particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive we are republishing these classic works in affordable high quality modern editions using the original text and artwork pullovers never go out of style and some of the designs are truly beautiful even today the stitches are all basic which makes the work go quickly in the end you are only limited by your own imagination highly recommended any good book crocheting has never been faster and easier and the design possibilities have never been more exciting this simple but innovative technique makes creating sophisticated looking pullovers as easy as crocheting a scarf all modular crochet garments are worked in the same basic shape which consists of eight modules or rectangles you can make an infinite number of styles by varying the size of the rectangles the type and color of yarn and the stitches what's more you can customize each garment while it's being made for perfect fit pullovers in any size silhouette and style and you'll never have to follow traditional written instructions again nearly four decades after its initial publication this guide remains among the most revolutionary and revered books on freeform and improvisational crochet even beginners can use its innovative method to make pullovers turtlenecks vests ponchos caftans and other items easy to follow diagrams accompany each original design in addition to 40 large full color photos one of my favorite craft books of all time teaches you the basic building blocks of crocheted apparel and shows you how easy it is to create your own patterns tehanu's books packed with step by step photographs and illustrations for every crochet technique you will find detailed descriptions of stitch patterns such as bobbles popcorns clusters and shells as well as ideas on how to use notions and embellishments like buttonholes flowers and edgings includes a special section to explain how to create beautiful
