performed heroically at gettysburg for his service at
bristoe station and mine run he was awarded command
of the fifth corps for the 1864 virginia campaign but
warren s peculiarities of temperament and personality
put a cloud over his service at the wilderness and
spotsylvania and cost him the confidence of his

superiors grant and meade he was summarily relieved of his command by philip sheridan after winning the battle of five forks just eight days before appomattox warren continued as an engineer of distinction in the army after the war but he was determined to clear his name before a board of inquiry which conducted an exhaustive investigation into the battle warren s conduct and sheridan s arbitrary action however the findings of the court vindicating warren were not made public until shortly after his death for this major biography of gouverneur warren david m jordan utilizes warren s own voluminous collection of letters papers orders and other items saved by his family as well as the letters and writings of such contemporaries as his aide and brother in law washington roebling andrew humphreys winfield hancock george gordon meade and ulysses s grant jordan presents a vivid account of the life and times of a complex military figure the papers of james madison project housed at the university of virginia was established in 1956 to publish annotated volumes of the correspondence and writings of james madison the virginia statesman most often remembered for his public service as father of the constitution and as fourth president of the united states the published volumes provide accurate texts of madison s incoming and outgoing correspondence informative notes on textual and subject matters and comprehensive indexes they

are incomparably rich sources for students of madison s life and valuable research tools for those interested in the general history of the period in which madison lived 1751 1836 the project has collected more than 27 000 copies of documents related to madison s life including letters essays notes diaries account books ledgers wills legal papers and inventories the project serves the public by translating into print these decaying and often nearly illegible manuscripts thereby preserving them for future generations and making them easier to use the published volumes also make the contents of madison related documents the originals of which are housed in some 250 archives worldwide easily accessible to libraries and interested individuals anywhere books travel the presidential series covering the years 1809 to early 1817 centers largely on madison s record as commander in chief during the war of 1812 the first full scale conflict to be waged under the u s constitution of 1787 madison s correspondence as president deals with a particularly wide range of concerns national politics international diplomacy and war indian affairs the construction of the nation s capital even petitions from ordinary citizens for charity and mercy to which madison responded letter june 15 1863 from capt james n potter relative to mustering in troops at harrisburg pa volume four of this definitive edition of thomas jefferson s papers from the end of his presidency until his death includes

581 documents from 18 june 1811 to 30 april 1812 between these two dates jefferson famously declares that tho an old man i am but a young gardener expresses hostility to dogs and joins in a petition for a tax to reduce their numbers calculates lines for a horizontal sundial surveys part of his bedford county estate and draws up work schedules for his poplar forest plantation and detailed slave lists for poplar forest and monticello jefferson also takes readings of a solar eclipse attempts to determine monticello s longitude measures willis mountain and calls for a fixed international standard for measures weights and coins joseph milligan publishes a revised edition of jefferson s manual of parliamentary practice in march 1812 and jefferson sends william wirt a detailed and colorful but largely negative portrait of patrick henry for use in his biography of the virginia orator finally and perhaps of greatest importance to posterity in january 1812 correspondence resumes between jefferson and his old friend john adams after a long hiatus resulting from their rivalry for the presidency in 1800 the second volume in this series dealing with 1777 1779 the two lists contained in this volume concern the history of the territory included within the boundaries of the present continental united states page v excerpt from examination papers for science schools and classes may and june 1886 general instructions if the rules are not attended to the
