Life in Roman Britain 1996 during the viking age york was the most important centre of scandinavian power and influence in britain this book outlines the history of this exciting period and traces the impact which the viking settlers made

English Heritage Book of Chester 1994 this book offers a critique of the dominant conceptualization of heritage found in policy which tends to privilege the white middle and upper classes using britain as an illustration waterton explores how and why recent policies continue to lean towards the predictable melding of cultural diversity with tendencies of assimilation

The English Heritage 1988 how the roman system influenced the politics art religion and general way of life of the native peoples of britain after the claudian invasion of ad 43 despite the richness of archaeological epigraphic and literary evidence what actually occurred remains a subject of keen debate

England's Schools 2015-04-01 london art deco presents a stunning visual catalogue of londons art deco legacy from the florid 1920s to the streamlined 1930s in more than 200 color images and featuring cinemas theatres hotels department stores underground stations factories corporate and residential buildings this title shows the way the style influenced architects and designers hudson hills press

Medieval England 2005 excavations on any roman site produce pottery in quantity both local and imported fine table ware and cooking pots resulting in a growing problem for archaeologists how should they examine and report effectively on the immense quantities of pottery that have resulted from years of rescue excavations this review critiques the pottery reports of the 1970s and 1980s and assesses the pros and cons of the many quantification methods used by england s archaeological units

How To Cook: The Victorian Way With Mrs Crocombe 2020-09-24 during the neolithic and bronze age a period covering some 4 000 years from the beginnings of farming by stone using communities to the end of the era in which bronze was an important material for weapons and tools the face of britain changed profoundly from a forest wilderness to a large patchwork of open ground and managed woodland the axe was replaced as a key symbol first by the dagger and finally by the sword the houses of the living came to supplant the tombs of the dead as the most permanent features in the landscape in this fascinating book eminent archeologist michael parker pearson looks at the ways in which we can interpret the challenging and tantalising evidence from this prehistoric era he also examines the various arguments and current theories of archeologist about these times drawing on recent discoveries and research and illustrated with numerous maps plans reconstructions and photographs this book shows what life was like and how it changed during the neolithic and bronze age

British Seaside Piers 2014 based on new findings over the last 40 years this book explores the ritualistic and cultic practices in britain during the transitional period between paganism and early christianity a major theme running through the book is the continuity or otherwise between the cult sites symbolism and rituals of the different periods iron age roman and post roman

Cold War 2003 this is the most comprehensive single volume on english architecture for the general reader it is a visual cornucopia and a tribute to the diversity of the english built environment which is among the richest and most diverse in the world over 700 buildings are described and illustrated and they range from the architectural icons to the less noticeable but equally fascinating buildings of england s towns and villages

Book of Viking Age England 1991 discovering anglo saxon england covers the period from about 400 to 700 from the departure of roman troops to the triumph of christianity and the age of bede it was during this period that waves of migrants angles saxons jutes and other peoples from northern germany and southern scandinavia created england the land of the angles from the vestiges of late roman britain this period is often considered a dark age because of the dearth of written records accounts from later centuries such as beowulf and the writings of the venerable bede provide some insight but archaeology is the source of most of our knowledge excavations such as those of dwellings at west stow and the yeavinger palace offer us a window into what martin welch calls anglo saxon communities in life likewise the cemeteries of farmstead settlements and the magnificent royal ship burial at sutton hoo present the equivalent communities in death written in an accessible style discovering anglo saxon england includes one hundred maps plans reconstructions and photographs making it an excellent introduction to the archaeology of early england an appendix of places to visit makes it ideally suited to those planning an excursion of their own

Bronze Age Britain 2021-01-29 more for general interest than serious study this is a glossy and lavish book on the heritage of england divided into themes rather than periods and illustrated with sumptuous photographs it addresses such issues as who are the english quintessential england a maritime nation a place in the country and invasion conquest and war

Eight Ghosts 2017-09-28 the most beautiful and historic british gardens in glowing color photographs

