revised edition of the bestselling classic is based on
fifteen years of experience in putting peter senge s
ideas into practice as senge makes clear in the long
run the only sustainable competitive advantage is
your organization s ability to learn faster than the
competition the leadership stories demonstrate the
many ways that the core ideas of the fifth discipline
many of which seemed radical when first published
have become deeply integrated into people s ways
of seeing the world and their managerial practices
senge describes how companies can rid themselves
of the learning blocks that threaten their
productivity and success by adopting the strategies
of learning organizations in which new and
expansive patterns of thinking are nurtured
collective aspiration is set free and people are
continually learning how to create the results they
truly desire mastering the disciplines senge
