Robert's Rules QuickStart Guide 2016-05-01 this book provides entrepreneurs with highly readable principles and actions which convert readily into increased business performance and profit. It is written by a team of practical experienced business people who provides genuine value in helping achieve long term goals of expansion or exit what distinguished us from others in our industry. Many of us are or have been entrepreneurs ourselves and have done what you do led managed developed and sold businesses. This book provides entrepreneurs succeed with us addresses a range of key issues that face all entrepreneurs at some point in their business. It examines the health of a company and helps re-examine both company mission and the owner's personal vision for the future. It also identifies alternatives to banks for financing the business. It provides improvements that can be made to marketing to kick start sales and the best strategies for a successful exit to your retirement plan. The book also explains how developing a growth mindset is vital to any company's future success as is avoiding many common pitfalls in developing ICT systems and complying with employment and other laws. Alan Charlesworth whose idea this book was. Despite significant progress entrepreneurs often face obstacles when realising the potential of their business. Our aim is to share lessons learned in a practical handbook to enable them to succeed and grow. It helps them re-define their personal and company vision and develop a strategy for their achievement. Readers who will most benefit from entrepreneurs succeed include CEOs who may be frustrated with the lack of fulfilment of their dreams.