The Current State of Romano-British Pottery Studies 1991 if this were a novel the tales of astounding wealth sexual perversion murder munificence rape insanity brutality slavery religious mania selfishness snobbery charity suicide generosity theft madness wickedness failure and eccentricity which unfold in these pages would be too concentrated to allow for the willing suspension of disbelief all these sins and virtues and more are displayed by the characters in this book some exhibiting several of them simultaneously folly builders were not as we are they never built what we now call follies they built for beauty utility improvement it is only we struggling after them with our imperfect understanding who dismiss their prodigious constructions as follies follies can be found around the world but england is their spiritual home having written the definitive books on follies in great britain benelux and the usa headley meulenkamp have turned their attention to the folly builders themselves people so blinded by fashion or driven by some nameless ideology that they expended great fortunes on making their point in brick stone and flint most follies are simply misunderstood buildings and this book studies the motives characters decisions and delusions of their builders if there was madness in their building fortunately there was no method in it

English Heritage Book of Roman Britain 1995 grossbritannien irland siedlung holzarchitektur

Manningham 2015-04-01 rooted in place slipping between worlds a rich collection of unnerving ghosts and sinister histories an impressive line up of established and emerging names the sunday times these eerie unsettling stories are guaranteed to send shivers down your spine daily express eight authors were given the freedom of their chosen english heritage site from medieval castles to a cold war nuclear bunker immersed in the past and chilled by rumours of hauntings they channelled their darker imaginings into a series of extraordinary new ghost stories subtly evocative of human relations loss grief or the fear of loneliness tls a satisfying and spooky read sun also includes a gazetteer of english heritage properties which are said to be haunted

Jewish Heritage in England 2006 before the roman conquest there were few settlements in britain that could properly be described as towns and their rapid growth was one of the first effects of the invasion of ad 43 this book traces the process of urbanization and provides answers to questions about how roman towns grew and functioned why towns are sited where they are who lived in them what services and facilities they provided how they were organized and their role in trade industry and economy roman towns with their impressive public buildings on a scale not seen before in britain must have had a great impact on the native population they have attracted attention ever since and a vast amount of evidence for the roman towns many of which lie beneath modern british cities has been recovered this book draws together as much of this information as possible to present a picture of life in the roman towns of britain with over 100 maps plans reconstructions and photographs this is the complete companion to the roman towns in britain whether you wish to study the sites before or after a visit or whether you are simply an armchair archaeologist

Discovering Anglo-Saxon England 1993 this volume looks at what romans ate how they cooked and the development of taste and etiquette with recipes adapted for the modern kitchen

The Creation of Monuments 2014-07-15 the seaside pier is perhaps the most iconic symbol of the british holiday resort and for many of us it is the epitome of excursions to the seaside no two piers are the same ranging as they do from the clear uncluttered deck to elaborately structured pavilions from amusement arcades to the landing stages and theatres that were the highlight of pier life in the early part of the last century founded in 1979 under sir john betjeman the national piers society serves to celebrate the pier raise it in our consciousness and educate us on preservation conservation and the economic benefits for seaside towns of a functioning pier published to mark the bicentenary of the opening of the first public pier in 1814 at ryde on the isle of wight this book with contributions from experts within english heritage and the nps tells the fascinating story of the victorian origins of piers discusses the engineering and architectural challenges imposed by varying climatic and tidal conditions and the instrumental role of the railways in stimulating pier construction the core of the book is a complete gazetteer of all piers which the public can visit around the coast of britain with details of their location history and current operations and a variety of historical and contemporary illustrations whether your summer invariably includes visits to the coast or you enjoy the vicarious pleasure of the seaside from a winter armchair this book is an essential companion for all who admire and value britain s rich seaside heritage

Slavery and the British Country House 2013 due to the number of colour illustrations this ebook is best viewed on a tablet warfare in britain builds on the success of british battles published in association with english heritage in 1996 over 18 000 copies sold to date

The English Heritage Guide to London's Blue Plaques 2019-11-07 this book raises awareness of the wide range and varied character of the historic landscape and buildings which constitute manningham and the forces and trends which have contributed to its appearance over time it tells the story through its buildings and landscape of manningham s development from a thinly populated rural township to a fully developed mostly middle class fashionable 19th century city suburb full of self assurance civic pride and high quality architecture it examines how successfully and in what ways the suburb and its buildings have subsequently continued to function following the decline and disappearance of the traditional industries on which its success was originally based and a substantially changed cultural and demographic profile the publication will appeal to all of those with an interest in bradford and its buildings in addition by supplementing the research project and literary work with a major outreach and film project the fruits of which help to inform the publication text and are incorporated into the book as a dvd insert the publication will be extremely effective in engaging and developing new audiences amongst the people living and working in manningham it gives them a voice allowing them to share their memories and put forward their own views and opinions on the district which has become increasingly known to outsiders only for its problems of economic out migration increasing levels of crime and headline making outbreaks of civil unrest the publication also serves as a response to recently growing nation wide development pressure on historic suburbs and this will increase understanding of historical suburban development and modern adaptation and appeal to those with an interest in social urban and industrial history

