The Good Good Pig Extraordinary Pigs The Seriously Extraordinary Diary of Pig Pig Perfect Triffic the Extraordinary Pig Triffic The Unbelievable Top Secret Diary of Pig Lesser Beasts Beautiful Pigs Adventures of Pig and Mouse Beasts of Extraordinary Circumstance A Normal Pig How to be a Good Creature Learned Pigs & Fireproof Women Peppa Pig: Amazing Adventures Sticker Book Journey of the Pink Dolphins Esther the Wonder Pig Dream Big, Little Pig! The Whole Hog That Extraordinary Pig of Paris The Year of the Dog Diary of Pig (Too) KDL Book Club In A Bag : The Good Good Pig Perfect the Pig The Unexpected Genius of Pigs Mini Pigs The Pig The Pig of Happiness The Super Amazing Adventures of Me, Pig A Pig in Provence Evolution of a Taboo Swine Not? The Pigman Remarkable History of Five Little Pigs El Lechón Choncho: Choncho the Pig Pigs The Marvelous Pigness of Pigs Unusual Creatures Pigs Might Fly A Day No Pigs Would Die

the whole hog is just that an attempt to encompass everything that is known about all the pigs of the world george orwell was right pigs are unquestionably the farmyard animals most likely to succeed but why exactly science has been slow to pin down the source of their superiority pigs are dramatically different from their closest and more placid relatives sheep deer and cattle during forty million years of evolution they seem to have made a series of canny decisions adapting to changing circumstances much as humans have by becoming more versatile more gregarious and more curious sixteen species of wild pigs now occupy every continent except australia and antarctica filling in the environmental gaps by deploying a panoply of domestic and feral forms pigs for all seasons the whole hog is their story the biologist lyall watson has tracked pigs in the wild observed their resourceful and playful lives deciphered their grunts and oinks and is convinced pigs deserve new respect told with brains and heart michelle gable new york times bestselling author of a paris apartment bristles with charm and curiosity winston groom new york times bestselling author of forrest gump a wholly original and superbly crafted work of art beasts of extraordinary circumstance is a masterpiece of the imagination lori nelson spielman new york times bestselling author of the life list and sweet forgiveness charlotte s for grown ups who like weylyn grey have their own stories of being different feared brave and loved mo daviau author of every anxious wave ruth emmie lang teaches us how to find magic in the ordinary in her magical realism debut beasts of extraordinary circumstance orphaned raised by wolves and the proud owner of a horned pig named merlin weylyn grey knew he wasn't like other people but when he single handedly stopped that tornado on a stormy christmas day in oklahoma he realized just how different he actually was as amazing as these powers may appear they tend to manifest themselves at inopportune times and places

jeopardizing not only his own life but the life of mary the woman he loves beasts of extraordinary circumstance tells the story of weylyn grey s life from the perspectives of the people who knew him loved him and even a few who thought he was just plain weird although he doesn't stay in any of their lives for long he leaves each of them with a story to tell great storms that evaporate into thin air fireflies that make phosphorescent honey a house filled with spider webs and the strange man who inhabits it there is one story however that weylyn wishes he could change his own but first he has to muster enough courage to knock on mary s front door from their domestication to their taboo the role of pigs in the ancient near east is one of the most complicated topics in archaeology rejecting monocausal explanations this book adopts an evolutionary approach and uses zooarchaeology and texts to unravel the cultural significance of swine from the paleolithic to today five major themes emerge the domestication of the pig from wild boar in the pre pottery neolithic the unique roles that pigs developed in agricultural economies before and after the development of complex societies the raising of swine in cities the shifting ritual roles of pigs and the formation and development of the pork taboo in judaism and later islam the development of this taboo has inspired much academic debate i argue that the well known taboo described in leviticus reflects the intention of the biblical writers to develop an image of a glorious pastoral ancestry for a heroic israelite past something they achieved by tying together existing food traditions these included a taboo on pigs which was developed early in the iron age during conflicts between israelites and philistines and was revitalized by the biblical writers the taboo persisted and mutated gaining strength over the next two and a half millennia in particular the pig taboo became a point of contention in the ethno political struggles between jewish and greco roman cultures in the levant ultimately it was this continued evolution within the context of ethnic and religious politics that gave the pig taboo the strength it has today i knew edward monkton was going to be a success when people started e mailing me daily saying that it touched their hearts it made them think and most important it made them laugh out loud again and again giles andreae in the tradition of jonathan livingston seagull comes the pig of happiness a philosophizing porcine fellow with a penchant for spreading good cheer edward monkton s philosophical piglet aspires to elevate the spirit and become the pig of happiness his happiness is so big it seeps from inside him to all the other pigs and then to all the other animals in the barnyard monkton perhaps better known as the u k s top selling living poet giles andreae pairs a fresh illustrative style with simple yet profound prose to create this modern day parable monkton s greeting cards and book titles have been a big hit in the u k his gift books are presented to the u s market by andrews mcmeel exclusively

