one of america's most beloved storytellers louis l'amour's vibrant tales of adventure bring the american west to life now in this sixth volume of collected short stories l'amour takes us beyond the frontier with thirty three gripping stories of crime sports and the murky world where the two often meet from suspenseful whodunits to rueful tales of fortunes gained and lost this remarkable collection will enthrall and entertain l'amour fans old and new traversing a vivid landscape from sunblasted hills and canyons to the nighttime streets of america's greatest cities some of louis l'amour's most compelling fiction was set in his own time whether in the naked electric glare of boxing rings where men go head to head with their dreams and demons in an underworld rife with corruption or along freight docks where laborers toil to earn just enough to get by or in the penthouses of the rich and arrogant who calculate the odds of how to get even more here are tales of innocents caught in the schemes of criminals detectives hunting down truths that hide more lies gamblers and beauties wiseguys and cops here is a world populated by the kinds of people who risk their lives to right a wrong make a buck or save a friend a war veteran makes a journey to visit the man who saved his life in korea instead he uncovers a killing and finds his own heroic cause confronted with an easy chance to steal an honest man gives in to temptation and finds himself ensnared in a web of blackmail and violence an elderly hawaiian seafarer is found dead with a hand carved figure beside his body unraveling his murder will mean solving the mystery of a shipwreck and of the forces that drive some to take fatal chances and others to kill brimming with thought provoking characters and situations from a man who awakens from unconsciousness to find a fortune in a burning house to a man who meets a killer who is supposed to be dead in a seedy diner these thrilling atmospheric stories course with authenticity and bear the mark of a timeless master in this fables collection featuring issues 46 51 of the eisner award winning series the threat of the adversary looms ever closer as the drums of war begin their steady beat the fables prepare for battle but first they must find their would be commander bigby wolf this year marks the 20th anniversary of the sandman series and this final volume in the absolute sandman series ties into this event an estimated 80 million people live with a neurodegenerative disease with this number expected to double by 2050 despite decades of research and billions in funding there are no medications that can slow much less stop the progress of these diseases the time to rethink degenerative brain disorders has come with no biological boundaries between neurodegenerative diseases illnesses such as parkinson's and alzheimer's result from a large spectrum of biological abnormalities hampering effective treatment acclaimed neurologist dr alberto espay and parkinson's advocate benjamin stecher present compelling evidence that these diseases should be targeted according to genetic and molecular signatures rather than clinical diagnoses there is no parkinson's or alzheimer's simply people with parkinson's or alzheimer's an incredibly important story never before told brain fables is a wakeup call to the scientific community and society explaining why we have no effective disease modifying treatments and how we can get back on track the classic short story collection by neil gaiman and a host of renowned artists