English Heritage Book of Castles 1992 looks at the 4000 years of british prehistory including an examination of the ways in which we interpret the challenging and tantalizing evidence thrown up from this period and the arguments and theories of archaeologists

Politics, Policy and the Discourses of Heritage in Britain 2010-10-27 this book comprises a national study of the explosives industry and provides a framework for identification of its industrial archaeology and social history few monuments of gunpowder manufacture survive in britain from the middle ages although its existence is documented late 17th century water powered works are identifiable but sparse in the later 18th century however the industry was transformed by state acquisition of key factories notably at faversham and at waltham abbey in the mid 19th century developments in britain paralleled those in continental europe and in america namely a shift to production on an industrial scale related to advances in armaments technology the urgency and large scale demands of the two world wars brought state directed or state led solutions to explosives production in the 20th century yhe book s concluding section looks at planning preservation conservation and presentation in relation to prospective future uses of these sites

English Heritage Book of Roman Towns in Britain 1992 life in roman britain discusses both the public and private lives of the romano british their recreation leisure time and public entertainments the author examines domestic housing in both town and country with information on eating habits

One Hundred English Gardens 1995 neolithic causewayed enclosures are amongst the oldest rarest and most enigmatic of the ancient monuments found in europe first recognised as a distinct type in the 1920s sixty nine certain or probable examples have now been identified in the british isles as a class they are of outstanding importance for while their precise functions remain unclear they represent the first non funerary monuments and the earliest instance of the enclosure of open space this book presents an overview of the findings of a systematic national programme of research carried out by the rchme now merged with english heritage every certain probable and suggested causewayed enclosure in england has been investigated through integrated aerial and field survey specialist reconnaissance flying has been undertaken along with the thorough analysis of aerial photographs taken from the 1920s onwards this has greatly increased the number of sites known turning the spotlight onto many that have received little or no archaeological attention in the past the aerial surveys now available offer a new basis for improved understanding analytical field investigations of the few causewayed enclosures that are well preserved as earthworks have also squeezed fresh information out of even those long familiar to archaeologists far from merely dotting the i s and crossing the t s of past fieldworkers these detailed surveys have led to the rejection of some long held theories and the proposal of new interpretations this book significantly advances the understanding of causewayed enclosures both as individual monuments and as a class it is a major contribution to the understanding of the british neolithic and to landscape archaeology more generally

These Our Monsters 2019-10-24 a sumptuous cookery book and the definitive guide to the life times and tastes of the world s favourite victorian cook mrs crocombe as seen on english heritage s the victorian way youtube series mrs crocombe is the star of english heritage s wildly popular youtube series the victorian way in delightful contrast to the high octane hijinks of many youtube celebrities the victorian way offers viewers a gentle glimpse into a simpler time an age when tea was sipped from porcelain not from plastic cups when mince pies were meaty and nothing was wasted when puddings were in their pomp and no kitchen was complete without a cupboard full of copper pots and pans avis crocombe really did exist she was head cook at audley end house in essex from about 1878 to 1884 although only a little is known about her life her handwritten cookery book was passed down through her family for generations and rediscovered by a distant relative in 2009 it s a remarkable read and from the familiar ginger beer custard and christmas cake to the fantastical roast swan preserved lettuce and fried tongue sandwiches her recipes give us a wonderful window into a world of flavour from 140 years ago how to cook the victorian way is the definitive guide to the life times and tastes of the world s favourite victorian cook the beautifully photographed book features fully tested and modernised recipes along with a transcription of avis s original manuscript plus insights into daily life at audley end by dr annie gray and dr andrew hann and a foreword by the face of mrs crocombe kathy hipperson it showcases the best recipes from mrs crocombe s own book alongside others of the time brought together so that every reader can put on their own victorian meal it s a moreish smorgasbord of social history an absolute must for fans foodies and anyone with an appetite for the past please note this is a fixed format ebook with colour images and may not be well suited for older e readers

