how can we live a balanced life in unbalanced times how can the practices of meditation and yoga support our relationships our work lives and the greater good author teacher and psychotherapist michael stone presents the essential insights of mindfulness and yoga emphasizing the teachings of simplicity and the interdependence of all life

stone explains that the practices of yoga and meditation are not about escaping reality but about living fully in the here and now opening to our experience and gaining access to stillness within the flow of life the essence of yoga and buddhist practice is opening the heart our own and the heart of the world with that awareness stone encourages us to get involved in our communities to speak out when we see wrongdoing and to find ways of helping others this christmas join the de la fuentes and mckenzie's in blossom creek as they celebrate the grand opening of emelia's restaurant over twenty years after levi de la fuente's parents opened the first emelia's levi and his cousin ryan are getting ready to open a second location emma de la fuente manages the first emelia's in essex vermont for her parents she's in town to assist her brother and cousin in getting the new restaurant ready for its grand opening however she didn't plan on the strong attraction she feels toward the town sheriff the man with his sweet words and heated looks has managed to derail her plans on returning home while his sister is distracted levi finds himself in need of rescuing from a rather embarrassing situation luckily for him vivien taylor owner of temptations blossom creek's handmade chocolate store appears just at the right time if only he didn't crave the sweet woman then maybe this situation wouldn't be so awkward blossom creek just might be warm enough to melt the snow this holiday season having survived a serious illness and now at an impasse in her career the author accepts a freelance assignment to go to india where she finds herself utterly overwhelmed by the place and the language before she knows it she's on her way to rajasthan to live with a local family and join a language school offering total immersion a murder she doesn't remember committing a killer she doesn't remember meeting megan goldin's stay awake is an electrifying novel that proves memory can be deadly liv reese wakes up in the back of a taxi with no idea where she is or how she got there when she's dropped off at the door

of her brownstone a stranger answers a stranger who claims to live in her apartment she reaches for her phone to call for help only to discover it's missing in its place is a bloodstained knife her hands are covered in scribbled messages like graffiti on her skin stay awake two years ago liv was thriving as a successful writer for a trendy magazine now she's lost and disoriented in a new york city that looks nothing like what she remembers catching a glimpse of the local news she's horrified to see reports of a crime scene where the victim's blood has been used to scrawl a message across a window similar to the message that's inked on her hands what did she do last night and why does she remember nothing from the past two years liv finds herself on the run for a crime she doesn't remember committing but there's someone who does know exactly what she did and they'll do anything to make her forget permanently a complex thriller that unfolds at a breakneck speed stay awake will keep you up all night how the author describes this book this is a collection of poetry and prose written between 2015 and 2019 these pieces were inspired by nightmares late night walks with the dog jumprope rhymes horror comics and several glasses of wine after midnight i was able to revisit a character created in a previous book explore the minds of a few psychopaths and even sneak in a bit of hidden political commentary these stories and poems run the gamut from sarcastic to caustic the artwork is a series of acrylic paintings i did specifically for the book the cover art was created in color and the five illustrations within the book were all painted in black and white i am very excited that i am finally able to get these pieces out of my head and into your hands enjoy matthew describes the beginning of jesus's ministry with the summary words μετανοεῖτε repent turn for the kingdom of heaven is at hand 3 2 4 17 why does matthew use this command μετανοεῖτε at the beginning of his ministry and how does it relate to the rest of the gospel what do μετανοέω and μετάνοια mean scholars have stated that

μετανοέω in 4 17 has critical value for understanding matthew because the verse functions as a summary statement or key phrase of jesus s public ministry and teaching this book argues the thematic significance of μετάνοια turning repentance in the gospel of matthew the lexical idea of μετανοέω and μετάνοια involves a turning of mind or heart will thinking and behavior and so in turn of one s whole being and life this opening commandment of turning μετανοέω especially the concept the essence and the contents is fully revealed throughout the body of matthew in various ways discipleship the language of righteousness doing the will of god changing one s heart and mind the great commission and matthean soteriological theme convey the essence of μετάνοια and the contents of the fruit worthy of μετάνοια 3 2 8 4 17 the five major teaching blocks 5 7 10 13 18 23 25 teach the theme and the content of μετάνοια in an expressivist culture effective engagement must acknowledge teenagers freedom to choose their own spiritual path yet in an evangelical theology faithful formation must hold on to biblical authority as we seek to engage young people with the bible key questions need to be explored such questions include how can pedagogical freedom be affirmed without undermining theological authority and how can authority be asserted without diminishing personal freedom this study explores a freedom authority dialectic in theological dialogue with the educational philosophy of maxine greene greene s reflection on the arts and the imagination are brought into conversation with insights from charles taylor garret green and nicholas wolterstorff as a work of practical theology the book concludes with a framework to shape the purpose content and values for bible engagement in contemporary youth ministry each day awake in the dawn leads you into the strength wisdom and spiritual adventure of living the lord s prayer morning by morning he wakens me and opens my understanding to his will isaiah 50 4 when we choose to give the lord our early
