100 Ideas for Primary Teachers: Supporting EAL Learners 2018-04-19 this book is a brand new title in the bestselling 100 ideas series providing

primary teachers with strategies and activities to support the induction assessment and learning of pupils with English as an additional language. According to data collected by the Department for Education in 2016, over 20% of pupils in primary schools are exposed to a language other than English in their home, making this an essential resource for every teacher. Expert Chris Pim offers a range of ideas for use both in the classroom and to adopt as a whole school approach. There is an emphasis on using ICT throughout the book, featuring advice on where to find the best software resources and websites. Ideas include setting up the classroom parent conferences, cross-cultural maths, effective questioning techniques, and running a young interpreter scheme. 100 ideas for primary teachers supporting EAL learners is a treasure trove of adaptable ideas to use for pupils who are beginners and advanced learners of EAL.

Relationships Education for Primary Schools (2020) 2020-06-05 This book enables and supports teachers to deliver the content of the new statutory guidance for Relationships Education in primary schools, operational from 2020.
