children everywhere know who the tooth fairy is and look forward to visits from this fabled character but where did the tooth fairy come from the tale of the tooth mouse explores the origin of the tooth fairy by examining a series of unforeseen events in the life of a happy carefree mouse named timothy j who lived with his close friends twins jon and anna readers will discover those life altering nights that lead this mischievous mouse to an unimaginable transformation which has lived

down through the ages in a fascinating glimpse through time the story reassures parents and their children who are ready to lose a first tooth the tale will help navigate parent and child through this most important rite of passage and make growing up fun masterfully told by the author with gorgeous full color illustrations the tale of the tooth mouse is a must read that will satisfy the curiosity and adventurous spirit of readers of all ages lizzie gets more than a visit from the tooth fairy who takes her to a castle in the sky where there are lots and lots of teeth what animal would you be if a few of your teeth grew so long that they stuck out of

your mouth even when it was closed what would you be if your top canine teeth grew almost all the way down to your feet this picture book will keep you guessing as you read about how human teeth are like and unlike those of other animals a determined young boy and a no nonsense tooth fairy tussle over who gets to keep his baby teeth madison is six years old and her two front teeth ruth and julie are loose ruth is a very worried front tooth who does not want to come out because she is afraid of meeting the tooth fairy mike the molar has told her many bad things about the tooth fairy ruth begs her friend julie who lives next to her on madison s gum not to

come out but julie does come out and that leaves ruth alone to deal with her fears thanks to a friendly dentist ruth learns that things aren't so bad in the dental kingdom there's no way the tooth fairy is real it just doesn't make sense states ellie so she sets out to prove this to be the case armed with a tiny tooth and a thirst for the truth convinced that the grown ups are the ones replacing the teeth with money she hides her tooth and tells nobody except her best friend and her eavesdropping mommy later that night ellie is awoken with a start there stands a fairy and ellie can't believe her eyes they fly to fairy land across toothpaste rivers and through

hallways of framed teeth even stopping by a peppermint tree and toothbrushes made of solid gold when ellie awakes there is indeed a coin in her tooth's place and a surprise at the door but had it all been a dream or something more featuring a whimsical story and simple colorful illustrations by author illustrator jules miller ellie and the truth about the tooth fairy encourages children to believe while also promoting good oral hygiene sky pony press with our good books racehorse and arcade imprints is proud to publish a broad range of books for young readers picture books for small children chapter books books for middle grade readers and novels for

young adults our list includes bestsellers for children who love to play minecraft stories told with lego bricks books that teach lessons about tolerance patience and the environment and much more while not every title we publish becomes a new york times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home a new angle on an old favorite about a child's tooth and a tooth fairy in this franklin classic storybook franklin learns what makes him different also makes him special a new generation of children love daniel tiger's

neighborhood inspired by the classic series mister rogers neighborhood daniel visits the dentist for the first time in this sweet 8x8 storybook based on an episode of daniel tiger s neighborhood daniel tiger is a little nervous about visiting the dentist dr plat mom tiger explains that when you do something new like going to the dentist you should talk about what s going to happen and dr plat does just that during his checkup as daniel gets his teeth brushed checked and polished dr plat explains what she s doing each step of the way so daniel feels more comfortable this sweet storybook is perfect for little ones who need some

reassurance as they take their seat in the dentist s chair 2019 the fred rogers company she s the winnebago driving pistol packing sixty something year old and she s back with her mini dachshund stretch she s maxie mcnabb and criminals from the frigid iditarod trail to the scorching southwest had better beware this time before leaving new mexico s lovely warmth maxie sets out to turn one on edge town back into a peaceful pueblo chew chomp and smile with dr seuss with this hilarious book all about teeth now in a board book format perfect for the littlest of readers learn about this very important body part that lets us talk eat and more in this useful

guide from dr seuss illustrated by joe mathieu from a lion s mouth to a clam s explore all the things teeth can do how they grow and how to keep them in tip top shape dr seuss s rhymes will delight young readers and help them discover the world around them starting with their own bodies bright and early board books are simplified editions of your favorite dr seuss stories printed in a sturdy board format that s perfect for little hands ages 0 3 at 4 ¼ x 5 ¾ they re about 1 4 the size of the classic large format seuss picture books like the lorax and oh the places you ll go and ideal for babies and toddlers too young for the original stories pretty much all

