from msnbc correspondent steve kornacki a lively and sweeping history of the birth of political tribalism in the 1990s one that brings critical new understanding to our current political landscape from clinton to trump in the red and the blue cable news star and acclaimed journalist steve kornacki follows the twin paths of bill clinton and newt gingrich two larger than life politicians who exploited the weakened structure of their respective parties to attain the highest offices for clinton that meant contorting himself around the various factions of the democratic party to win the presidency gingrich employed a scorched earth strategy to upend the permanent republican minority in the house making him speaker the clinton gingrich battles were bare knuckled brawls that brought about massive policy shifts and high stakes showdowns their collisions had far reaching political consequences but the 90s were not just about them kornacki writes about mario cuomo s stubborn presence around clinton s 1992 campaign hillary clinton s star turn during the 1998 midterms seeding the idea for her own candidacy ross perot s wild run in 1992 that inspired him to launch the reform party giving donald trump his first taste of electoral politics in 1999 and many others with novelistic

prose and a clear sense of history steve kornacki masterfully weaves together the various elements of this rambunctious and hugely impactful era in american history whose effects set the stage for our current political landscape how an alliance of the labor and environmental movements used law as a tool to clean up the trucking industry at the nation s largest port in blue and green scott cummings examines a campaign by the labor and environmental movements to transform trucking at america s largest port in los angeles tracing the history of struggle in an industry at the epicenter of the global supply chain cummings shows how an unprecedented blue green alliance mobilized to improve working conditions for low income drivers and air quality in nearby communities the campaign for clean trucks cummings argues teaches much about how social movements can use law to challenge inequality in a global era cummings shows how federal deregulation created interrelated economic and environmental problems at the port and how the campaign fought back by mobilizing law at the local level he documents three critical stages initial success in passing landmark legislation requiring port trucking companies to convert trucks from dirty to clean and drivers from contractors to employees with full labor rights campaign decline after industry litigation blocked employee conversion and campaign resurgence through an innovative legal approach to driver misclassification that realized a central labor movement goal unionizing port truckers appraising the campaign cummings analyzes the tradeoffs of using alternative legal frameworks to promote labor organizing and explores lessons for building movements to regulate low wage work in the gig economy he shows how law can bind coalitions together and split them apart and concludes that the fight for legal reform never ends but rather takes different turns on the long road to justice discover a world of creativity and tradition in this fascinating picture book that explores the history and cultural significance of the color blue from a critically acclaimed author and an award winning illustrator comes a vivid gorgeous book for readers of all ages named one of the best books of the year by npr for centuries blue powders and dyes were some of the most sought after materials in the world ancient afghan painters ground mass quantities of sapphire rocks to use for their paints while snails were harvested in eurasia for the tiny amounts of blue that their bodies would release and then there was indigo which was so valuable that american plantations grew it as a cash crop on the backs of african slaves it wasn t until 1905 when adolf von baeyer created a chemical blue dye that blue could be used for anything and everything most notably that uniform of workers everywhere blue jeans with stunning illustrations by caldecott honor artist daniel minter this vibrant and fascinating picture book follows one color s journey through time and across the world as it becomes the blue we know today animals birds and even flowers of blue hues color their

landscapes from the arctic to the jungle as they enjoy a moment of peace in the hour between day and night oothar the barbarian is blue he just doesn't feel like slaying dragons today he can't bring himself to banish uberwraiths to the ninth dimension his gauntlet of a thousand souls has lost its luster what is a melancholy barbarian to do join oothar on his quest for happiness and maybe find a new purpose of your own overfishing for the world's oceans it's long been a worrisome problem with few answers many of the global fish stocks are at a dangerous tipping point some spiraling toward extinction but as older fishing fleets retire and new technologies develop a better more sustainable way to farm this popular protein has emerged to profoundly shift the balance the blue revolution tells the story of the recent transformation of commercial fishing an encouraging change from maximizing volume through unrestrained wild hunting to maximizing value through controlled harvesting and farming entrepreneurs applying newer smarter technologies are modernizing fisheries in unprecedented ways in many parts of the world the seafood on our plates is increasingly the product of smart decisions about ecosystems waste