for nonprofits educational and govt agencies how to plan effective programs contact appropriate funders and write effective grant proposals to get funding winner of the 2021 andrew carnegie medal for excellence in nonfiction finalist for the 2020 kirkus prize for nonfiction finalist for the pen e o wilson literary science writing award a delving haunted and poetic debut the new york times book review about the awe inspiring lives of whales revealing what they can teach us about ourselves our planet and our relationship with other species when writer rebecca giggs encountered a humpback whale stranded on her local beachfront in australia she began to wonder how the lives of whales reflect the condition of our oceans fathoms the world in the whale is a work of bright and careful genius robert moor new york times bestselling author of on trails one that blends natural history philosophy and science to explore how do whales experience ecological change how has whale culture been both understood and changed by human technology what can observing whales teach us about the complexity splendor and fragility of life on earth in fathoms we learn about whales so rare they have never been named whale songs that sweep across hemispheres in annual waves

of popularity and whales that have modified the chemical composition of our planet's atmosphere we travel to Japan to board the ships that hunt whales and delve into the deepest seas to discover how plastic pollution pervades our earth's undersea environment with the immediacy of Rachel Carson and the lush prose of Annie Dillard Gigg's gives us a masterly The New Yorker exploration of the natural world even as she addresses what it means to write about nature at a time of environmental crisis with depth and clarity she outlines the challenges we face as we attempt to understand the perspectives of other living beings and our own place on an evolving planet evocative and inspiring Fathoms immediately earns its place in the pantheon of classics of the New Golden Age of environmental writing Literary Hub Writing Grant Proposals that Win Fourth Edition offers step by step instructions and clear examples of how to write winning grant proposals it offers practical guidance on how to express the need for the project describe objectives and activities outline an evaluation plan create a workable project budget The Fourth Edition is a thorough update with all new charts graphs tables and figures as well as new examples and coverage of current topics students

will come away with a clear understanding of how reviewers function and what they are looking for in proposal sections in addition to what is needed to maximize every aspect of the proposal the text is loaded with useful tips that will enable your students to hit the ground running including how to assess a program announcement and ensure each requirement is addressed condense your entire proposal into a brief but compelling abstract determine what appendices to include and in what form for maximum impact adequately describe project dissemination and continuation plans use technology including desktop publishing graphics color and spreadsheets for budget development to enhance your proposals and structure your proposal to increase your chance of winning if you've ever wondered why you were denied funding for an obviously worthy project how to write knockout proposals just may have the answer in all likelihood your proposal was the culprit with information all around us today both online and in print virtually anyone can identify the right prospects whether they're corporations foundations or even individuals that's the easy part but few people as Joseph Barbato says in the first chapter of his new book can write a

knockout proposal a document of such force it nearly catapults the funder down the hall a proposal writer himself for 30 years barbato hopes to change that even if you don t have the skills to compose a riveting proposal in other words even if you re not blessed with the talents of philip roth toni morrison or john updike you can dramatically improve your proposal and make it more appealing than the overwhelming majority of those currently submitted the key is to heed barbato s tips and suggestions on everything from naming your proposal to helping the funder get it to emphasizing the right benefits to focusing on the most arresting data to guarding against a range of red flags barbato s engaging style goes down like icewater in august he is brief snappy and always fresh the entire book with its 51 two page chapters can be read in one sitting but don t be fooled by its brevity as joel orosz the kellogg foundation s former program director says in the foreword as someone who has sat on both sides of the funding desk i can attest that how to write knockout proposals provides advice that will help you in the real world with real funders we will be exploring proposals to put spectrum auction proceeds in special trust funds dedicated to the

services include public and private funding sources we award our grant writing clients a 75 000 technical assistance grant to cover website design and consulting services for 12 months hosting and monthly website maintenance is covered in the technical assistance grant we teach grant writing entrepreneur training and computer software courses including website design our experience in grant writing business development computers and the internet is extensive our success rate in grant fund acquisition is nearly 100 and we are world travelers in 1983 i wrote an entrepreneur training program that scored more points than the team of grant writers from cal state l a school of business our client was awarded more than 1 million dollars over a five year period and that is why we guarantee funding i have been online longer than america online my credits include writing two text books real estate brokerage management selling leasing commercial real estate known for combining natural foods recipes with evocative artful photography new york times bestselling author heidi swanson circled the globe to create this mouthwatering assortment of 120 vegetarian dishes in this deeply personal collection drawn from her well worn recipe

journals heidi describes the fragrance of flatbreads hot off a marrakech griddle soba noodles and feather light tempura in tokyo and the taste of wild picked greens from the puglian coast recipes such as fennel stew carrot sake salad watermelon radish soup brown butter tortelli and saffron tagine use healthy whole foods ingredients and approachable techniques and photographs taken in morocco japan italy france and india as well as back home in heidi s kitchen reveal the places both near and far that inspire her warm nourishing cooking as more and more clients shift to a formal request for proposal process is your firm winning all the business it could and should the key to winning proposals isn t really magic but as rfp requirements become increasingly complex and competition stronger putting together a successful proposal does require a more strategic approach and a game changing shift in thinking the magic of winning proposals will not only help you improve your rfp win rates this essential book will help you win new clients and realize better margins some of the most successful consulting firms in the world use this process achieving win rates of more than 80 percent now author laura ricci shares her process with you the

