LOVE ME SHARE ME 2020-01-23 love me share me is an adaptation of the co parenting struggles transformed into a bubbly affectionate children s picture book it tackles the stereotypes about the very sensitive but common family dynamic of children being raised in different households in this book parents and children follow along with charli the main character on her journey between mommys and daddys house s we see the innocence and

love of a child as she shares her feelings of all the fun loving activities and time she spends with her parents despite them living in two different homes this book creates parental introspect and illustrates positivity all while generating dialogue between parents and children as well as parents and co parents