efficiency transparency and quality nicholas p sullivan presents this new way of thinking about fish food and oceans by profiling the people and policies transforming an aging industry into one that is post industrial fueled by sea foodies and locavores interested in sustainable traceable quality seafood catch quotas can work when local fishers feel they have a stake in the outcome shellfish farming requires zero inputs and restores nearshore ecosystems new markets are developing for kelp products as well as unloved and underutilized fish species sullivan shows how the practices of thirty years ago that perpetuated an overfishing crisis are rapidly changing in the book's final chapters sullivan discusses the global challenges to preserving healthy oceans including conservation mechanisms the impact of climate change and unregulated and criminal fishing in international waters in a fast growing world where more people are eating more fish than ever before the blue revolution brings encouraging news for conservationists and seafood lovers about the transformation of an industry historically averse to change and it presents fresh inspiration for entrepreneurs and investors eager for new opportunities in a blue green economy a book music boxset documenting the third man records jack white produced 7 series featuring beck to first aid kit to colbert an unusual collection of civil war essays as seen through the lens of noted environmental scholars this book's provocative historical commentary explores how nature disease climate flora and fauna etc affected the war and how the war shaped americans perceptions understanding and use of nature a debut novel about a young afghan orphan and the harrowing intractable nature of war amazon com on being blue is a book about everything blue sex and sleaze and sadness among other things and about everything else it brings us the world in a word as only william h gass among contemporary american writers can do gass writes of the colors blue and green have the greatest emotional range sad reds and melancholy yellows are difficult to turn up among the ancient elements blue occurs everywhere in ice and water in the flame as purely as in

the flower overhead and inside caves covering fruit and oozing out of clay although green enlivens the earth and mixes in the ocean and we find it copperish in fire green air green skies are rare gray and brown are widely distributed but there are no joyful swatches of either or any of exuberant black sullen pink or acquiescent orange blue is therefore most suitable as the color of interior life whether slick light sharp high bright thin quick sour new and cool or low deep sweet dark soft slow smooth heavy old and warm blue moves easily among them all and all profoundly qualify our states of feeling a powerful work of afro magic realism that interrogates the legacy of slavery and roots of poverty witnesses the beauty and power in survival and asks whether belief magic and intention can forge new realities blue's daughter tsitra is dying a horrific death thousands of miles away blue feels time slowing and hears voices followed by an 18 month stillness more than a century before blue's grandparents amanda and palmer attend a salon party in new orleans it's a veritable array of who's who within pre civil war social circles conversations get heated quickly as ismay the hostess who hails from french royalty antagonizes palmer a landowner whose parents had been sold into american slavery and who's there to seek revenge and amanda a shapeshifter and puzzlemaker who had been enslaved until this very gathering at this party amanda learns of a plot that will doom a line of her and palmer's family to poverty she devises her own counter plot to undo the damage meanwhile blue comes out of her stillness broke and devoid of inspiration in profound grief and consumed by guilt blue travels to the ranch where the voices grow louder and she has visions of two women from the distant past as time collapses and blue and amanda meet in the space of possibility blue feels the spark of a power and creative energy she has only glimpsed a novel of invention but grounded in the real the blue is where god lives is a dual timeline time bending novel of undeniable beauty magic and possibility for centuries dyed fabrics ranked among the most expensive objects of the ancient mediterranean world fetching up to 20 times their weight in gold huge fortunes were made from and lost to them and battles were fought over control of the industry the few who knew the dyes complex secrets carefully guarded the valuable knowledge the rarest blue tells the amazing story of tekhelet or hyacinth blue the elusive sky blue dye mentioned 50 times in the hebrew bible the minoans discovered it the phoenicians stole the technique cleopatra adored it and jews obeying a biblical commandment to affix a single thread of the radiant color to the corner of their garments risked their lives for it but with the fall of the roman empire the technique was lost to the ages then in the nineteenth century a marine biologist saw a fisherman smearing his shirt with snail guts marveling as the yellow stains turned sky blue but what was the secret at the same time a hasidic master obsessed with reviving the ancient tradition posited that the source wasn't a snail at all but a squid bitter fighting ensued until another rabbi discovered that one of them was wrong but had an unscrupulous chemist deliberately deceived him baruch sterman brilliantly recounts the complete amazing story of this sacred dye that changed the color of history boarding an ocean liner with her boyfriend derek beth comes