magic of winning proposals provides an easy step by step guide complete with forms on how to sync with your client analyze the rfp avoid pitfalls and thoroughly prepare the final proposal and oral presentation this book delivers so you can too the best resource available for finding a literary agent fully revised and updated no matter what you re writing fiction or nonfiction books for adults or children you need a literary agent to get the best book deal possible from a traditional publisher guide to literary agents 30th edition is your go to resource for finding that literary agent and earning a contract from a reputable publisher along with listing information for more than 1 000 agents who represent writers and their books the 30th edition of gla includes hundreds of updated listings for literary agents and writing conferences informative articles on crafting effective queries synopses and book proposals and the agent query tracker plus a 30 day platform challenge to help writers build their writing platforms includes 20 literary agents actively seeking writers and their writing previous editions of this best selling book have helped over 100 000 students and professionals write effective proposals for dissertations and grants the expanded fourth edition successfully

covers all aspects of the proposal process from the most basic questions about form and style to the task of seeking funding the authors update their previous work with a discussion of the effects of new technologies and the internet on the proposal process a new chapter on funding for student research a totally revised chapter on qualitative research and two completely new specimen proposals clear accessible and reader friendly the book provides both practical advice for the would be writer and lengthy examples that show how effective proposal writing can be done winning e learning proposals illustrates how to make significant profits in the competitive e learning industry by revealing proven methods for preparing winning proposals it provides step by step instructions for an effective capture strategy designing a persuasive written proposal and creating a winning sales presentation what is life like for workers in the gig economy is it a paradise of flexibility and individual freedom or is it a world of exploitation and conflict callum cant took a job with one of the most prominent platforms deliveroo to find out his vivid account of the reality is grim workers are being tyrannised by algorithms and exploited for the profit of the few but they are

not taking it lying down cant reveals a transnational network of encrypted chats and informal groups which have given birth to a wave of strikes and protests far from being atomised individuals helpless in the face of massive tech companies workers are tearing up the rulebook and taking back control new developments in the workplace are combining to produce an explosive subterranean class struggle where the stakes are high and the risks are higher riding for deliveroo is the first portrait of a new generation of working class militants its mixture of compelling first hand testimony and engaging analysis is essential for anyone wishing to understand class struggle in platform capitalism the most complete grant writing book on the market including sample letters and 15 sample grant proposals the definitive career guide for grad students adjuncts post docs and anyone else eager to get tenure or turn their ph d into their ideal job each year tens of thousands of students will after years of hard work and enormous amounts of money earn their ph d and each year only a small percentage of them will land a job that justifies and rewards their investment for every comfortably tenured professor or well paid former academic there are countless underpaid

and overworked adjuncts and many more who simply give up in frustration those who do make it share an important asset that separates them from the pack they have a plan they understand exactly what they need to do to set themselves up for success they know what really moves the needle in academic job searches how to avoid the all too common mistakes that sink so many of their peers and how to decide when to point their ph d toward other non academic options karen kelsky has made it her mission to help readers join the select few who get the most out of their ph d as a former tenured professor and department head who oversaw numerous academic job searches she knows from experience exactly what gets an academic applicant a job and as the creator of the popular and widely respected advice site the professor is in she has helped countless ph d s turn themselves into stronger applicants and land their dream careers now for the first time ever karen has poured all her best advice into a single handy guide that addresses the most important issues facing any ph d including when where and what to publish writing a foolproof grant application cultivating references and crafting the perfect cv acing the job talk and campus

interview avoiding the adjunct trap making the leap to nonacademic work when the time is right the professor is in addresses all of these issues and many more authors william gerin christine kapelewski and niki l page are here to help you secure nih funding for your research writing the nih grant proposal third edition offers hands on advice that simplifies demystifies and takes the fear out of writing a federal grant application acting as a virtual mentor this book provides systematic guidance for every step of the nih application process including the administrative details developing and managing collaborative relationships budgeting and building a research team helpful hints along the way provide tips from researchers who have received grants themselves new to this edition much more user friendly in response to the updated nih website covers the new application submission system interface for submission tracking assist online submission form for both single and multiple projects revamped advice on substantive sections of the proposal to address lowered page allowance coverage of the new scoring system and reviewer reporting system coverage of the usage and submission of the new sf 424 forms this workbook and the accompanying online