English Heritage Book of Anglo-Saxon England 1992 the british country house has long been regarded as the jewel in the nation s heritage crown but the country house is also an expression of wealth and power and as scholars

reconsider the nation's colonial past new questions are being posed about these great houses and their links to atlantic slavery this book authored by a range of academics and heritage professionals grew out of a 2009 conference on slavery and the british country house mapping the current research organised by english heritage in partnership with the university of the west of england the national trust and the economic history society it asks what links might be established between the wealth derived from slavery and the british country house and what implications such links should have for the way such properties are represented to the public today lavishly illustrated and based on the latest scholarship this wide ranging and innovative volume provides in depth examinations of individual houses regional studies and critical reconsiderations of existing heritage sites including two studies specially commissioned by english heritage and one sponsored by the national trust

England's Heritage 2001 covering more than 300 sites this work highlights major jewish landmarks in england ranging from britain's oldest synagogue bevis marks synagogue in london through the georgian gems of the west country to the splendid high victorian cathedral synagogues of birmingham brighton and liverpool

The English Folly 2020 between 1900 and 1950 the british state amassed a huge collection of over 800 historic buildings monuments and historic sites and opened them to the public nothing like it had ever been seen before this book explains why the extraordinary collecting frenzy took place

Dangerous Energy 2014-06-15

British Battles 1996 medieval england presents the political and cultural development of english society from the norman conquest to the end of the wars of the roses it is a story of change progress setback and consolidation with england emerging as a wealthy and stable country many of whose essential features were to remain unchanged until the industrial revolution edmund king traces his chronicle through the lives of successive monarchs the inescapable central thread of that epoch the momentous events of the times are also recreated from the compiling of the domesday book through the wars with the scots the welsh and the french to the peasants revolt and the disastrous black death

Men from the Ministry 2013 in the early 1950s the historian professor william hoskins in his pioneering work the making of the english landscape lamented what he saw as the devastation of the countryside by scientists the military and politicians he saw his world as dominated by the obscene shape of the atom bomber laying a trail like a filthy slug upon constables and gainsborough's sky england of the nissen hut the pre fab and the electric fence of the high barbed wire around some unmentionable devilment a generation later this book reveals what lay behind the fence and how the sites are now in dereliction a new aspect of the complex landscape history of britain

The English Buildings Book 2006 from shortly before ad 800 until the norman conquest england was subject to raids from seafaring peoples from scandinavia the vikings they were not only raiders but also settlers and colonizers in this book the author assesses how far local developments responded to these events and discusses rural settlement and economy the growth of towns trade and exchange craft and industry and burial rituals and stone memorials features almost 100 maps plans reconstructions and photographs

Jewish Heritage in Britain and Ireland 2015 blue plaques bearing names both familiar and intriguing can be found all across the capital from bob marley to alan turing virginia woolf to vincent van gogh mahatma gandhi to emmeline pankhurst the plaques celebrate an incredible range of london's past residents whether they be scientists sports stars artists actors inventors or politicians this revised and updated english heritage guide reveals with wit and insight the stories of london's most extraordinary men and women and the homes in which they lived

Food and Cooking in Roman Britain 1985

English Heritage Book of Viking Age York 1994 history records that the olympic games originated in ancient greece nearly three thousand years ago died out around 393 ad and were triumphantly reborn in 1896 in the greek capital of athens rather less well known is how during the intervening centuries an assortment of british writers romantics sportsmen and visionaries helped nurture that revival indeed as sports historian dr martin polley argues in this the 12th book in the acclaimed played in britain series our nation's fascination with all things olympian has played a pivotal role in shaping the games as we know them today culminating in london becoming in 2012 the first city ever to stage a third modern olympiad consider for example that the first published use of the word olympian in the english language dates from around 1590 its author william shakespeare and that the first games of the post classical era to adopt the formal title olympick took place in the cotswolds village of chipping campden in 1612 it was an english traveller richard chandler who rediscovered the lost site of olympia in 1766 and a shropshire doctor william penny brookes who in 1850 founded the much wenlock olympian games an annual community festival that inspired pierre de coubertin to revive the games at an international level other olympic festivals surfaced in london to celebrate queen victoria's accession in liverpool and in the north east town of morpeth while the words olympic and olympian became steadily more ingrained in the popular imagination throughout the victorian era britain's olympic heritage gained added momentum in the 20th century at white city in 1908 london built the world's first modern purpose built olympic stadium while in 1948 london stepped in to save the games by offering wembley stadium also in the late 1940s at stoke mandeville hospital in buckinghamshire the modern paralympics were born when sporting contests were organised for injured servicemen thus the 2012 games represent the culmination of over four hundred years of british enthusiasm and ingenuity an attachment that has left in its wake a trail of fascinating stories characters sites buildings and artefacts leading the reader on a marathon journey the british olympics charts them all making this a vital and entertaining source for anyone with an interest in the games in sport and in the wider narrative of britain's social and cultural heritage