face to face with her past in the form of arthur an ex lover which conjures up the memories of their unsavory past acting as spiritual mediums to fleece the innocent out of their hard earned money after the big book of bugs and the big book of beasts the hugely successful series following the wild success of the big book of bugs and the big book of beasts the big book of the blue is the third installment in yuval zommer's beloved series alongside everything the young oceanographer needs to know zommer's charming illustrations bring to life some of the slipperiest scaliest strangest and most monstrous underwater animals the book opens by explaining how different types of animals are able to breathe and survive underwater and the different families to which they belong subsequent pages are dedicated to specific creatures including sea turtles whales sharks stingrays and seahorses and show varied life in specific habitats such as a coral reef or deep sea bed the big book of the blue also explores the underwater world thematically looking at animals in danger learning how to spot creatures at the beach and discovering how to do our part to save sea life beautiful and filled with fascinating facts young curious readers won't be able to tear their eyes away from the page this sweeping new history recognizes that the civil war was not just a military conflict but also a moment of profound transformation in americans relationship to the natural world to be sure environmental factors such as topography and weather powerfully shaped the outcomes of battles and campaigns and the war could not have been fought without the horses cattle and other animals that were essential to both armies but here judkin browning and timothy silver weave a far richer story combining military and environmental history to forge a comprehensive new narrative of the war's significance and impact as they reveal the conflict created a new disease environment by fostering the spread of microbes among vulnerable soldiers civilians and animals led to large scale modifications of the landscape across several states sparked new thinking about the human relationship to the natural world and demanded a reckoning with disability and death on an ecological scale and as the guns fell silent the change continued browning and silver show how the war influenced the future of weather forecasting veterinary medicine the birth of the conservation movement and the establishment of the first national parks in considering human efforts to find military and political advantage by reshaping the natural world browning and silver show not only that the environment influenced the civil war's outcome but also that the war was a watershed event in the history of the environment itself a little girl whose father's world goes from bright and yellow to dark and blue gets frustrated when she is unable to help him but knows that together they can do anything they found paradise what would they do to keep it lagoon swims and boozy nights turn sinister in this atmospheric thriller people about a group of friends whose dream journey around the world on a yacht turns into a chilling nightmare when one of them disappears at sea lana and her best friend kitty leave home looking for freedom and that's exactly what they find when they are invited onto the blue a fifty foot yacht making its way from the philippines to new zealand manned by a

young crew of wanderers the blue is exactly the escape they are looking for and the two quickly fall under its spell spending their days exploring remote islands and their rum filled nights relaxing on deck beneath the stars yet paradise found can just as quickly become lost lana and kitty begin to discover that they aren't the only ones with secrets they'd rather run from than reveal and when one of their new friends disappears overboard after an argument with the other crewmembers the dark secrets that brought each of them aboard start to unravel haunting and infused with spectacular detail the latest novel by lucy clarke whose writing has been hailed as breathtaking kirkus reviews and exciting and mysterious library journal is a page turning thriller filled with adventure exotic locales and high stakes two brothers bound together by affection and responsibility jadran is five years older than josh and huge enough to be nicknamed giant josh is younger and smaller but his sweet and stubborn brother thinks in a way that would be more typical of a small child they are both dealing with changes to their newly blended muslim family so josh looks after jadran and they both adjust when the brothers find an injured young crane jadran wants to bring it back to their small apartment and teach it to fly at any cost and it turns out the cost is high intensely moving without ever slipping into sentimentality the blue wings is a warm love filled story about fragility strength and brotherhood in all its complications a beautifully illustrated visual and cultural history of the color blue throughout the ages blue has had a long and topsy turvy history in the western world the ancient greeks scorned it as ugly and barbaric but most americans and europeans now cite it as their favorite color in this fascinating history the renowned medievalist michel pastoureau traces the changing meanings of blue from its rare appearance in prehistoric art to its international ubiquity today any history of color is above all a social history pastoureau investigates how the ever changing role of blue in society has