journey our human spirit should abide in deep communion with god's holy spirit then our human spirit infused and led by the holy spirit should direct the mind will and emotions of our human soul which should manifest in the health and well being of our human bodies all is well with my soul when all is well with my spirit all is well with my body when all is well with my soul but for all to be well we must learn to allow the holy spirit to correctly align our spirit and soul and body first the spirit then the soul then the body as we'll discover looking more deeply into these three dimensions of our being when we're correctly aligned with the human spirit first we will live out our daily journey with more spiritual health and growing maturity fulfilled with more peace and joy walking in the wisdom of god instead of the ways of the world in right alignment with the human spirit which is receiving my sense of guidance and discernment by abiding in communion with god's holy spirit directs my soul my soul is my mind will and emotions so my spirit should direct my mind and how i think my will and the choices i make my emotions and how i sense and feel and experience the world around me then my soul should direct my body in right alignment my body manifests what's going on in my soul and my soul manifests what's going on in my spirit and my spirit manifests my abiding relationship with god's holy spirit first the spirit then then the soul then the body this is what i call spiritual alignment or walking out my spiritual

journey as a spiritual christian but the trouble is that much of the time we tend to live out our daily lives in a different order than god s created order instead of living in right alignment we re living out of alignment first the soul instead of first the spirit first the soul then the spirit then the body this is what i call soulish alignment or walking out my spiritual journey as a soulish christian in that wrong order when i m out of proper alignment i am more soulish than spiritual and all will not be well with my soul in the soulish alignment i ll be driven more by my own desires in the mind will and emotions of my soul rather than humbling myself to be led by god s holy spirit directing my human spirit when i m in a soulish alignment my mind will insist on my own thoughts instead of yielding to god s thoughts my human freewill will insist on my own will instead of yielding to god s will and my emotions will insist on driving my actions by reacting from my soul instead of responding by the leading of my spirit being led by god s holy spirit whether my spirit is on top and in charge directing my soul or whether my soul is on top and in charge suppressing my spirit makes all the difference and as we ll see alignment is everything the good news is that by the grace of god we can recognize it when we re being more soulish than spiritual and make a choice to humble our souls to come back into right alignment of spirit soul and body by far this has become one of the most revolutionary insights of my spiritual journey and as i ve

shared these principles of this book through the years I have heard so many testimonies of these simple insights becoming life changing for men and women at all stages of their spiritual journey to Christ-like maturity that's why I'm thrilled to share them with you. What is the soul's point of perception if your soul aspects have not followed the human into dark truths the soul is compassionate and aligns with universal law all of the time. November 11, 2020, marked the earth moving from human law into universal law: give and receive only compassion and we are 100% responsible for all we create or fail to create for the self. This book elaborates on the way transitioning from dark victim-predator truths to higher truths happen and what that looks like on a daily basis. Whatever situation you created for your spiritual lesson, you can evolve into compassion for you by changing your point of perception.

human experience contains many aha moments that will remind you of your true soulful nature why you're here and what your purpose is anna shares her own journey alongside powerful reminders on how to find joy and fulfillment in your own life this book is a comprehensive manual for learning what lies at the intersection of soul and body while cultivating purposeful empowerment within the reader to embrace living with intention whether you are brand new to spirituality or looking to deepen your understanding of soul alignment and direction the soul's human experience will guide you on your path written by a spiritual coach and reiki master anna was gifted the experience of touching a soul at age 20 by age 25 she could no longer ignore the fact that too many people were unaware of their fundamental truths and set out to change this she understood the power in this knowledge and its need to be communicated in a clear digestible way everything anna shares is with the purpose of bringing about profound shifts in consciousness for healing and self-improvement many people are drawn to spirituality but may struggle to understand the complexity and vastness of information in this book anna clearly and concisely teaches readers how to transform their lives to have meaning learn to heal themselves and feel empowered to step into the most aligned selves you will discover who you are and why you're here why we forget our truths what living as a human on earth is all about and how to enjoy it why being

a human is hard and how to make it easier what life purpose is and how to start living yours and much more s time to embrace our soul s human experience bringing what you know inside of yourself into focus and listening tp your inner voice in every challenge we are handed an opportunity to evolve into a better version of ourselves are given a choice either to keep repeating the same mistakes or to accept the invitation graciously and realize that we have the power within to be our own savior we learn how to heal and navigate a fulfilling life path by aligning with our soul to activate the wisdom of the universal love that surrounds us we can t get to this place by chance we have to do the work but what exactly is the work right here in this book align with soul will show you how to find your life purpose heal your problems and live a spiritual life by understanding who you are and why you are here align with soul will provide you with the spiritual philosophy tools and techniques to inspire your journey of personal development toward enlightenment this is your life manual this is the book you ve been waiting for there comes a time our lives when we realize that materialistic possessions no longer makes us happy and that societal idealism of consumption is unable to bring true fulfillment into our lives something changes in our mind and we realize that everything around us no longer reflects the truth of what it is that we really want that regardless of kind of life you may want to live your higher self which

you in your purest form will instead deliver you the life that will provide you with the most opportunity for growth depth and understanding as time goes on and so a journey of self discovery begins as you search deeper within yourself as you try to attain this fulfillment at a faster pace and with ultimate peace you are looking for meaning purpose truth and happiness and the deeper you dive the more clear the message becomes the hope you seek is woven in fragments pieced together between our internal self the unseen worlds and the life we choose to surround ourselves with as you start searching for the answers you discover the brilliance of your own power you learn that this power is strengthened by your relationship with others but this in turn is actually a reflection of the relationship you have with yourself the more you choose to nurture your own soul the happier you become you start to really look after yourself in every form your body your health your environment your mind and suddenly life feels easier you can sleep at night and breathe peacefully through the day because you are focusing your priorities on what it is that makes you happy as opposed to materialistic things that provide short lived thrills you begin to realize that happiness starts from within and from this space anything is possible you notice the joy that nature gifts you how refreshed and rejuvenated you feel from walking amongst the trees and playing with animals you have begun to realize that it is these connections with other positive

energies that actually make you feel truly alive and in love with your life but you are still living in a world that encourages you to forget this simplistic truth you are standing in a crowd amongst both good and evil that forces you to seek money in order to survive you are losing sight of what is important and slowly the scales slip in the opposite direction once more and as you adjust back into your old way of life you are thrown challenges to tear you down those challenges are reminding you to go back with you to seek fulfillment elsewhere but you are trapped you are stuck how can you remember your own power where is the manual that will provide such peace and happiness within how do we remember the wisdom and tap into our power right here when you live from the loving frequency of your soul's home you flow in harmony with the creative energy of the universe and this is where you remember your highest calling you begin to dream greatly set clear intentions and manifest a magnificent life in full expression dream believe offers inspiration and guidance for imagining and creating with crystal clarity in celestial soul alignment and gracefully helps you flow and grow through setbacks filled with ruminative affirmations and soul filling practices dream believe illuminates your soul dream and invites you to share your light with the world when you live from your heart and dream with your soul you flow in loving alignment with the universe dream and believe and so it will be what is ascension and self awareness what