resources provide a one stop reference manual to designing and delivering a successful training course written in a practical and user friendly style the training design manual provides both theory and practical exercises guiding the reader through the total design process from start to finish theory and concepts are followed by practical application and a blend of text and graphics appeals to a wide range of learning styles accompanying online material includes design templates which the reader can use to record ideas as they progress through the book so that by the end they will have a complete course design online supporting resources include dozens of activities examples and templates authors are the ceos of their books and their book proposals are their business plans most agents and publishers require a proposal before ever setting eyes on a manuscript and it is a crucial element in getting published writing a proposal can also help an author to write the right book for the right audience and to more successfully pitch a book to the right agent or publisher propose your book offers a clear understanding of the book proposal process in today s fiercely competitive publishing climate it includes the most up to date concepts in writing

a book proposal insider tips from the agents and publishers examples of actual proposals from publishers files covering proposals for nonfiction fiction and children s books patricia fry provides a hands on approach from an experienced writer s perspective propose your book enriched with innovative and tried and true strategies is a complete guide to perfecting contemporary proposals that will sell writers books allworth press an imprint of skyhorse publishing publishes a broad range of books on the visual and performing arts with emphasis on the business of art our titles cover subjects such as graphic design theater branding fine art photography interior design writing acting film how to start careers business and legal forms business practices and more while we don t aspire to publish a new york times bestseller or a national bestseller we are deeply committed to quality books that help creative professionals succeed and thrive we often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers in this practical accessible guide for students faculty and other university personnel author cynthia e carr shares her best practices for planning writing and winning research grants

based on her own experience submitting more than 300 grant proposals and securing millions of dollars in awards insightful innovative and informative the book goes beyond coverage of standard grant writing to specifically address the issues faced by the higher education community including the university bureaucracy and how to navigate it the nuts and bolts of grant writing covers everything from budgets to submissions and federal to foundation competitions giving novices the opportunity to leapfrog over some of the hard lessons that most college and university grant seekers must learn from trial and error and allowing those with more experience to sharpen their skills an amazingly simple technique for getting high conflict people to stop blaming others and instead join in finding solutions to problems the rapid growth in online and virtual learning opportunities has created culturally diverse classes and corporate training sessions instruction for these learning opportunities must adjust to meet participant needs online course management concepts methodologies tools and applications is a comprehensive reference source for the latest scholarly material on the trends techniques and management of online and distance learning environments and examines the

benefits and challenges of these developments highlighting a range of pertinent topics such as blended learning social presence and educational online games this multi volume book is ideally designed for administrators developers instructors staff technical support and students actively involved in teaching in online learning environments providing clear cut steps for producing each section of a competitive grant proposal this hands on book is filled with examples from actual rfps and proposals practical tools and writing tips prominent educator and successful proposal writer anne l rothstein shares a systematic process created over decades of experience in the field she details how to achieve group consensus around a project identify likely funding sources establish need develop objectives assemble a master project table and other needed tables figures and charts create an effective logic model prepare an evaluation put together a budget tailor the proposal to meet the requirements of funders and avoid common errors purchasers get access to a page where they can download and print the book s 14 reproducible templates in a convenient 8 1 2 x 11 size providing clear cut steps for producing each section of a competitive grant

proposal this hands on book is filled with examples from actual rfps and proposals practical tools and writing tips prominent educator and successful proposal writer anne l rothstein shares a systematic process created over decades of experience in the field she details how to achieve group consensus around a project identify likely funding sources establish need develop objectives assemble a master project table and other needed tables figures and charts create an effective logic model prepare an evaluation put together a budget tailor the proposal to meet the requirements of funders and avoid common errors purchasers get access to a page where they can download and print the book s 14 reproducible templates in a convenient 8 1 2 x 11 size discover the secrets to getting published writing a book in the beginning stages of writing a book most people start with a blank page and write their entire manuscript according to author and acquisitions editor w terry whalin this approach is backwards about 80 to 90 of nonfiction books are sold from a book proposal this mysterious document called a proposal contains many elements that will never appear in a manuscript yet these details are critical to publishing executives who make the decision

about publishing or rejecting an author's project in book proposals that sell terry reveals 21 secrets to creating a book proposal that every author needs in order to create one that sells while it is becoming increasingly common for contracts to be awarded through formal procurement processes smaller business are missing out without the training and confidence needed to write a successful bid or proposal valuable business can be lost bid management is an easy to read practical guide which will teach the reader how to think like a professional bid manager it covers the basics of how to find opportunities understanding the rules of the game and how to get to know your customer it also gives essential advice on how to compete with other bidders present a deliverable and profitable bid project manage your bid work out a pricing strategy clinch the deal and learn from success as well as failure with an insightful interview with the director behind the london 2012 olympic bid bid management uncovers the myths of bidding and teaches all the skills needed to get noticed retain existing clients and win new ones forsyth provides practical pointers on presenting a proposal clearly and persuasively using checklists exercises and examples he

explains how to make a plan transfer ideas into writing and edit them to achieve best results sales techniques to be used when working on bids proposals and tenders