been reflected in manuscripts stained glass heraldry clothing paintings and popular culture beginning with the almost total absence of blue from ancient western art and language the story moves to medieval europe as people began to associate blue with the virgin mary the color became a powerful element in church decoration and symbolism blue gained new favor as a royal color in the twelfth century and became a formidable political and military force during the french revolution as blue triumphed in the modern era new shades were created and blue became the color of romance and the blues finally pastoureau follows blue into contemporary times when military clothing gave way to the everyday uniform of blue jeans and blue became the universal and unifying color of the earth as seen from space beautifully illustrated blue tells the intriguing story of our favorite color and the cultures that have hated it loved it and made it essential to some of our greatest works of art elegant and engrossing henderson is a talent to watch danielle trussoni author of angelology this is not a book you'll soon forget sara gruen author of water for elephants the gripping debut novel from litpark.com founder and pushcart prize nominee susan henderson up from the blue is a dazzling tour de force that unfolds against the backdrop of 1970s america a tumultuous era of

desegregation school busing and the early rise of modern day feminism the story of an imaginative young girl struggling to make sense of her mother's mysterious disappearance up from the blue is enthralling fiction that delves into complex family relationships in the vein of jennifer mcMahon katrina kittle and laura kasischke recommended by dolly parton in people magazine a new york times bestseller a usa today bestseller a los angeles times bestseller the bestselling historical fiction novel from kim michele richardson this is a novel following cussy mary a packhorse librarian and her quest to bring books to the appalachian community she loves perfect for readers of william kent kreuger and lisa wingate the perfect addition to your next book club the hardscrabble folks of troublesome creek have to scrap for everything everything except books that is thanks to roosevelt's kentucky pack horse library project troublesome's got its very own traveling librarian cussy mary carter cussy's not only a book woman however she's also the last of her kind her skin a shade of blue unlike most anyone else not everyone is keen on cussy's family or the library project and a blue is often blamed for any whiff of trouble if cussy wants to bring the joy of books to the hill folks she's going to have to confront prejudice as old as the appalachians and suspicion as deep as the holler inspired by the true blue skinned people of kentucky and the brave and dedicated kentucky pack horse library service of the 1930s the book woman of troublesome creek is a story of raw courage fierce strength and one woman's belief that books can carry us anywhere even back home look for the book woman's daughter the new novel from kim michele richardson out now other bestselling historical fiction from sourcebooks landmark the mystery of mrs christie by marie benedict the engineer's wife by tracey enerson wood sold on a monday by kristina mcmorris in eighteenth century london porcelain is the most seductive of commodities fortunes are made and lost upon it kings do battle with knights and knaves for possession of the finest pieces and the secrets of their manufacture for genevieve planché an english born descendant of huguenot refugees porcelain holds far less allure she wants to be an artist a painter of interational repute but nobody takes the idea of a female artist seriously in london if only she could reach venice sir gabriel courtenay offers her an opportunity she can't refuse if she learns the secrets of porcelain manufacture he will send her to venice but in particular she must learn the secrets of the color blue the ensuing events take genevieve deep into england's emerging industrial heartlands where not only does she learn about porcelain but also about the art of industrial espionage with the heart and spirit of her huguenot ancestors genevieve faces her challenges head on but how much is she willing to suffer in pursuit and protection of the colour blue adapted from publisher when otherworldly beings start falling from the sky it seems like the end of days are near but for one girl it's just the beginning of an adventure that will change her life jaya's life has completely fallen apart her mother is dead her dad is on an obsessive wild goose chase and mysterious winged beings are falling from the sky for the past nine months none of the them have survived the plummet to earth but when a female being lands near jaya and is still alive she doesn't call