the stuff you need to know is in  
dr seuss president barack  
obama an ordinary visit to the  
dentist turns into something  
extraordinary when marissa  
and her mom walk through the  
tall gray buildings downtown  
and encounter someone special  
marissa s love of candy caught  
up with her that morning she  
woke up with a toothache and  
instead of bringing her to  
school her mother took her to  
the dentist so starts marissa s  
day a day where she will  
discover the joys of giving and  
sharing the tooth fairy explains  
how she does her job the star  
of the new york times  
bestselling here comes the  
easter cat is back with a loose  
tooth and a little competition

when cat loses a tooth the  
tooth fairy delivers a wholly  
unwanted sidekick a mouse  
together cat and mouse are  
tasked with running a few  
tooth fairy related errands a  
challenge since mouse is just  
as competitive and mischievous  
and hilariously self involved as  
cat the stakes rise and so does  
the deadpan humor  
culminating in a satisfying  
surprise that will leave readers  
eager for yet another  
delightfully devious cat  
adventure an homage to classic  
comic strips from the author of  
the quiet book and the loud  
book this new york times  
bestselling series is perfect for  
fans of pete the cat bad kitty  
and mo willems s elephant and

piggie series read it when there  
s a wiggly tooth and year round  
priceless slj great clever fun  
kirkus craftier than ever a  
welcome addition the horn  
book a delight a hoot in an  
aqua tutu and fairy wings bccb  
an npr best book of 2017 teeth  
is more than an exploration of a  
two tiered system it is a call for  
sweeping radical change new  
york times book review show  
me your teeth the great  
naturalist georges cuvier is  
credited with saying and i will  
tell you who you are in this  
shattering new work veteran  
health journalist mary otto  
looks inside america s mouth  
revealing unsettling truths  
about our unequal society teeth  
takes readers on a disturbing

journey into america's silent epidemic of oral disease exposing the hidden connections between tooth decay and stunted job prospects low educational achievement social mobility and the troubling state of our public health otto's subjects include the pioneering dentist who made shirley temple and judy garland's teeth sparkle on the silver screen and helped create the all american image of pearly whites deamonte driver the young maryland boy whose tragic death from an abscessed tooth sparked congressional hearings and a marketing guru who offers advice to dentists on how to push new and expensive

treatments and how to keep medicaid patients at bay in one of its most disturbing findings teeth reveals that toothaches are not an occasional inconvenience but rather a chronic reality for millions of people including disproportionate numbers of the elderly and people of color many people otto reveals resort to prayer to counteract the uniquely devastating effects of dental pain otto also goes back in time to understand the roots of our predicament in the history of dentistry showing how it became separated from mainstream medicine despite a century of growing evidence that oral health and general bodily health are closely

related muckraking and paradigm shifting teeth exposes for the first time the extent and meaning of our oral health crisis it joins the small shelf of books that change the way we view society and ourselves and will spark an urgent conversation about why our teeth matter franklin's friends are losing their teeth but franklin doesn't have any teeth to lose will the tooth fairy visit franklin anyway the tooth fairy has some competition meet el ratón pérez the charming and adventurous mouse who collects children's teeth in spain and latin america when both the tooth fairy and el ratón pérez arrive to claim miguelito's tooth sparks fly

under the mexican american boy s pillow who will rightfully claim his tooth this magical tale introduces a legendary latino character to a new audience and provides a fresh take on the familiar childhood experience of losing one s tooth while most books on dentistry describe the clinical and medical procedures involved this book expands the field to examine the role of dentistry and teeth in everything from biology to biography this book offers facts and figures regarding famous historical figures such as john hunter dr crippen doc holliday and paul revere exploring how their connections to dentistry shaped them as well as the story of the

two young dentists who discovered the principles of general anaesthesia other chapters focus on the amazing ranges of teeth in animals from the teeth in piranhas to the tusks and ivory of elephants and narwhals looking at their biological and cultural significance the importance of teeth in understanding the evolution of humans and in revolutionizing the study of archaeology is also evaluated this book is appropriate for dentists medical and dentistry students and non specialists to introduce the myriad interesting aspects relating to teeth please note that print volumes do not include full colour includes well illustrated

and thoroughly explained examples and anecdotes presents both popular and little known instances of teeth s importance in history written in an engaging tone appropriate for academics and the wider public a girl wonders if her adventure with the tooth fairy was real or only a dream learn how to care for your teeth and gums includes some dental history and lore teeth come in all shapes and sizes just like their animal hosts some teeth are sharp to grab prey and tear apart the meat other teeth are flat to chew plants and some animals have both kinds to eat plants and animals and that s the tooth delivers unique and fun facts about animal and

