Graduate Admissions Essays, Fourth Edition 2012-07-24
the fully updated fourth edition of the go to guide for crafting winning essays for any type of graduate program or scholarship including phd master s mba md jd postdocs dds dvm rhodes marshall fulbright you name it based on thousands of interviews with successful grad students and graduate admissions officers graduate admissions essays deconstructs and demystifies the ever challenging and seemingly more impersonal application process for getting into graduate and scholarship programs the book presents 50 sample essays in a comprehensive range of subjects detailed strategies that have proven successful for some of the most notoriously competitive graduate programs in the country as well as sample letters of recommendation essays for residencies and fellowships and postgrad applications

Academic Writing 2003-12-16 the humble essay is so much more than a writing textbook it gives you tools tips and tricks that actually explain what a writer does it doesn't sugarcoat the process or dumb down the very real challenges that entering a college writing space requires this book is more like a friend it's the kind of friend that will coach you through a tough time and encourage you and it will make you laugh while you go through it it's the kind of

friend who holds your hair back when you're sick of writing and gives you the courage to try again Roy K. Humble is the kind of writing teacher who understands the struggle of learning how to write like a college student and doesn't just tell you what you want to hear. His lessons here are profound but in the sense that they are delivered by someone who wants you to feel included in the conversation about what good college writing should be. He writes to students in language they can understand without becoming English majors and with just enough humor to keep them reading. He writes for faculty, moving step by step through the unadorned guiding principles of effective formal writing so that faculty have a great framework on which to build their classes. Perhaps most importantly, Humble understands that the price of a book matters to students, so his books are affordable from every perspective. Humble gets it: the Humble essay has students covered on these important topics: understanding the college essay as an idea, grasping the stages of the writing process, organizing the college essay around cohesive paragraphs, thinking for yourself as a college student, gathering and synthesizing sources and information, guiding readers through a thoughtful college essay.

Essays of E. B. White 2014-02-25

College Essays that Made a Difference, 4th Edition
