a full list of recommended 2021 ford expedition regular maintenance including pricing find local service centers car repair warranty advice and more on kbb com the 2024 ford expedition true cost to own includes depreciation taxes financing fuel costs insurance maintenance repairs and tax credits over the span of 5 years of ownership the ford expedition is a full size suv assembled by the american automaker ford motor company introduced as the four door successor of the two door ford bronco the expedition has remained in production since the 1997 model year it is currently in its third model generation author blake klein create a guide 1 category new page the ford expedition reliability rating is 3 0 out of 5 0 which ranks it 7th out of 14 for fullsize suvs the average annual repair cost is 861 which means it has higher than average ownership costs while repairs tend to be more severe than average the number of those issues is low so major repairs are uncommon for the expedition 1 current manufacturer suggested retail price msrp for base vehicle excludes destination delivery fee plus government fees and taxes any finance charges any dealer processing charge any electronic filing charge and any emission testing charge optional equipment not included a ford expedition will cost about 9 443 for maintenance and repairs during its first 10 years of service this is more than the industry average for popular suv models by 310 there is also a 26 60 chance that an expedition will require a major repair during that time this is 5 10 worse than similar vehicles in this segment