human teeth through engaging riddles with hints to help solve each riddle children will be actively involved as they giggle guess and learn the tooth fairy is based on true story about one of those precious childhood milestones losing the first tooth and anticipating the visit of the tooth fairy but it is also about much more it is a lesson for children about making choices this book should be read by anyone who is about to lose a tooth has lost a tooth or has a child or grandchild who has lost a tooth treasure the milestone the memory and the moment life is about choices many choices some are easy some are difficult but choices have to be made negotiations

and compromise are sometimes very important there are times however especially when we are very young that it is important to know that we simply have to follow the rules there are times when we have limited choice and we have to decide between one option and another no negotiation allowed this is a tough but necessary life lesson one that all children have to learn that will stand us in good stead puzzle fulfills every young pony's dream with four legs and wings he's the tooth fairy supreme he gathers up teeth in the dead of the night and stores them in feed bins hidden from sight from the coauthor of dork diaries comes a witty and engaging picture

book about a prankster who wants to pull off the best prank of all pranking the tooth fairy kaylee loves pulling pranks from dropping water balloons on passers by to even tricking santa claus she's a prize winning prankster but is she the princess of pranks no that title is held by none other than the tooth fairy but when kaylee loses a tooth and the tooth fairy goes about her usual tooth taking business kaylee pranks her with a fake frog as kaylee and the tooth fairy try to out prank one another things get way out of hand until the two finally see eye and eye and decide to share the crown franklin's friends are losing their teeth but franklin doesn't

have any teeth to lose will the tooth fairy visit franklin anyway stella hopes to use her magic glasses to see the tooth fairy but instead she sees piper the tooth bandit a type of night sprite that steals the coins left for children and uses them to decorate their scooters so stella comes up with a different kind of decoration for the bandits adventures of my dentist and the tooth fairy activity and coloring book is the second book in the hood activity and coloring book series it will give your child many hours of enjoyment as they explore each page the book is filled with new activities that include word puzzles word scrambles mazes

coloring activities and many more fun things for your child to actively complete and achieve your children will cherish the companionship of tiffany and the tooth fairy along with her helpers tessa and trisha they will enjoy the magic of sparkle glisten and glimmer who make it a wonderful experience as they take the mystery out of dental milestones such as losing primary teeth this exciting book of activities and pictures written by children s author and poet karen jean matsko hood introduces children to the fundamentals of healthy teeth and mouth fluoride toothpaste and brushing the book is presented in english as well as

the counterpart of japanese this is an exciting way to introduce your child to both cultures and traditions you will want each of your children to have this book of fun this book makes a great gift for other children as well when martin receives more money from the tooth fairy than his friends at school he offers to put their teeth under his pillow for a percentage of the profits from the new york times and usa today bestselling how to catch series comes an all new tooth fairy book the perfect back to school gift from losing your first tooth to waiting for the arrival of the mysterious tooth fairy how to catch the tooth fairy celebrates this special

event in your child's life with a lively story of the tooth fairy's escape from some very determined kids get ready to laugh along with this zany story as the tooth fairy dodges traps drool dental floss webs and more in this fun bedtime book for children ages 4-10 that combines silly rhymes and bright illustrations with steam concepts can you catch her how to catch the tooth fairy it's not an easy task you can try to catch her but she is just too fast also in the how to catch series how to catch a unicorn how to catch a mermaid how to catch a dinosaur how to catch a leprechaun how to catch a monster and more when fluffy the class guinea pig goes home

with wade for the weekend wade loses a tooth and fluffy learns about the tooth fairy original in an ancient cathedral in france the tooth mouse decides it is time to choose her successor face front horror hounds the greatest of ghoulish gladiators gouges a gruesome gangway through your guts in the grand guignol tradition creepy cullen bunn sinister shawn lee and murderous matt kindt bring you the most spectacular of horrifying heroes the tooth be the first kid on your block to follow the offbeat adventures of the incredible incisor the monstrous molar the courageous carnassial as he squares off against vicious

demons hell bent sorcerers vengeful spirits and undead dragons it wiggles and waggles and wiggles some more but this little boy's stubborn tooth just won't come out he hopes it will fall out soon because he can't wait to meet the tooth fairy this humorous tale based on clement c moore's classic poem is a perfect addition to the best selling series illustrated by johansen newman charlie is an irresistibly funny little brother who manages to get into all kinds of scrapes whether he's trying to hinder or help his brother max and best friend henry trouble is guaranteed tooth fairy charlie has four wobbly teeth and cannot wait for the tooth fairy to arrive