while a complementary card line from sunrise will be introduced in the summer of 2007 featuring commissioned studio photography of fine breeds styled from snout to tail the animals showcased here just love to hog the limelight top breeds from around the world are represented from the graceful large black to the aristocratic tamworth and the much traveled kune kune with graphic charts containing all the essential breed information there s also a potted history of pigs plus reportage photography of the behind the scenes primping and preening at the agricultural shows to capture the care that is lavished on prizewinning pigs and the nail biting judging process this is a book to gladden the heart of pig lovers the world over packed with breed information beautiful pigs is a unique gift guaranteed to make every reader feel well as happy as a pig in muck from christian libertarian farmer joel salatin a clarion call to readers to honor the animals and the land and produce food based on spiritual principles what on earth is the marvelous pigness of pigs it s an inspiring call to action for people of faith a heartfelt plea to heed the bible s guidance it s an important and thought provoking explanation of how by simply appreciating the marvelous pigness of pigs we are celebrating the glory of god as a man of deep faith and student of the bible and as a respected and successful ecological family farmer joel salatin knows that god created heaven and earth and meant for all living organisms to be true to their nature and their endowed holy purpose he intended for us to respect and care for his gift of creation not to ravage and mistreat it for our own pleasure or wealth the example that inspires the book s title explains what salatin means when huge corporate farms confine pigs in cramped and dark pens inject them with antibiotics and feed them herbicide saturated food simply to increase profits they are not respecting them as a creation of god or allowing them to express even their most rudimentary uniqueness that special role that is part of his design every living organism has a god given uniqueness to its life that must be honored and respected and too often that is not happening today salatin shows us the long overlooked ethics and instructions in the bible for how to eat how to shop how to think about how we farm and feed the world through scripture and biblical stories he shows us why it s more vital than ever to look to the good book rather than corporate america when feeding the country and your family salatin makes a compelling case for christian stewardship of the earth and how it relates to every action we take regarding our food he also opens our eyes to a common misconception many christians may have about environmentalism it s not a bad thing and definitely not just the province of secular liberals it s really a very good thing part of heeding god s word with warmth and with humor but with no less piercing criticism of the industrial food complex salatin brings readers on a fascinating journey of farming food and

faith readers will not say grace over their plates the same way ever again national book award finalist sy montgomery reflects on the personalities and quirks of 13 animals her friends who have profoundly affected her in this stunning poetic and life affirming memoir featuring illustrations by rebecca green introduces some of the world's most unusual creatures including an animal that can be found at the top of mount everest under the sea and in everyday yards a creature with cube shaped scat and an animal that disguises itself as a crab we love pig but pig loves farmer after all farmer gives pig yummy slops and special back scratches and calls him sausage and seems to love him more the fatter he gets just as well pig doesn't speak any farmer but duck does duck's clever like that and he's determined his best friend should know the truth little triffic is the most amazing piglet at the rare breeds survival center where she becomes friends with octavius a grumpy old mule and the unlikely pair turn into a huge hit with all the visitors in the tradition of lord of the flies pigs is an exquisitely wrought fable about the excesses of the contemporary world cookbook author and naturalist peter kaminsky shares his quest for the perfect pigs and pork recipes sharing his love for pork dishes and his efforts to find the perfect grilling techniques little triffic a piglet and octavius a grumpy old mule surprise visitors with an unlikely friendship planet reader first chapter books one of the best selling young adult books of all time written by pulitzer prize winning author paul zindel john conlan is nicknamed the bathroom bomber after setting off firecrackers in the boys bathroom 23 times without ever getting caught john and his best friend lorraine can never please their parents and school is a chore to pass the time they play pranks on unsuspecting people and it's during one of these pranks that they meet the pigman in spite of themselves john and lorraine soon get caught up in mr pignati's zest for life in fact they become so involved that they begin to destroy the only corner of the world that has ever mattered to them can they stop before it's too late a comprehensive richly illustrated introduction to the fascinating natural history of the pig from prehistory to the present at any given time there are around one billion pigs in the world that's one for every seven of us and where would we be without them prolific ubiquitous smart adaptable and providers of high quality protein pigs have been our companions since neolithic times when they obligingly domesticated themselves coming in from the wild to root around our waste pits but it's not all about the bacon today bred in micro sizes the resourceful pig has developed a whole new career as a popular pet and thanks to genome mapping we now know that the pig shares many common physiological features with humans spurring the use of pig tissue and organs in medical research and surgery beautifully designed and illustrated the pig provides a snout to tail natural history of this important species from the prehistoric hell pig to today's placid porker covering the pig's evolution and domestication anatomy and biology behavior role in human life and culture and breeds the book also features an engrossing and visually stunning photographic gallery of some thirty popular breeds from

