com exploring the
questions of today
identity inequality
race class gender

multiculturalism
globalization
sociology now
reflects the
discipline today and
explores the big
questions about
multiculturalism
and globalization
that sociologists ask
it explains how the
classic concerns of
sociology social
order social conflict
social interaction
have been reshaped
by new insights
about
multiculturalism
and globalization
sociology has
always offered a
way to make sense
of the complex and
sometimes
contradictory forces
that shape our
social lives in any
era as sociology
now explains
sociology as both a
body of knowledge
and a way of seeing
it shows how two

such forces in particular have come to preoccupy sociologists and influence the way they look at the events and experiences of the early twenty first century the first is globalization the economic political cultural and social interconnections among people and institutions all over the world the second is multiculturalism the recognition that race ethnicity class gender sexuality religion and other statuses are sources of social inequality but also the foundations of our identities michael kimmel a leading sociologist and gender researcher and co author amy aronson a journalist and

media scholar address these questions head on as they make a compelling case for the importance of sociology in the contemporary world to learn more about the new edition click here to visit the showcase site what is the pearson census update edition the census update edition incorporates 2010 census data into a course simply and easily the components of the census update program are as follows census update edition features fully updated data throughout the text including all charts and graphs to reflect the results of the 2010 census this edition also includes a

reproduction of the 2010 census questionnaire for your students to explore in detail 2010 census update primer a brief seven chapter overview of the census including important information about the constitutional mandate research methods who is affected by the census and how data is used additionally the primer explores key contemporary topics such as race and ethnicity the family and poverty the primer can be packaged with any pearson text at no additional cost and is available via mysoclab mysocketit and mysearchlab the primer can also be purchased standalone 2010 census update

primer instructor s manual with test bank includes explanations of what has been updated in class activities homework activities associated with the mylabs and mykits discussion questions for the primer and test questions related to the primer mysoclab gives students the opportunity to explore the methods and data and apply the results in a dynamic interactive online environment it includes primary source readings relevant to the census an online version of the 2010 census update primer a series of activities using 2010 census results video clips explaining and

exploring the census this book provides a framework for understanding the interpersonal dynamics and the larger context of changing intergroup relations this 12 month access code card gives you access to all of mysoclab s tool and resources including a complete etext of your book you can also buy immediate access to mysoclab with pearson etext online with a credit card at mysoclab com exploring the questions of today identity inequality race class gender multiculturalism globalization sociology now reflects the discipline today and explores the big questions about

multiculturalism and globalization that sociologists ask sociology has always offered a way to make sense of the complex and sometimes contradictory forces that shape our social lives in any era as sociology now explains sociology as both a body of knowledge and a way of seeing it shows how two such forces in particular have come to preoccupy sociologists and influence the way they look at the events and experiences of the early twenty first century the first is globalization the economic political cultural and social interconnections among people and institutions all over the world the
