*A Mad World, My Masters* 2009-09-30 step into the colorful world  
of henri matisse and his magnificent paper cutouts in this  
biography by acclaimed picture book creator jeanette winter in a  
small weaving town in france a young boy named henri emile  
matisse drew pictures everywhere and when he grew up he  
moved to paris and became a famous artist who created  
paintings that were adored around the world but late in life a  
serious illness confined him to a wheelchair and amazingly it was  
from there that he created among his most beloved works  
enormous and breathtaking paper cutouts based on the life of  
henri matisse this moving and inspirational picture book  
biography includes a note from the author dynamic quotes from  
matisse himself and an illuminating look at a little known part of a  
great artist s creative process

Creeps by 1966 in today s new economy in which good jobs are  
typically knowledge or technology based many well educated  
and culturally savvy young people are instead choosing to  
pursue traditionally low status manual labor occupations as  
careers masters of craft looks at the renaissance of four such  
trades bartending distilling barbering and butchering in this  
engaging book richard ocejo takes you into the lives and  
workplaces of these people to examine how they are  
transforming once undesirable jobs into cool and highly  
specialized upscale occupations he shows how they find  
meaning in these jobs by enacting a set of cultural repertoires  
resulting in a new form of elite taste making focusing on cocktail
