compass in hand brings together approximately 250 works from the judith rothschild foundations extraordinary gift of drawings to the museum of modern art in 2005 formed by harvey s shipley miller the foundations trustee the collection comprises over 2 500 works on paper by more than 650 artists and was conceived to be the widest possible cross section of contemporary drawing made primarily within the past twenty years an extended essay by christian rattermeyer highlights the primary curatorial concepts and categories of the collection and a conversation between harvey s shipley miller and gary garrels former chief curator of the department of drawings at moma recounts the objectives and processes through which the collection was originally formed providing a unique panorama on the state of drawing today excerpt from catalogue part ii of c f libbie and co s collection of reference books vol 2 books for collectors of old china porcelain pottery furniture gold silver and sheffield plate pewter glass clocks colonial antiques coins medals tokens postage stamps antique arms guns pistols armor hand weapons comprises tudor to stuart the period of queen anne chippendale and his school the sheraton period about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair

the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works danielle porret s passion for asian art and for indian painting in particular was inflamed when she attended classes on asian mythology during her studies at geneva university it intensified further when in 1966 she visited an exhibition in london of indian paintings collected by mildred and william archer curators of indian art at the british india office and the victoria albert museum respectively a conference interpreter by profession porret began to study the collections of asian art at london s great museums and the technique of paper restoration and she started to buy indian paintings herself danielle porret s collection comprises outstanding works spanning seven centuries from the time of the sultans 1206 1526 through to the nineteenth century while many museums house representative art historical inventories porret describes her collection as a secret garden compiled on the basis of her own personal taste the new book a secret garden features 105 paintings from porret s collection the essays are contributed by leading experts in the area of indian painting b n goswamy pahari painting jeremiah p losty the painting of rajasthan and central india and john seyler mogul und dekkan painting as well as the painting from the time of the sultans the book is published to coincide with an exhibition at the museum rietberg in zürich in spring 2014

comprehensive information on the history of hymnody and the history of hymns ancient and modern up to the revised edition of 1950 notes on words and tunes many useful indexes and biographical details on authors and composers william s paley founder of cbs inc and a towering figure in the development of entertainment and communications industries was also a committed collector and patron of modern art this book catalogues the highly personal collection of paintings sculptures prints and drawings by such artists as paul cézanne paul gauguin henri matisse pablo picasso and others that he bequeathed to the museum of modern art back cover the london stone at staines marks the ancient

western boundary of the jurisdiction of the city of london the lord mayor and corporation s conservancy of the thames extended east from there as far as yantlet in kent this is the stretch of the river documented in liquid history drawing on the resources of english heritage s unrivalled photographic archives the book records a journey along the length of the tidal river and over almost 150 years we see the rural thames as it approaches london riverside towns the civic and commercial development of the riverbanks the working docks and warehouses the development of the web of bridges that now links north and south barges sailing ships and warships the great flood defences and a tiny beach that flourished briefly at the tower of london featuring the work of pioneers of photography and some of the great topographical photographers of the 20th century and with a fascinating commentary by stephen croad liquid history chronicles the ebb and flow of the life of the river in the aftermath of the discoveries in foundations of mathematic s there was surprisingly little effect on mathematics as a whole if one looks at stan dard textbooks in different mathematical disciplines especially those closer to what is referred to as applied mathematics there is little trace of those developments outside of mathematical logic and model theory but it seems fair to say that there is a widespread conviction that the principles embodied in the zermelo fraenkel theory with choice zfc are a correct description of the set theoretic underpinnings of mathematics in most textbooks of the kind referred to above there is of course no discussion of these matters and set theory is assumed informally although more advanced principles like choice or sometimes replacement are often mentioned explicitly this implicitly fixes a point of view of the mathemat ical universe which is at odds with the results in foundations for example most mathematicians still take it for granted that the real number system is uniquely determined up to isomorphism which is a correct point of view as long as one does not accept to look at unnatural interpretations of the membership relation this series consists of papers