War in Britain: English Heritage 2015-06-18 new legends for modern times sprung from our ancient lands stories and stones marvellous and menacing daily mail the shadow from which i thought i had unshackled myself has returned whether this horror is real or merely the handiwork of my imagination i cannot say nor can i say which of these possibilities disturbs me more from the dark thread by graeme macrae burnet from the legends of king arthur embedded in the rocky splendour of tintagel to the folklore and mysticism of stonehenge english heritage sites are often closely linked to native english myths following on from the bestselling ghost story anthology eight ghosts this is a new collection of stories inspired by the legends and tales that swirl through the history of eight ancient historical sites including an essay by james kidd on the importance of myth to our landscape and our fiction and an english heritage survey of sites and associated legends these our monsters is an evocative collection that brings new voices and fresh creative alchemy to our story telling heritage nobody believes you when you talk about the whispering oh monny you are funny they say you've such an imagination there's a lot they don't believe from the hand under the stone by sarah hall the atmospheric locations edward carey bury st edmunds abbey sarah hall castlerigg and other stone circles paul kingsnorth stonehenge alison macleod down house graeme macrae burnet whitby abbey sarah moss berwick castle fiona mozley Carlisle castle adam thorpe tintagel castle

English Heritage Book of Bronze Age Britain 1993 for most of us school was our first detailed experience of a building outside the homes of our parents friends and relations many people react emotionally when their old school charged with so many memories is closed or demolished not all school buildings are worthy of designation but many are major local landmarks and demonstrate an important part of our society's evolution this book aims to raise awareness of the wide range of school buildings built in england from the reformation to the millennium and discusses which buildings may be worthy of greater appreciation and preservation it summarises the development of schools and analyses how social attitudes have been expressed in their architecture and planning finally it looks at the adaptation of older schools to modern needs and new uses for schools around the country drawing on examples of best practice from historic building inspectors and advisers

London Art Deco 2006 the city of chester retains the visible remains of many different periods of its past this book with individual chapters written by different experts gives an account of two thousand years of the history of the city dating from the roman conquest to the present day

The British Olympics 2012-07-31 britain's tiny jewish community about 263 000 people is the oldest non christian minority in the country in 1656 jews returned to england after an absence of nearly 400 years and the jewish community has enjoyed a history of continuous settlement in england since 1656 a record unmatched anywhere else in europe jewish heritage in britain and ireland celebrates in full colour the undiscovered heritage of anglo jewry first published in 2006 it remains the only comprehensive guide to historic synagogues and sites in the british isles based on an authoritative survey carried out with the support of english heritage and the heritage lottery fund the guide

is simple to use covering more than 300 sites organised on a region by region basis each section highlights major jewish landmarks ranging from britain s oldest synagogue bevis marks synagogue in the city of london through the georgian gems of the west country to the splendid high victorian cathedral synagogues of birmingham brighton liverpool and glasgow relics of anglo jewry s medieval past are explored in york lincoln and norwich and venerable burial grounds with hebrew inscriptions are found in the unlikeliest of places curious oddities are not to be missed including a 19th century private penthouse synagogue in brighton and an egyptian style mikveh ritual bath in canterbury the new edition has been completely revised and features many new images including for the first time of sites in wales scotland ireland the channel islands and the isle of man the easy to follow heritage trails around former jewish quarters in the major cities have been updated and full postcodes are now given for satnav users
