the opposing sides. This book also provides children with a fascinating history of how railways and the telegraph were used to fight the war, and literature and music that this conflict produced. More lives were lost in the civil war than in any other in American history. Filled with vivid insights into this historic conflict from a day in the life of a plantation worker in the South to a personal diary entry of a Union soldier on the action-packed front lines, Civil War Visual Encyclopedia invites young readers to witness the war unfold in a striking new way. This is the ultimate guide for children to the war that changed the USA forever.