the authorities she hides the being and tries to nurse her back to health set against the backdrop of a society trying to come to grips with the possibility of a world beyond out of the blue is the story of how one unexpected turn of events can put you on a path toward healing what begins as one woman's search for her own artistic courage unravels into a stunning look into what jazz music can teach out about our search for the truest version of ourselves for decades seasoned players on the scene have spoken in whispered tones about the blue a mysterious meeting place for jazz history a place where ghosts from this music's storied past spring to life for those courageous enough to enter when jessie choi's mentor jimmy hightower collapses at a gig and loses consciousness she finds herself reluctantly pulled back into the jazz scene she abandoned years earlier in investigating the music and mystery behind jimmy's comatose state every thread leads to the same question is jimmy somehow trapped in this enigma known as the blue in her search to save her teacher jessie rubs shoulders with legends uncovers the secret history of blue note records and faces her own deepest fears numbers rule dr mei sharpe's life she has no husband one friend two daughters and three random meetings with the same woman within four weeks once is chance twice is coincidence but upon the third meeting even mei in all her empirical rigidity must admit that perhaps the universe is giving her a nudge a nudge that lands her directly in the path of lieutenant morgan kelly an affable charming detective for the sheriff department's brand new cold case team working down the hall from mei's morgue more golden retriever than hard boiled detective morgan is determined to pull the asocial widow out of her shell as the icy scientist warms to her cheerful new friend an irrepressible chemistry develops and mei begins to realize she's perhaps a different number on the kinsey scale than previously considered as mei and morgan struggle with guilt and grief drama and desires mei finds her scientific austerity is no match for the universe and its nudges toward the startling revelation of what her heart really wants tenth anniversary ed features hand colored photo enhancements and illustrated endpapers and new foreword from the author of a wall of white the thrilling account of a spectacular mountain rescue after six climbers are struck by lightning in the upper exum ridge of the grand teton near a 13 000 foot elevation award winning journalist andrea curtis explores the shadows cast over her family by a century old shipwreck and uncovers the tragedy disaster and promise of early life on the great lakes every family has a story passed down through generations for andrea curtis that story is the wreck of the ss j h jones in 1906 the late november swells of georgian bay erupt into a blinding storm sinking the jones and claiming the lives of all on board left in the wake is captain jim crawford's one year old daughter eleanor who faces a daunting future of poverty and isolation but eleanor emerges from her childhood determined to leave behind the restrictions of her small town she plunges into the excitement of jazz era california and 1930s montreal struggling to become a poet and a writer almost a century later andrea knows her grandmother eleanor only as a sophisticated respected montreal matriarch until while researching jim crawford's

role in the jones tragedy she discovers that eleanor had a hidden past using family stories archival research and fictionalized re enactments andrea curtis narrates her family s history and that of the place they once called home into the blue shimmers with curtis s rich and reflective voice recreating a little known but formative time when canadians persevered through unthinkable loss violence and disaster and brings to life a grand era of great lakes history this is a worthy peer to such beloved memoirs as david macfarlane s the danger tree and roy macgregor s a life in the bush discusses how jazz legend miles davis s seminal album kind of blue has changed both music and culture since its release in 1959 and explains how it influenced diverse artists such as steve reich and the velvet underground an a to z of the whole fashion process including design production and marketing set against the backdrop of europe s slide into fascism blue of noon is a blackly compelling account of depravity and violence as its narrator lurches despairingly from city to city in a surreal sexual and mental nightmare of squalor sadism and drunken encounters his internal collapse mirrors the fighting and marching on the streets outside exploring the dark forces beneath the surface of civilization this is a novel torn between identifying with history s victims and being seduced by the monstrous glamour of its terrible victors and is one of the twentieth century s great nihilist works from jason june author of the breakout teen debut novel jay s gay agenda comes out of the blue a stand alone dual pov queer rom com that asks if love is enough to change everything you ve grown up believing perfect for fans of cemetery boys by aiden thomas and deep blue by jennifer donnelly crest is not excited to be on their journey the month long sojourn on land all teen merfolk must undergo the rules are simple help a human within one moon cycle and return to pacifica to become an elder or fail and remain stuck on land forever crest is eager to get their journey over and done with humans are disgusting they ve polluted the planet so much that there s a floating island of trash that s literally the size of a country in los angeles with a human body and a new name crest meets sean a human lifeguard whose boyfriend has recently dumped him crest agrees to help sean make his ex jealous and win him back but as the two spend more time together and crest s perspective on humans begins to change they ll soon be torn between two worlds and fake dating just might lead to real feelings this sophomore novel from jason june dives into the many definitions of the word home and shows how love can help us find the truest versions of ourselves a beautifully illustrated informative book for children introducing them to a fascinating cast of beasts in the big book of beasts yuval zommer s