originally published in botanical or other periodicals re issued as separates without change of paging and numbered consecutively presents an account of the unusual circumstances in which early johannesburg then a budding mining town came to have an art gallery with one of the most avant garde collections in the world this work describes the characters who brought the johannesburg art gallery to its grand launch in november 1910 images of the word hollywood s bible and beyond is a collection of e ssays by leading international scholars in the field of bible and film recognizing the increasingly global nature of both media and religion the volume focuses on the ways in which the bible is interpreted and visualized not only within hollywood but also far beyond it cutting edge analysis of films from france canada sweden india and elsewhere reveals that the bible s visualization is culturally rooted and contributes to the sh aping of a particular culture including its perception of the bible itself essays range across the canon from exodus to ecclesiastes to revelation interacting with films of various national traditions and periods from blackton s life of moses 1909 to karunamayudu 1978 to cronenberg s ex istenz 1999 the volume engages the breadth of current scholarly interest in this interdisciplinary field including the critical reading of a oebible films a the exploration of biblical motifs and themes within contemporary cinema and concluding responses to the essays from both a biblical scholar and a film scholar paperback edition is available from the society of biblical literature sbl site org dance is the art least susceptible to preservation since its embodied kinaesthetic nature has proven difficult to capture in notation and even in still or moving images however frameworks have been established and guidance made available for keeping dances performances and choreographers legacies alive so that the dancers of today and tomorrow can experience and learn from the dances and dancers of the past in this volume a range of voices address the issue of dance preservation through memory artistic choice interpretation imagery and notation as well as looking at relevant archives legal

structures documentation and artefacts the intertwining of dance preservation and creativity is a core theme discussed throughout this text pointing to the essential continuity of dance history and dance innovation the demands of preservation stretch across time geographies institutions and interpersonal connections and this book focuses on the fascinating web that supports the fragile yet urgent effort to sustain our dancing heritage the articles in this book were originally published in the journal dance chronicle studies in dance and the related arts the heartwarming true story of two penguins who create a nontraditional family at the penguin house at the central park zoo two penguins named roy and silo were a little bit different from the others but their desire for a family was the same and with the help of a kindly zookeeper roy and silo got the chance to welcome a baby penguin of their very own a survey of washington d c area collections organizations and agencies this scholars guide describes scholarly resources for peace studies and international security studies among other topics coverage includes disarmament environmental issues international law military history and peace theory and research four hundred twenty one institutions are covered out of more than 750 surveyed in the course of the project collections include libraries archives art and museum collections map recording photo and film collections and data banks organizations include research centers information offices university programs government agencies and associations for each directory information is given along with a description of relevant resources and activities in terms of size content and organization of collections programs and products published and unpublished classified and unclassified scholars guide to washington d c for peace and international security studies is the fifteenth in the series of scholars guides edited by zdenek v david librarian at the woodrow wilson international center for scholars in washington d c it was prepared in collaboration with the united states institute of peace dear person who is reading this hurray hurray now you can laugh out loud with the first four books in my first ever

ebook collection the e stands for excellent i believe look inside for junie b jones and the stupid smelly bus junie b jones and a little monkey business junie b jones and her big fat mouth and junie b jones and some sneaky peeky spying these books will make you laugh out loud i think love your friend junie b jones junie b jones has kept kids laughing and reading for 20 years hurray for barbara park and the junie b jones books new york times bestsellers junie b is a darling of the young reader set usa today park convinces beginning readers that junie b and reading are lots of fun publishers weekly junie s swarms of young fans will continue to delight in her unique take on the world a hilarious first rate read aloud kirkus reviews although junie b is a kindergartner she s sure to make middle graders laugh out loud school library journal all your favorite ralph mouse tales in one boxed set just in time for the holiday season a priced and annotated annual record of international book auctions highly readable authoritative reference rich with sidelights from literature and legend explains animal symbolism in art of the far east the 673 black and white illustrations depict dragons tigers bats butterflies elephants and other creatures this is the first and only book to tell the story of the extremely strong friendships that have linked one remarkable family to literally hundreds of contemporary artists miro chagall mariss breton and duchamp these are just some of the legendary artists associated with the maeght family the original maeght gallery was opened in paris in 1946 today the adrien maeght gallery is just streets away the family started its own publishing business producing catalogues of today s best known artists but its best legacy is the aime and marguerite maeght foundation this museum in the south of france houses some of the greatest masterpieces of 20th century art and is an architectural marvel in its own right told with an authenticity and in depth knowledge here is the story of this unique landmark of modern art the key moments in the family s life are illustrated with over 300 documents that enhance the text s chronology the book will focus on exploiting state of the art research in semantic web and

web science the rapidly evolving world wide web has led to revolutionary changes in the whole of society the research and development of the semantic web covers a number of global standards of the web and cutting edge technologies such as linked data social semantic web semantic web search smart data integration semantic web mining and web scale computing these proceedings are from the 6th chinese semantics symposium
