rendezvous says of the third book in the *A Place Called Home* western fiction series: brilliant conclusion to a magnificent series of stories readers will want for their keeper shelves. A heartwarming, heart-stopping, delectable love story. Old book barn gazette revisits these characters as they play matchmakers in the Wyoming Marriage Association series: first date, divorce, second start, family praise for Patricia McInnis. *A Place Called Home* stories: Kendra and Daniel show how fighting for true love is a honorable endeavor. Emotional roller coaster. This story of love made me remember of my own true love. When ever I had to stop reading I couldn't wait to get back to it. Was gripped by this story from the first paragraph. A wonderful story of two people learning to let go of their fears and trusting in life and love. I couldn't stop till I had read the entire book. Great love story and look forward to more with these characters. Very intense in places, both with love and adventure. So different from other romance novels. Amazing. Liked the twists and turns. This was very good read. Read if you love emotional stories with complex characters, especially strong heroines and heart stopping heroes. Don't miss this. A book you will read more than once. Wonderfully complex and unusual story. Great book about love, lost and breaking down walls. Enjoyed it immensely. Liked the legend angle. Looking forward to the next in the series. Just the right balance of romance, action and mystery. As always with
