from the pearls that jordan peterson shares and many have found incredible inspiration in his teachings but not everyone will tune in to lengthy lectures if you have been heartened by peterson's work and looking for a modality that might capture the interest of someone you know this may be the right gift peterson describes a hallmark of truth saying it snaps things together you have a nature and when you feel that nature articulated it's like the act of snapping the puzzle pieces together in this work the goal is to facilitate that type of revelation by pairing compelling quotations with visual images which can then be colored using humor word play and creative visual renderings this work will unlock insight into self and other detonating truth bombs that let readers peek into the infrastructure of reality and access some of the fascinating insights that underpin jordan peterson's worldview in a resource designed to inspire growth learning and a cleaner room the author provides an inroad allowing readers to access teachings that have to date catalyzed many coloring books allow readers to reflect and focus building concentration skills this in an age characterized by distraction busyness and skimming the coloring book modality is designed to bring quiet back into life as a modality it also reinforces peterson's message what if you attended to each detail in your life like it mattered imagine what that outcome would look like once introduced to memorable quotes and concepts readers can follow up by watching peterson's lectures additional journaling pages are provided for those who further explore peterson's work to curate content recording quotes as they come upon them annette poizner msw ed d is a clinical social worker therapist and community educator
