december 2003 retirement examining each of yeagley s seasons the players on his teams and the evolution of the soccer program into a powerhouse in a study that features dozens of photographs facts figures records and reminiscences original the conventional perception of a leader is someone who carries a certain status or holds a particular office captain coach or manager of a sports team or ceo those positions certainly place people in leadership roles but anyone in any position can be a leader the leadership code explores that unconventional notion of personal leadership and blends it with the conventional perception by telling the journey of paul whitey kapsalis who grew into leadership roles in sports business and other areas of his life from his own experiences and through the observations of people he encountered on his path he calls them exceptional everyday leaders the authors approach starts with philotimo a greek word that roughly translates to pride in doing the right thing but encompasses a much broader philosophy akin to servant leadership philotimo reflects pride and motivation based in a humility that values others above oneself it also begins with a commitment to yourself and a decision to be a leader who cares more about those around you and overall results than individual acclaim a leader with heart in this concise book you ll read about the different places in life where leadership presents itself in a family in sports and in business in each of those instances the authors emphasize that it doesn t matter what place you occupy what matters is how you occupy that place that message is communicated by sharing paul s story the stories of others and the lessons they learned winners of 8 national championships indiana university is to men s college soccer what university of north carolina is to college basketball or university of notre dame is to college football to chase a dream is the true story of one kid s near impossible desire to play soccer at that national powerhouse a kid who was told time after time that he simply wasn t good enough and never would be what all the doubters failed to consider was that inside the body of an under sized humble paul kapsalis was the heart of a lion this is his journey a story that affirms that perseverance optimism hard work a willingness to learn and kindness can lead to remarkable achievements and transform a kid who just wanted to play soccer into a leader of men it took him 5 years fighting through rejection and a career threatening injury but paul got where he never expected to go here s a chance to see how he did it this book is the definitive history of intercollegiate athletics oldest and most prestigious conference designed in an easy to read format the conference endorsed big ten
