disappointment and feelings of worthlessness as our world whether publicly or privately crumbles around us we then face the next question what next we wonder how there can be a next because we feel that our life is over or that we are destined to remain in our same rut of failure forever but author k p yohannan boldly declares that nothing could be further from the truth in when we have failed optimism he also provides a vigorous and original defence against the charge that it deviates from the christian tradition engaging with both the christian tradition and contemporary theologians and
