Notes and Queries: A Medium of Inter-
Communication for Literary Men, Artists,
Antiquaries, Genealogists, Etc 1920 the early
modern and modern cultural world in the west
would be unthinkable without petrarch and
boccaccio despite this fact there is still no
scholarly contribution entirely devoted to
analysing their intellectual revolution
internationally renowned scholars are invited
to discuss and rethink the historical
intellectual and literary roles of petrarch
and boccaccio between the great model of dante
s encyclopedia and the ideas of a double or
multifaceted culture in the era of italian
renaissance humanism in his lyrical poems and
latin treatises petrarch created a cultural
pattern that was both christian and classical
exercising immense influence on the western
world in the centuries to come boccaccio
translated this pattern into his own
vernacular narratives and erudite works
ultimately claiming as his own achievement the
reconstructed unity of the ancient greek and

latin world in his contemporary age the volume reconsiders petrarch s and boccaccio s heritages from different perspectives philosophy theology history philology paleography literature theory and investigates how these heritages shaped the cultural transition between the end of the middle ages and the early modern era as well as european identity

Light and Shade 2000 this oral autobiography of jimmy page the intensely private mastermind behind led zeppelin one of the most enduring bands in rock history is the most complete and revelatory portrait of the legendary guitarist ever published more than 30 years after disbanding in 1980 led zeppelin continues to be celebrated for its artistic achievements broad musical influence and commercial success the band s notorious exploits have been chronicled in bestselling books yet none of the individual members of the band has penned a memoir nor cooperated to any degree with the press or a biographer in light shade jimmy page the band s most reticent and inscrutable member opens up to journalist brad tolinski for the first time exploring his remarkable life and musical journey in great depth and intimate detail based on extensive interviews conducted with the guitarist producer over the past 20 years light shade encompasses page s

entire career beginning with his early years as England's top session guitarist when he worked with artists ranging from Tom Jones, Shirley Bassey and Burt Bacharach to The Kinks, The Who and Eric Clapton. Page speaks frankly about his decadent yet immensely creative years in Led Zeppelin, his synergistic relationships with band members Robert Plant, John Bonham and John Paul Jones, and his notable post-Zeppelin pursuits. While examining every major track recorded by Zeppelin, including "Stairway to Heaven," "Whole Lotta Love" and "Kashmir," Page reflects on the band's sensational tours, the filming of the concert movie *The Song Remains the Same*, his fascination with the occult, meeting Elvis Presley, and the making of the rock masterpiece *Led Zeppelin IV*, about which he offers a complete behind-the-scenes account. Additionally, the book is peppered with sidebar chapters that include conversations between Page and other guitar greats, including his childhood friend Jeff Beck and hipster icon Jack White. Through Page's own words, *Light and Shade* presents an unprecedented first-person view of one of the most important musicians of our era.