around the world with essential information about each filled with surprising facts and insights the pig will delight anyone who loves these animals and wants to understand them better provides a comprehensive richly illustrated introduction to the pig's evolution and domestication anatomy and biology behavior role in human life and culture and breeds features infographics diagrams and 250 stunning color photographs includes a beautiful photographic directory to some 30 popular breeds from around the world with essential information about each the adventures of perfect the pig begin when his wish for a pair of wings is granted bestselling writer jimmy buffett weaves an irresistible tale filled with colorful characters wry humor and the pursuit of a very clever pig when southern belle ellie mcbride moves her twins from vertigo to new york city they wouldn't dream of leaving behind the family pig rumpy but the posh hotel where ellie has found work and living space has no pets writ large on its portal so hiding rumpy from the hotel staff especially the ultra carnivorous hotel chef who would like nothing better than to transform their pet into pork roast becomes imperative describes the qualities of people who are born in the year of the dog through the story of a puppy who is born under the sign we often consider dogs to be our enduring sidekicks but the truth is domestic pigs have played a role in our lives for nearly as long pigs are highly social and smart they like to play they're inventive crafty and belligerent and incredibly singleminded ultimately we have far more in common with these creatures than we like to admit the hilarious sequel to the unbelievable top secret diary of pig pig couldn't be happier pig couldn't be happier life with the vegetarian farmers is perfect and best of all he has a new friend kitty kitty is a fellow vegetarian she purrs over pig's every move laughing at his jokes and even gave him his new diary of course only duck can see kitty for the cunning jealous killing cat she is pig won't believe she's up to something until he's eaten the entirety of the farmers prize crop and is half way to the pie factory in loving yet unsentimental prose sy montgomery captures the richness that animals bring to the human experience sometimes it takes a too smart for his own good pig to open our eyes to what most matters in life john grogan author of marley me life and love with the world's worst dog a naturalist who spent months at a time living on her own among wild creatures in remote jungles sy montgomery had always felt more comfortable with animals than with people so she gladly opened her heart to a sick piglet who had been crowded away from nourishing meals by his stronger siblings yet sy had no inkling that this piglet later named christopher hogwood would not only survive but flourish and she soon found herself engaged with her small town community in ways she had never dreamed possible unexpectedly christopher provided this peripatetic traveler with something she had sought all her life an anchor eventually weighing 750 pounds to family and home the good good pig celebrates christopher hogwood in all his glory from his inauspicious infancy to hog heaven in rural new hampshire where his boundless zest for life and his large loving heart made him absolute monarch over a mostly peaceable kingdom at first his domain