wonderful illustrations bring to whimsical life some of the grizzliest hairiest bravest wildest and most fearsome beasts in the animal kingdom brimming with interesting facts from beast consultant barbara taylor this charming picture book is a beautiful way for parents to introduce young children to the animal world and for older children to learn by themselves in the first pages children learn that beasts are wild animals that can t be tamed and that they all defend themselves in different ways as the book continues young readers meet specific beasts including armadillos bears tigers and the tasmanian devil the big book of beasts also approaches the world of beasts thematically looking at mythical beasts ice age beasts beasts on your street and how to save beasts in danger of extinction the funny and conversational text amazing facts and glorious and quirky pictures will draw in young children over and over again the second book in lois lowry s giver quartet which began with the bestselling and newbery medal winning the giver left orphaned and physically flawed in a civilization that shuns and discards the weak kira faces a frighteningly uncertain future her neighbors are hostile and no one but a small boy offers to help when she is summoned to judgment by the council of guardians kira prepares to fight for her life but the council to her surprise has plans for her blessed with an almost magical talent that keeps her alive the young girl faces new responsibilities and a set of mysteries deep within the only world she has ever known on her quest for truth kira discovers things that will change her life and world forever a compelling examination of a future society gathering blue challenges readers to think about community creativity and the values that they have learned to accept once again lois lowry brings readers on a provocative journey that inspires contemplation long after the last page is turned this extraordinary novel is remarkable for its fully realized characters gripping plot and lowry s singular vision of a future voya the giver has become one of the most influential novels of our time don t miss the powerful companion novels in lois lowry s giver quartet gathering blue messenger and son the instant new york times bestseller a powerful vibrantly illustrated story about the first day of school and two sisters on one s first day of hijab by olympic medalist and social justice activist ibtihaj muhammad with her new backpack and light up shoes faizah knows the first day of school is going to be special it s the start of a brand new year and best of all it s her older sister asiya s first day of hijab a hijab of beautiful blue fabric like the ocean waving to the sky but not everyone sees hijab as beautiful and in the face of hurtful confusing words faizah will find

new ways to be strong paired with hatem aly s beautiful whimsical art olympic medalist ibtihaj muhammad and morris award finalist s k ali bring readers an uplifting universal story of new experiences the unbreakable bond between siblings and of being proud of who you are an intriguing amalgam of personal memoir philosophical speculation natural lore cultural history and art criticism los angeles times from the award winning author of orwell s roses a stimulating exploration of wandering being lost and the uses of the unknown written as a series of autobiographical essays a field guide to getting lost draws on emblematic moments and relationships in rebecca solnit s life to explore issues of uncertainty trust loss memory desire and place solnit is interested in the stories we use to navigate our way through the world and the places we traverse from wilderness to cities in finding ourselves or losing ourselves while deeply personal her own stories link up to larger stories from captivity narratives of early americans to the use of the color blue in renaissance painting not to mention encounters with tortoises monks punk rockers mountains deserts and the movie vertigo the result is a distinctive stimulating voyage of discovery a collection of unusual facts games puzzles activities and artwork centering around the world of insects the us navy brought half a century of peace and free trade to the world s waterways but climate change and rising nationalism threaten to end this blue age for decades the navy has stood sentinel over crucial waterways ensuring safe passage of goods from nearly all nations the result is the longest phase of peace on the waters since the phoenicians with rising living standards more total jobs and the dramatic decline of poverty in asia but these prosperous times could be at an end today china is building warships at an extraordinary pace india japan vietnam and europe are responding with more fighting ships what will result from china s rising naval might particularly in the south china sea as ocean resources are shaped by climate change and new discoveries will the world share them or fight over them what will happen if america turns against free trade without american investment the world could see a rise of supply shortages and seagoing conflict that would dwarf the impact of the container ship stuck in the suz canal surveying naval history economics environmental threats and great power politics the blue age makes an urgent argument about our oceans vital importance to the peace and prosperity of our global community the hero readers love to hate is back and this time in prison jailed for a killing he didn t commit josiah hedge is puzzled by the prisoner in the next cell his memory takes him back to the horror and carnage of the civil war as he tries to place his cellmate
