Knock Knock When Emma finds a dead body on her porch with her name written on the dead man's hand, she uncovers a sinister clue to the mystery that has haunted her since childhood. FBI agent Emma Griffin is sent undercover to the small sleepy town of Feathered Nest to uncover the truth behind the strings of disappearances that has left the town terrified. To Emma, there is nothing that can lay buried forever, even though her own childhood has been plagued by deaths and disappearances: her mother's death, her father's disappearance, and her boyfriend's disappearance. The only cases that she hasn't solved, her obsession with finding out the truth behind her past, was what led her to join the FBI. Now she must face what may be her biggest case in Cabin 13. There lies an uneasy feeling, the feeling of her movements being watched. When a knock on her door revealed a body on her porch and her name written on a piece of paper in the dead man's hand, suddenly her worlds collide with the past still haunting her. Emma must fight past her own demons to stop the body count from rising. The woods have secrets, and this idyllic town has dark and murderous ones. Either she reveals them or risks them, claiming her too. In Feathered Nest, nothing is what it seems. The girl in Cabin 13 is about to find out that the dead may have secrets of their own.
