italy on a family vacation with her art obsessed mom her grumpy dad and her annoyingly cute 6 year old brother but italy isn't exactly everything melanie expects it to be as she discovers michelangelo gelato and the joy of penning poetry she also discovers how much her crazy family really means to her maybe she won't trade them in after all celebrate gratitude and simple ways of brightening others days with this sweet brightly illustrated story about a girl's letters and her town's overwhelming response after a wonderful party birthday girl grace sits down to thank her friends and family for all their kind gifts but she doesn't stop there as she writes grace realizes there are so many things to be grateful for so she thanks her teacher for helping her learn to write she thanks her dog for his cheerful wagging tail she even thanks the sky for being perfectly beautifully blue the thank you letter is perfect for starting conversations about gratitude both for tangible gifts and for the little things we don't always stop to appreciate the sweet story encourages young readers to focus on positivity and share it to write letters of their own to family friends and loved ones and share their joys for everyone who wants to encourage children to write thank you notes for gifts and for everyone searching for new ways to connect with distant loved ones the thank you letter is a perfect model for expressing gratitude and showcases the joyful response a simple gesture can create when grace returns home after delivering her notes she finds a wealth of affection cards letters and notes from her neighbors and friends expressing their love for grace and appreciation for her letters a beautifully illustrated gatefold page shows how deeply her letters have touched the hearts of everyone around them and beloved storyteller and illustrator jane cabrera's vivid and textured acrylic paintings are filled with joyful cuteness and warmth collage elements including patterns from the inside of envelopes smartly add to the epistolary theme this delightful celebration of mindful thankfulness and community togetherness is perfect for curling up in a cozy spot and sharing one on one as a prize for reading the most books stella's class wins a sleepover in the school library but after some strange occurrences including finding a book written by an author who has the same name stella realizes she's not as brave as she thought in superstar book 8 of the stella batts series stella gets the chance to audition for her favorite television show the casting director says she is perfect for the role stella rehearses her lines until she knows the part by heart but the audition doesn't go as planned two missing girls thirteen years apart an intense psychological thriller for readers of i am watching you the luckiest girl alive and all the missing girls olivia shaw has been missing since last tuesday she was last seen outside the entrance of her elementary school in hunts point wearing a white spring jacket blue jeans and pink boots i force myself to look at the face in the photo into her slightly smudged features and i can't bring myself to move olivia shaw could be my mirror image rewind to thirteen years ago if you have any knowledge of olivia shaw's whereabouts or any relevant information please contact i've spent a long time peering into the faces of girls on missing posters wondering which one replaced me in that basement but they were never quite the right age the right look the right circumstances until olivia shaw missing for one week tomorrow whoever stole me was never found but since i was taken there hasn't been another girl and now there is sydney taylor award winning novel berlin boxing club is loosely inspired by the true story of boxer max schmeling's experiences following kristallnacht publishers weekly called it a masterful historical novel in a starred review karl stern has never thought of himself as a jew after all he's never even been in a synagogue but the bullies at his school in nazi era berlin don't care that karl's family doesn't practice religion demoralized by their attacks against a heritage he doesn't accept as his own karl longs to prove his worth then max schmeling champion boxer and german hero makes a deal with karl's father to give karl boxing lessons a skilled cartoonist karl has never had an interest in boxing but now it seems like the perfect chance to reinvent himself but when nazi violence against jews escalates karl must take on a new role family protector and as max's fame forces him to associate with nazi elites karl begins to wonder where his hero's sympathies truly lie can karl balance his boxing dreams with his obligation to keep his family out of harm's way includes an author's note and sources page detailing the factual inspirations behind the novel piper maclane wants a pet so badly but she's allergic to everything so she creates her own out of slime it has big

eyes a little mouth and two arms just long enough for hugs when a strange turn of events brings her slime to life piper learns how fun challenging and messy it can be to care for a pet especially one made out of slime in who s in charge stella gets a lesson in responsibility when she volunteers to watch her best friend s dog bella for a few days the only problem with this plan is that stella didn t ask her mother for permission with new baby marco at home stella s mom already has her hands full but grandma agrees it s good for stella to have some responsibility as she s getting older it looks as though stella has things under control it s only for a few days what could go wrong when bella gets loose and runs away stella is heartbroken will stella find bella before evie gets back and where does she even start to look it s just another day in the life of stella batts in this early chapter book series the ups and downs of stella s life are charmingly chronicled on his tenth birthday zack learns from his uncle that he is descended from a long line of genies and before he has a chance to process this information he is whisked through a bottle portal and sent on his first assignment
