fin finnegan a san diego police detective and wannabe actor heading straight for a midlife meltdown is assigned a routine truck theft that

turns into a toxic chemical spill setting off a bizarre chain reaction of death and murder on both sides of the Mexican border. Fin is forced to team up with Nell Salter, a sexy female investigator, as well as an equally fetching US Navy investigator who wants to learn all that Fin can teach her. That's saying a lot. The New York Times book review called it a frolic, a joy, a hoot, a riot. Entertainment Weekly said superbly crafted and paced, deliciously funny but fundamentally as always deadly serious. New York Times bestseller, a fascinating account of a double tragedy, one physical, the other psychological. Truman Capote: This is the frighteningly true story of two young cops and two young robbers whose separate destinies fatally cross one March night in a bizarre execution in a deserted Los Angeles field. A complex story of tragic proportions, more ambitious than *Cold Blood* and equally compelling. The New York Times: Once the action begins, it is difficult to put the book down. Wambaugh's compelling account of this true story is destined for the bestseller lists. Library Journal: When forty-year-old cop Winnie Farlowe lost his shield, he lost the only protection he had ever since he's been fighting a bad back, fighting the bottle, fighting his conscience. But now he's in for a special fight. Never before has he come up against anyone like Tess Binder. She's a stunningly beautiful, sexually spirited, three-time divorcee from Newport Beach, California's Golden Orange, where wallets are fat, bikinis are skimpy, and cosmetic surgery is one sure way to a billionaire's bank account. Nearly a year ago, Tess Binder's father washed up on the beach with a bullet in his ear. The coroner called it suicide, but to Tess, it means the fear of her own fate. And Winnie Farlowe is a man willing to follow wherever she leads straight into the juicy pulp of the Golden Orange, a world where money is everything but nothing adds up, where death and chicanery flourish amidst ranches, mansions, and yachting parties. In his long-awaited new novel, best-selling author Joseph Wambaugh combines harrowing suspense, scathing humor, and a moving portrait of a man on the brink of self-destruction. On June 25, 1989, the naked corpse of schoolteacher Susan Reinert was found wedged into her hatchback car in a hotel parking lot near Philadelphia's Main Line. Her two children had vanished. The Main Line murder case burst upon the headlines and wasn't resolved for seven years. Now, *Master Crime*
