Stuck-Up Suit 2019-12-17 it started out like any other morning on the train until i became mesmerized by the guy sitting across the aisle he was barking at someone on his phone like he ruled the world who did the stuck up suit think he was god actually he looked like a god that was about it when his stop came he got up suddenly and left so suddenly he dropped his phone on the way out i might have picked it up i might have gone through all of his photos and called some of the numbers i might have held onto the mystery man s phone for days until i finally conjured up the courage to return it when i traipsed my ass across town to his fancy company he refused to see me so i left the phone on the empty desk outside the arrogant jerk s office i might have also left behind a dirty picture on it first though i didn t expect him to text back i didn t expect our exchanges to be hot as hell i didn t expect to fall for him all before we even met the two of us

couldn't have been any more different yet you know what they say about opposites when we finally came face to face we found out opposites sometimes do more than attract we consumed each other nothing could have prepared me for the ride he took me on and i certainly wasn't prepared for where i'd wind up when the ride was over all good things must come to an end right except our ending was one i didn't see coming