included only sy's cosseted hens and her beautiful border collie tess then the neighbors began fetching christopher home from his unauthorized jaunts the little girls next door started giving him warm soapy baths and the villagers brought him delicious leftovers his intelligence and fame increased along with his girth he was featured in usa today and on several national public radio environmental programs on election day some voters even wrote in christopher's name on their ballots but as this enchanting book describes christopher hogwood's influence extended far beyond celebrity for he was as a friend said a great big buddha master sy reveals what she and others learned from this generous soul who just so happened to be a pig lessons about self acceptance the meaning of family the value of community and the pleasures of the sweet green earth the good good pig provides proof that with love almost anything is possible a woman and her family give up life in 1970s america for a farmhouse in southern france in this memoir peppered with delicious french recipes from the publisher of under the tuscan sun comes another extraordinary memoir of a woman embarking on a new life this time in the south of france in 1970 james beard award winning author georgeanne brennan set out to realize the dream of a peaceful rural existence en provence she and her husband with their young daughter in tow bought a small farmhouse with a little land and a few goats and pigs and so began a life affirming journey filled with delicious recipes and local color this evocative and passionate memoir describes her life cooking and living in the provençal tradition praise for a pig in provence you can almost smell the lavender as you follow brennan's love affair with the province that became her second home and shaped the culinary persona of this cooking teacher and food author brennan is a talented storyteller san francisco chronicle georgeanne brennan's captivating memoir reminds me of why i too was enchanted by provence she beautifully captures the details of living in a place where the culture of the table ties a community together where everyone knows the butcher and the baker and everyone depends on the farmers alice waters owner chez panisse fascinating brennan revels equally in the preparation and consumption of the regional cuisine you can almost hear her lips smacking the new york times book review georgeanne brennan's romance with provence continues to deepen and the result of her long residence there is an intimacy with local people food and folkways i would love to pull up a chair to her table frances mayes author of under the tuscan sun a popular magician offers a guide to the most exotic entertainers in the history of showbusiness from the amazing feats of handicapped individuals to the unusual talents of trained animals unlike other barnyard animals which pull plows give eggs or milk or grow wool a pig produces only one thing meat incredibly efficient at converting almost any organic matter into nourishing delectable protein swine are nothing short of a gastronomic godsend yet their flesh is banned in many cultures and the animals themselves are maligned as filthy lazy brutes as historian mark essig reveals in lesser beasts swine have such a bad reputation for precisely the same reasons they are so valuable as a source of food

they are intelligent self sufficient and omnivorous what s more he argues we ignore our historic partnership with these astonishing animals at our peril tracing the interplay of pig biology and human culture from neolithic villages 10 000 years ago to modern industrial farms essig blends culinary and natural history to demonstrate the vast importance of the pig and the tragedy of its modern treatment at the hands of humans pork essig explains has long been a staple of the human diet prized in societies from ancient rome to dynastic china to the contemporary american south yet pigs ability to track down and eat a wide range of substances some of them distinctly unpalatable to humans and convert them into edible meat has also led people throughout history to demonize the entire species as craven and unclean today s unconscionable system of factory farming essig explains is only the latest instance of humans taking pigs for granted and the most recent evidence of how both pigs and people suffer when our symbiotic relationship falls out of balance an expansive illuminating history of one of our most vital yet unsung food animals lesser beasts turns a spotlight on the humble creature that perhaps more than any other has been a mainstay of civilization since its very beginnings whether we like it or not pig isn t like most pigs she doesn t like to roll in the mud or get dirty she likes to watch birds and butterflies she likes to sing and make up stories she s a daydreamer mouse is a vagabond always moving to keep safe when events bring them together an unlikely friendship forms as they bond over their first adventure treasure hunting pig and mouse formed an unusual friendship but maybe it s not unusual at all if you ve ever witnessed a connection between two species say a dog and a cat or a cat and a bird you already know animals are capable of feeling love and empathy just like we can pig and mouse s friendship highlights the value of empathy and that differences in size and appearance do not matter the author invites you to share the story of pig and mouse with your children as the touchstone to an important conversation about diversity empathy and what s truly important the inspiration for pig and mouse s first adventure was author kelly lenihan s own childhood love of collecting treasures from nature rocks seed pods leaf skeletons feathers abandoned bird nests shells etc often these collections were started on the fly during a trip to the beach or a hike in the woods her kids even contributed to her science museum throughout their own childhoods now that they re grown the collections have been condensed into a large curio cabinet in the author s living room she still adds the occasional rock seed pod or feather her eyes never stop seeking to this day kelly enjoys examining her collections and showing visitors her latest acquisitions the thrill never truly goes away like kelly kids are drawn to natural items and collecting is a great activity that will help your child to develop important life skills expand their horizons and learn about categorizing sorting and observing encouraging collecting or enjoying your child s collecting impulse can be fun for the whole family did you have a collection as a child maybe it s time to start that up again all the sensible hogfolk in pigdom plains know that if pigs were meant to fly they d have been born with wings but there

