SAT Prep 2021-06-07 from master storyteller carlos ruiz zafon author of the international phenomenon the shadow of the wind comes the angel s game a dazzling new page turner about the perilous nature of obsession in literature and in love the whole of barcelona stretched out at my feet and i wanted to believe that when i opened those windows my new windows each evening its streets would whisper stories to me secrets in my ear that i could catch on paper and narrate to whomever cared to listen in an abandoned mansion at the heart of barcelona a young man david martin makes his living by writing sensationalist novels under a pseudonym the survivor of a troubled childhood he has taken refuge in the world of books and spends his nights spinning baroque tales about the city s underworld but perhaps his dark imaginings are not as strange as they seem for in a locked room deep within the house lie photographs and letters hinting at the mysterious death of the previous owner like a slow poison the history of the place seeps into his bones as he struggles with an impossible love close to despair david receives a letter from a reclusive french editor andreas corelli who makes him the offer of a lifetime he is to write a book unlike anything that has ever existed a book with the power to change hearts and minds in return he will receive a fortune and perhaps more but as david begins the work he realizes that there is a connection between his

haunting book and the shadows that surround his home once again Zafon takes us into a dark gothic universe first seen in *The Shadow of the Wind* and creates a breathtaking adventure of intrigue, romance, and tragedy through a dizzyingly constructed labyrinth of secrets. The magic of books, passion, and friendship blend into a masterful story.