s no convincing lily leanchops the daughter of renowned inventor hercules fatchops lily has watched her father s flying machines fail time and time again working in secret lily is trying to build what her father couldn t an aircraft that actually works and of course she s following his example and employing scientific principals alone not magic well a protection spell or two doesn t count right lily s secret project takes on a new sense of urgency when a mysterious enemy emerges from beyond the mountains the warthogs are coming and they re piloting flying machines powered by dangerous magic spells to save pigdom plains lily must take to the skies in her own experimental aircraft and there s no time for a test run pigs might fly chronicles the adventures of a team of airplane flying pigs from knockout duo nick abadzis and jerel dye pig 3 pig duck cow and all the sheeps are far away from their farm and beloved vegetarian farmers more fun parps slops and unbelievable adventure from this much loved set of characters complete with illustrations throughout and printed in a unique diary format originally published in hardcover in 1972 a day no pigs would die was one of the first young adult books along with titles like the outsiders and the chocolate war in it author robert newton peck weaves a story of a vermont boyhood that is part fiction part memoir the result is a moving coming of age story that still resonates with teens today a debonair parisian pig finds himself in great danger when he falls into the clutches of an unscrupulous butcher the hilarious sequel to the unbelievable top secret diary of pig pig couldn t be happier life with the vegetarian farmers is perfect and best of all he has a new friend kitty kitty is a fellow vegetarian she purrs over pig s every move laughing at his jokes and even gave him his new diary of course only duck can see kitty for the cunning jealous killing cat she is pig won t believe she s up to something until he s eaten the entirety of the farmers prize crop and is half way to the pie factory outlines factors to consider when contemplating the mini pig as a pet by the acclaimed author of the soul of an octopus and the bestselling memoir the good good pig when sy montgomery ventured into the amazon to unlock the mysteries of the littleknown pink dolphins she found ancient whales that plied the amazon river at dawn and dusk swam through treetops in flooded forests and performed underwater ballets with their flexible bodies but she soon found out that to know the botos as the dolphins are locally called you must also know the people who live among them and so in journey of the pink dolphins montgomery part naturalist part poet part indiana jones winds her way through watery tributaries and riverside villages searching for botos and hearing the tales of locals who believe these ethereal dolphins are shape shifters creatures that emerge from the water as splendidly dressed men or women only to enchant their human onlookers capture their souls and then carry them away to the encante an underwater world montgomery takes readers on four separate journeys exploring the river dwelling dolphins natural history chronicling their conservation pressures unraveling their prehistoric roots and visiting with shamans who delve into the encante presents a photographic account of the different worldwide breeds of pig and wild boar

and includes anecdotes about the pig breeds and their history with humans this charming picture book celebrates all our differences while questioning the idea that there is only one way to be normal pip is a normal pig who does normal stuff cooking painting and dreaming of what she ll be when she grows up but one day a new pig comes to school and starts pointing out all the ways in which pip is different suddenly she doesn t like any of the same things she used to the things that made her pip a wonderful springboard for conversations with children at home and in the classroom about diversity and difference el lechon choncho is a giant pinkish white pig with large ears that stand straight up he is as big as a truck but not only is he large he is sweet smart brave and practically the funniest pig you could ever meet just ask hilda follow hilda and her sisters as she tells the story of her favorite family pet el lechon choncho and the incredible sometimes hilarious adventures growing up on their farm in puerto rico el lechon choncho is a wonderful story of a charming yet lovable pig that will bring a smile to your face and have a special place in your child s heart who would have thought a pig could be the best friend of a little girl peppa george and all their friends love to go on adventures and now you can create them use the hundreds of stickers in this book and your amazing imagination to decorate wonderful scenes for peppa inspire kids of all ages to never give up and always dream big with dream big little pig the new york times bestselling ice skating picture book from olympic gold medalist kristi yamaguchi poppy is a pig with big dreams she wants to be a star but she soon discovers that s not as easy as it sounds it s only when poppy feels the magic of gliding and sliding swirling and twirling on ice that she truly believes in herself poppy star of the rink dream big little pig is the perfect book to inspire little girls with big dreams it makes a wonderful ice skating gift for girls unlikely pig owners steve and derek got a whole lot more than they bargained for when the designer micro piglet they adopted turned out to be a full sized 600 pound sow this funny inspirational story shows how families really do come in all shapes and sizes in the summer of 2012 steve jenkins was contacted by an old friend about adopting a micro piglet though he knew his partner derek wouldn t be enthusiastic he agreed to take the adorable little pig anyway thinking he could care for her himself little did he know that decision would change his and derek s lives forever it turned out there was nothing micro about esther and steve and derek had actually signed on to raise a full sized commercial pig within three years tiny esther grew to a whopping 600 pounds after some real growing pains and a lot of pig sized messes it became clear that esther needed much more space so steve and derek made another life changing decision they bought a farm and opened the happily ever esther farm sanctuary where they could care for esther and other animals in need funny heartwarming and utterly charming esther the wonder pig follows steve and derek s adventure from reluctant pig parents to farm owning advocates for animals new york times bestseller amazon best book of the year
